Second And Third Weeks Of November The Best Time To Book Hotels For The December Holidays According To TripAdvisor

Hotels for the Holidays Pricing Analysis Reveals that Nov. 6-18 is When Travelers Can Find the Lowest Hotel Rates for Popular Travel Destinations Worldwide Booking at this Time Can Save Travelers Up to 40% vs. Peak Rates

NEEDHAM, Mass., Nov. 8, 2017 /PRNewswire/ -- [TripAdvisor®](#), the site that helps find the latest reviews and lowest prices, today announced the "Best Time to Book" for the Holidays report, revealing that November 6-18 is when travelers can consistently find the lowest hotel rates on hotels for the last two weeks of December.

TripAdvisor analyzed historical hotel pricing data to identify the time periods offering the lowest rates on hotels for the holidays in popular destinations around the world. The "best time to book" is when hotel prices were consistently less than the destination average.

Best Time to Book a Hotel for the Holidays - Nov. 6-18

For a hotel in the U.S., travelers booking during the optimal period of November 6-18 can save 18% compared to early year peak rates. Travelers planning to stay in a hotel in Europe can book during this window to save 21% compared to peak and for hotels in Asia, travelers can get 12% off versus highs.

Best Time to Fly - Sunday Savings

While airfare changes frequently and are dependent on the departure destination, this year, with the Christmas holiday falling on a Monday, travelers can save 14% on average by flying on Sunday, December 24 compared to flying the day before on Saturday, December 23. Similarly, flying on New Year's Eve (Sunday, December 31) will save travelers 12-23% on average vs. flying on other days during the last week of December.

"Travelers wondering when they should book can rejoice in knowing there's still time to find and book the best prices on hotels for the holidays," said Brooke Ferencsik, senior director of communications for TripAdvisor.
