PROCEDURAL MATTERS

This Proxy Statement is being furnished to holders of common stock and Class B common stock of TripAdvisor, Inc., a Delaware corporation, in connection with the solicitation of proxies by TripAdvisor's Board of Directors for use at its 2014 Annual Meeting of Stockholders or any adjournment or postponement thereof (the "Annual Meeting"). All references to "TripAdvisor," the "Company," "we," "our" or "us" in this report are to TripAdvisor, Inc. An Annual Report to Stockholders, containing financial statements for the year ended December 31, 2013, and this Proxy Statement are being made available to all stockholders entitled to vote at the Annual Meeting.

TripAdvisor's principal offices are located at 141 Needham Street, Newton, Massachusetts 02464. This Proxy Statement is being made available to TripAdvisor stockholders on or about April 30, 2014.

Date, Time and Place of Meeting

The Annual Meeting will be held on Thursday, June 12, 2014, at 12:30 p.m. local time at the offices of Goodwin Procter LLP, 53 State Street, Boston, MA 02109.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares. Cameras and recording devices will not be permitted at the Annual Meeting.

Record Date and Voting Rights

The Board of Directors established the close of business on April 21, 2014 as the record date for determining the holders of TripAdvisor common stock entitled to notice of and to vote at the Annual Meeting. On the record date, 129,852,778 shares of common stock and 12,799,999 shares of Class B common stock were outstanding and entitled to vote at the Annual Meeting. TripAdvisor stockholders are entitled to one vote for each share of common stock and ten votes for each share of Class B common stock held as of the record date, voting together as a single voting group, in (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of TripAdvisor's independent registered public accounting firm, and (iii) the stockholder proposal regarding majority voting in director elections. TripAdvisor stockholders are entitled to one vote for each share of common stock held as of the record date in the election of the three director nominees that the holders of TripAdvisor common stock are entitled to elect as a separate class pursuant to TripAdvisor's restated certificate of incorporation.

As of the record date, Liberty Interactive Corporation ("Liberty") beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.0% of the outstanding shares of Common Stock and 100% of the outstanding shares of Class B Common Stock. Assuming the conversion of all of the Liberty's shares of Class B common stock into common stock, Liberty would beneficially own 21.7% of the outstanding common stock (calculated in accordance with Rule 13d-3). Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, Liberty may be deemed to beneficially own equity securities representing approximately 56.7% of our voting power. As a result, regardless of the vote of any other TripAdvisor stockholder, Liberty has control over the vote relating to (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of TripAdvisor's independent registered public accounting firm, and (iii) the stockholder proposal regarding majority voting in director elections.

Table of Contents

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

With respect to (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of TripAdvisor's independent registered public accounting firm, and (iii) a stockholder proposal regarding majority voting in director elections, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. For the election of the three directors whom the holders of TripAdvisor common stock are entitled to elect as a separate class, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of shares of common stock constitutes a quorum.

If a share is represented for any purpose at the meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of TripAdvisor capital stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on (a) the election of our directors or (b) the stockholder proposal regarding majority voting in director elections, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Solicitation of Proxies

TripAdvisor will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of TripAdvisor, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise. Following the original mailing of the proxies and other soliciting materials, TripAdvisor will ask brokers, trusts, banks or other nominees to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of TripAdvisor capital stock and to request authority for the exercise of proxies. In such cases, TripAdvisor, upon the request of the brokers, trusts, banks and other stockholder nominees, will reimburse such holders for their reasonable expenses.

Voting of Proxies

The manner in which your shares may be voted depends on whether you are a:

- *Registered stockholder:* Your shares are represented by certificates or book entries in your name on the records of the TripAdvisor's stock transfer agent and you have the right to vote those shares directly; or
- *Beneficial stockholder:* You hold your shares "in street name" through a broker, trust, bank or other nominee and you have the right to direct your broker, trust, bank or other nominee on how to vote the shares in your account; however, you must request and receive a valid proxy from your broker, trust, bank or other nominee.

Table of Contents

Whether you hold shares directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the instructions below and those on the Notice of Internet Availability of Proxy Materials, proxy card or voting instruction form provided. To vote using the Internet or by telephone, you will be required to enter the control number included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee.

- *Using the Internet.* Registered stockholders may vote using the Internet by going to www.proxyvote.com and following the instructions. Beneficial stockholders may vote by accessing the website specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- *By Telephone.* Registered stockholders may vote, from within the United States, using any touch-tone telephone by calling 1-800-690-6903 and following the recorded instructions. Beneficial owners may vote, from within the United States, using any touch-tone telephone by calling the number specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- *By Mail.* Registered stockholders may submit proxies by mail by requesting printed proxy cards and marking, signing and dating the printed proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial owners may vote by marking, signing and dating the voting instruction forms provided by their brokers, trusts, banks or other nominees and mailing them in the accompanying pre-addressed envelopes.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR proposals (1) and (2) and AGAINST proposal (3) described in this Proxy Statement.

TripAdvisor is incorporated under Delaware law, which specifically permits electronically transmitted proxies, provided that each such proxy contains, or is submitted with, information from which the inspector of elections can determine that such proxy was authorized by the stockholder. The electronic voting procedures provided for the Annual Meeting are designed to authenticate each stockholder by use of a control number, to allow stockholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made by mail, telephone or the Internet. We will provide a ballot to registered stockholders who request one at the meeting. Shares held in your name as the stockholder of record may be voted on that ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote via the Internet, by telephone or by returning your marked, signed and dated proxy card so that your shares will be represented at the Annual Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Annual Meeting.

Table of Contents

If you are a beneficial stockholder, you may revoke your proxy or change your vote only by following the separate instructions provided by your broker, trust, bank or other nominee.

If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same stock by mail, telephone or the Internet prior to the vote at the Annual Meeting or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person. Registered holders may send any written notice or request for a new proxy card to TripAdvisor, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717, or follow the instructions provided on the Notice of Internet Availability of Proxy Materials and proxy card to submit a new proxy by telephone or via the Internet. Registered holders may also request a new proxy card by calling 1-800-579-1639.

Other Business

The Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of Annual Meeting of Stockholders. The Board of Directors has no knowledge of any other matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters should properly come before the Annual Meeting, the persons designated in the proxy will vote on them according to their best judgment.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Nominees

Our Board of Directors currently consists of nine members. Pursuant to the terms of TripAdvisor's bylaws, each director serves for a one-year term from the date of his or her election and until such director's successor is elected or until such director's earlier resignation or removal. The Board of Directors has nominated the following directors and recommends that each be elected to serve a one-year term and until such director's successor shall have been duly elected and qualified or until such director's earlier resignation or removal:

Gregory B. Maffei
Stephen Kaufer
Jonathan F. Miller
Dipchand (Deep) Nishar
Jeremy Philips
Spencer M. Rascoff
Christopher W. Shean
Sukhinder Singh Cassidy
Robert S. Wiesenthal

TripAdvisor's restated certificate of incorporation provides that the holders of TripAdvisor common stock, acting as a single class, are entitled to elect a number of directors equal to 25% of the total number of directors, rounded up to the next whole number, which is currently three directors. The Board has designated Messrs. Milller, Philips and Wiesenthal as nominees for the positions on the Board to be elected by the holders of TripAdvisor common stock voting as a separate class.

Pursuant to a Governance Agreement among TripAdvisor and Liberty, dated December 20, 2011 (the "Governance Agreement"), Liberty has the right to nominate up to a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board of Directors is not an even multiple of five) for election to the Board of Directors and has certain other rights regarding committee participation, so long as certain stock ownership requirements applicable to Liberty are satisfied. Liberty has designated Messrs. Maffei and Shean as its nominees to the Board of Directors.

Although management does not anticipate that any of the nominees named above will be unable or unwilling to stand for election, in the event of such an occurrence, proxies may be voted for a substitute nominee designated by the Board of Directors.

Required Vote

Election of Messrs. Maffei, Kaufer, Miller, Nishar, Rascoff and Shean as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock and Class B common stock, present in person or represented by proxy, voting together as a single class.

Election of Messrs. Miller, Philips and Wiesenthal as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock, present in person or represented by proxy, voting together as a separate class.

Valid proxies received pursuant to this solicitation will be voted in the manner specified. Where no specification is made, it is intended that the proxies received from stockholders will be voted FOR the election of the director nominees identified. For the election of the directors, abstentions and broker non-votes will have no effect because approval by a certain percentage of voting stock present or outstanding is not required.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

Table of Contents

Directors and Executive Officers

Set forth below is certain background information, as of April 24, 2014, regarding the members of our Board of Directors, each of whom is also a nominee, as well as TripAdvisor's executive officers. There are no family relationships among directors or executive officers of TripAdvisor. In addition to the information presented below regarding each nominee's specific experience, qualifications, attributes and skills that led the Board of Directors to the conclusion that he or she should be renominated as a director, each nominee has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment to TripAdvisor and our Board of Directors as demonstrated by the nominee's past service. All of our nominees also have extensive management experience in complex organizations. The Board of Directors considered the NASDAQ requirement that TripAdvisor's Audit Committee be composed of at least three independent directors, as well as specific NASDAQ and U.S. Securities and Exchange Commission ("SEC") requirements regarding financial literacy and expertise.

Board of Directors

Director Independence

Under the NASDAQ Stock Market Listing Rules (the "NASDAQ Rules"), the Board has a responsibility to make an affirmative determination that those members of the Board who serve as independent directors do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In connection with the independence determinations described below, the Board reviewed information regarding transactions, relationships and arrangements relevant to independence, including those required by the NASDAQ Rules. This information is obtained from director responses to questionnaires circulated by management, as well as our records and publicly available information. Following this determination, management monitors those transactions, relationships and arrangements that were relevant to such determination, as well as solicits updated information potentially relevant to independence from internal personnel and directors, to determine whether there have been any developments that could potentially have an adverse impact on the Board's prior independence determination.

Table of Contents

The Board of Directors has determined that each of Ms. Singh Cassidy and Messrs. Miller, Nishar, Philips, Rascoff and Wiesenthal is an “independent director” as defined by the NASDAQ Rules. In making its independence determinations, the Board of Directors considered the applicable legal standards and any relevant transactions, relationships or arrangements. In addition to the satisfaction of the director independence requirements set forth in the NASDAQ Rules, members of the Audit Committee and Compensation Committee have also satisfied separate independence requirements under the current standards imposed by the SEC and the NASDAQ Rules for audit committee members and by the SEC, NASDAQ Rules and the Internal Revenue Service for compensation committee members.

Controlled Company Status

As of the record date, Liberty beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.0% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock, respectively. Assuming the conversion of all of Liberty’s shares of Class B common stock into common stock, Liberty would beneficially own 21.7% of the outstanding common stock (calculated in accordance with Rule 13d-3). Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, Liberty may be deemed to beneficially own equity securities representing approximately 56.7% of our voting power. Liberty has filed a Statement of Beneficial Ownership on Schedule 13D/A with respect to its TripAdvisor holdings and related voting arrangements with the SEC.

The NASDAQ Rules exempt “controlled companies,” or companies of which more than 50% of the voting power is held by an individual, a group or another company, such as TripAdvisor, from certain governance requirements under the NASDAQ Rules, including, among other items, the requirement that our Board of Directors be comprised of a majority of independent directors. On this basis, TripAdvisor is relying on the exemption for controlled companies from certain requirements under the NASDAQ Rules, including, among others, the requirement that the Compensation Committee be composed solely of independent directors and certain requirements relating to the nomination of directors. We may, in the future, rely on other exemptions available to a controlled company, including, among others, the requirement that a majority of the Board of Directors be composed of independent directors.

Board Leadership Structure

Mr. Maffei serves as the Chairman of the Board of Directors, and Mr. Kaufer serves as President and Chief Executive Officer of TripAdvisor. The roles of Chief Executive Officer and Chairman of the Board of Directors are currently separated in recognition of the differences between the two roles. This leadership structure provides us with the benefit of Mr. Maffei’s oversight of TripAdvisor’s strategic goals and vision, coupled with the benefit of a full-time Chief Executive Officer dedicated to focusing on the day-to-day management and continued growth of TripAdvisor and its operating businesses. We believe that it is in the best interests of our stockholders for the Board of Directors to make a determination regarding the separation or combination of these roles each time it elects a new Chairman or Chief Executive Officer based on the relevant facts and circumstances applicable at such time.

Independent members of the Board of Directors chair our Audit Committee, Compensation Committee and Section 16 Committee.

Meeting Attendance

The Board of Directors met seven times in 2013. During such period, each member of the Board of Directors attended at least 75% of the meetings of the Board and the Board committees on which they served.

Table of Contents

The independent directors meet in regularly scheduled sessions, typically before or after each Board meeting, without the presence of management. We do not have a lead independent director or any other formally appointed leader for these sessions. Directors are encouraged, but not required to attend annual meetings of TripAdvisor stockholders. All of the incumbent directors at the time have historically attended in person the annual meetings of stockholders.

Committees of the Board of Directors

The Board of Directors has the following standing committees: the Audit Committee, the Compensation Committee, the Section 16 Committee and the Executive Committee. The Audit, Compensation and Section 16 Committees operate under written charters adopted by the Board of Directors. These charters are available in the “Corporate Governance” section of the Investor Relations page of TripAdvisor’s corporate website at ir.tripadvisor.com. At each regularly scheduled Board meeting, the Chairperson of each committee provides the full Board of Directors with an update of all significant matters discussed, reviewed, considered and/or approved by the relevant committee since the last regularly scheduled Board meeting. The independent membership of our Audit, Compensation and Section 16 Committees ensures that directors with no ties to Company management are charged with oversight for all financial reporting and executive compensation related decisions made by Company management.

The following table sets forth the current members of each committee of the Board of Directors.

* Independent director

Audit Committee. The Audit Committee of the Board of Directors currently consists of three directors: Messrs. Miller, Rascoff and Wiesenthal. Mr. Wiesenthal is the Chairman of the Audit Committee. Each Audit Committee member satisfies the independence requirements under the current standards imposed by the rules of the SEC and NASDAQ. The Board has determined that each of Messrs. Wiesenthal and Rascoff is an “audit committee financial expert,” as such term is defined in the regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Audit Committee is appointed by the Board of Directors to assist the Board with a variety of matters discussed in detail in the Audit Committee charter, including monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. The Audit Committee met seven times in 2013. The formal report of the Audit Committee with respect to the year ended December 31, 2013 is set forth in the section below titled “Audit Committee Report.”

Compensation Committee. The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Philips and Maffei. Ms. Singh Cassidy is the Chairperson of the Compensation Committee. Each

member of the Compensation Committee is an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). With the exception of Mr. Maffei, each member is an “independent director” as defined by the NASDAQ Rules. No member of the Compensation Committee is an employee of TripAdvisor.

The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (which are handled by the Section 16 Committee described below). A description of our policies and practices for the consideration and determination of executive compensation is included in the section below titled “Compensation Discussion and Analysis.” The Compensation Committee met three times in 2013.

Section 16 Committee. The Section 16 Committee consists of Ms. Singh Cassidy and Mr. Philips. Ms. Singh Cassidy is the Chairperson of the Section 16 Committee. Each member is an “independent director” as defined by the NASDAQ Rules and satisfies the definition of “non-employee director” for purposes of Section 16 of the Exchange Act.

The Section 16 Committee is authorized to exercise all powers of the Board of Directors with respect to matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to TripAdvisor’s executive officers. The Section 16 Committee met three times in 2013.

Executive Committee. The Executive Committee consists of Messrs. Kaufer, Maffei and Shean. The Executive Committee has the powers and authority of the Board of Directors, except those matters that are specifically reserved to the Board of Directors under Delaware law or our organizational documents. The Executive Committee primarily serves as a means to address issues that may arise and require Board approval between regularly scheduled Board meetings. Following are some examples of matters that could be handled by the Executive Committee: (i) oversight and implementation of matters approved by the Board of Directors, (ii) administrative matters with respect to benefit plans, transfer agent matters, banking authority, formation of subsidiaries and other administrative items involving subsidiaries and determinations or findings under TripAdvisor’s financing arrangements and (iii) in the case of a natural disaster or other emergency as a result of which a quorum of the Board of Directors cannot readily be convened for action, directing the management of the business and affairs of TripAdvisor during such emergency or natural disaster. The Executive Committee did not meet in 2013.

Risk Oversight

Assessing and managing risk is the responsibility of TripAdvisor’s management. Our Board of Directors oversees and reviews certain aspects of our risk management efforts. Our Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. The President and Chief Executive Officer, the Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Treasurer and the Senior Vice President, General Counsel and Secretary attend Board meetings and discuss operational risks with the Board. Management also provides reports and presentations on strategic risks to the Board. Among other areas, the Board is involved, directly or through its committees, in overseeing risks related to our overall corporate strategy, business continuity, crisis preparedness and competitive and reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has primary responsibility for discussing with management TripAdvisor’s major financial risks and the steps management has taken to monitor and control such risks. In fulfilling its responsibilities, the Audit Committee receives regular reports from, among others, the Chief Financial

Table of Contents

Officer, General Counsel, the Vice President of Tax and the Corporate Controller as well as from representatives of internal audit and our auditors. The Audit Committee makes regular reports to the Board of Directors. In addition, TripAdvisor has, under the supervision of the Audit Committee, established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.

- The Compensation Committee considers and evaluates risks related to our cash and equity-based compensation programs, policies and practices and evaluates whether our compensation programs encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on TripAdvisor or our business. Consistent with SEC disclosure requirements, management has assessed the compensation policies and practices for our employees, including our executive officers, and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on TripAdvisor.

Ultimately, though, management is responsible for the day-to-day risk management process, including identification of key risks and implementation of policies and procedures to manage, mitigate and monitor risks. In fulfilling these duties, management recently conducted an enterprise and internal audit risk assessment and will use the results of that assessment in its risk management efforts. In addition, management has formed a Compliance Committee in connection with the implementation, management and oversight of a corporate compliance program to promote operational excellence throughout the entire organization in adherence with all legal and regulatory requirements and with the highest ethical standards

Director Nominations

Given the ownership structure of TripAdvisor and our status as a “controlled company,” the Board of Directors does not have a nominating committee or other committee performing similar functions or any formal policy on director nominations. The Board of Directors does not have specific requirements for eligibility to serve as a director of TripAdvisor, nor does it have a specific policy on diversity; however, the Board of Directors does consider, among other things, diversity when considering nominees to serve on our Board of Directors. We broadly construe diversity to mean diversity of opinions, perspectives, and personal and professional experiences and backgrounds, such as gender, race and ethnicity, as well as other differentiating characteristics. In evaluating candidates, regardless of how recommended, the Board of Directors considers whether the professional and personal ethics and values of the candidate are consistent with those of TripAdvisor, whether the candidate’s experience and expertise would be beneficial to the Board in rendering service to TripAdvisor, including in providing a mix of Board members that represent a diversity of backgrounds, perspectives and opinions, whether the candidate is willing and able to devote the necessary time and energy to the work of the Board of Directors, and whether the candidate is prepared and qualified to represent the best interests of TripAdvisor’s stockholders.

Pursuant to the Governance Agreement, Liberty has the right to nominate a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board of Directors so long as certain stock ownership requirements are satisfied. Liberty has nominated Messrs. Maffei and Shean as nominees for 2014. The other nominees to the Board of Directors were recommended by the Chairman and then were considered and recommended by the entire Board of Directors.

The Board of Directors does not have a formal policy regarding the consideration of director candidates recommended by stockholders; however, the Board of Directors would consider such recommendations if made in the future. Stockholders who wish to make such a recommendation should send the recommendation to TripAdvisor, Inc., 141 Needham Street, Newton, Massachusetts 02464, Attention: Secretary. The envelope must

Table of Contents

contain a clear notation that the enclosed letter is a “Director Nominee Recommendation.” The letter must identify the author as a stockholder, provide a brief summary of the candidate’s qualifications and history and be accompanied by evidence of the sender’s stock ownership, as well as consent by the candidate to serve as a director if elected. Any director candidate recommendations will be reviewed by the Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board of Directors.

Communications with the Board

Stockholders who wish to communicate with the Board of Directors or a particular director may send such communication to TripAdvisor, Inc., 141 Needham Street, Newton, Massachusetts 02464, Attention: Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder, provide evidence of the sender’s stock ownership and clearly state whether the intended recipients are all members of the Board of Directors or certain specified directors. The Secretary will then review such correspondence and forward it to the Board of Directors, or to the specified director(s), if deemed appropriate. Communications that are primarily commercial in nature, that are not relevant to stockholders or other interested constituents or that relate to improper or irrelevant topics will generally not be forwarded to the Board of Directors or to the specified director(s).

**PROPOSAL 2:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Overview

In February 2014, the Audit Committee of the Board of Directors determined it to be in the best interest of TripAdvisor to select KPMG LLP (“KPMG”) to replace Ernst & Young LLP (“E&Y”) as TripAdvisor’s independent registered public accounting firm for the year ending December 31, 2014.

On February 6, 2014, the Audit Committee of the Board of Directors determined to dismiss E&Y as TripAdvisor’s independent registered public accounting firm effective immediately upon TripAdvisor’s filing of its Annual Report on Form 10-K for the year ended December 31, 2013 (the “Annual Report”). The Annual Report was filed with the SEC on February 11, 2014. The reports of E&Y on TripAdvisor’s consolidated financial statements as of and for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2013 and 2012, and through February 11, 2014, there were no: (a) disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to E&Y’s satisfaction, would have caused E&Y to make reference to the subject matter thereof in connection with its reports for such years; or (b) reportable events, as described under Item 304(a)(1)(v) of Regulation S-K. TripAdvisor provided E&Y with a copy of the disclosures it expected to make in the Current Report on Form 8-K and requested from E&Y a letter addressed to the SEC indicating whether or not it agrees with the above disclosures. A copy of E&Y’s letter dated February 11, 2014 is attached as Exhibit 16.1 to TripAdvisor’s Current Report on Form 8-K filed on February 11, 2014.

Contemporaneous with the determination to dismiss E&Y, the Audit Committee appointed KPMG as TripAdvisor’s independent registered public accounting firm for the year ending December 31, 2014, also to be effective immediately following the filing of TripAdvisor’s Annual Report. During the years ended December 31, 2013 and 2012 and the subsequent interim period through February 11, 2014, TripAdvisor did not consult with KPMG with respect to (a) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to TripAdvisor’s financial statements, and no written report or oral advice was provided to TripAdvisor that KPMG concluded was an important factor considered by TripAdvisor in reaching a decision as to any accounting, auditing or financial reporting issue, or (b) any matter that was subject to any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The Sarbanes-Oxley Act of 2002 requires that the Audit Committee be directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. If the stockholders fail to vote to ratify the appointment of KPMG, the Audit Committee will reconsider whether to retain KPMG and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of TripAdvisor and its stockholders.

A representative of KPMG is expected to be present at the Annual Meeting, and will be given an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

Table of Contents

Required Vote

At the Annual Meeting, TripAdvisor will ask its stockholders to ratify the appointment of KPMG as TripAdvisor's independent registered public accounting firm for 2014. This proposal requires the affirmative vote of a majority of the voting power of the shares of TripAdvisor capital stock, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class.

Abstentions will be counted toward the tabulations of voting power present and entitled to vote on the ratification of the independent registered public accounting firm proposal and will have the same effect as votes against the proposal. Brokers have discretion to vote on the proposal for ratification of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS TRIPADVISOR'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014.

E&Y was TripAdvisor's independent registered public accounting firm for the years ended December 31, 2013 and 2012. The following table sets forth aggregate fees for professional services rendered by E&Y for the years ended December 31, 2013 and 2012.

Total Fees	<u>\$1,484,728</u>	<u>\$1,221,450</u>

- (1) Audit Fees include fees and expenses associated with the annual audit of TripAdvisor's consolidated financial statements, statutory audits, reviews of TripAdvisor's periodic reports, accounting consultations, reviews of SEC registration statements, report on the effectiveness of internal control and consents and other services related to SEC matters.
- (2) Audit-Related Fees include fees and expenses for due diligence in connection with acquisitions and accounting matters not related to the annual audit.
- (3) Tax Fees include fees and expenses for quarterly tax compliance services outside of the U.S.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has responsibility for appointing, setting compensation of and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has adopted a policy governing the pre-approval of all audit and permitted non-audit services performed by TripAdvisor's independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm's independence from TripAdvisor and our management. Unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the Audit Committee. The payment for any proposed services in excess of pre-approved cost levels requires specific pre-approval by the Audit Committee.

Pursuant to its pre-approval policy, the Audit Committee may delegate its authority to pre-approve services to one or more of its members, and it has currently delegated this authority to its Chairman, subject to a limit of \$250,000 per approval. The decisions of the Chairman (or any other member(s) to whom such authority may be delegated) to grant pre-approvals must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not delegate its responsibilities to pre-approve services to Company management.

The Audit Committee has considered the non-audit services provided by E&Y as described above and believes that they are compatible with maintaining E&Y's independence as our independent registered public accounting firm.

**PROPOSAL 3:
STOCKHOLDER PROPOSAL REGARDING MAJORITY VOTING IN DIRECTOR ELECTIONS**

Proposal

The United Brotherhood of Carpenters Pension Fund (the “Fund”) has submitted the following proposal, including proposed resolution and supporting statement:

Resolved: That the stockholders of TripAdvisor, Inc. (“Company”) hereby request that the Board of Directors initiate the appropriate process to amend TripAdvisor’s corporate governance documents (certificate of incorporation or bylaws) to provide that director nominees shall be elected by the affirmative vote of the majority of votes cast at an annual meeting of stockholders, with a plurality vote standard retained for contested director elections, that is, when the number of director nominees exceeds the number of board seats.

Supporting Statement: TripAdvisor’s Board of Directors should establish a majority vote standard in director elections in order to provide stockholders a meaningful role in these important elections. The proposed majority vote standard requires that a director nominee receive a majority of the votes cast in an election in order to be formally elected. The standard is particularly well-suited for the vast majority of director elections in which only board nominated candidates are on the ballot. Under the current plurality standard, a board nominee can be elected with as little as a single affirmative vote, even if a substantial majority of the votes cast are “withheld” from the nominee. We believe that a majority vote standard in board elections established a challenging vote standard for board nominees, enhances board accountability, and improves the performance of boards and individual directors.

In recent years, approximately 87% of the companies in the S&P 500 Index have adopted a majority vote standard in company bylaws, articles of incorporation, or charter. These companies have also adopted a director resignation policy that established a board-centric post-election process to determine the status of any director nominee that is not elected. This dramatic move to a majority vote standard is in direct response to strong stockholder demand for a meaningful role in director elections.

The TripAdvisor Board of Directors has not acted to establish a majority vote standard, retaining its plurality vote standard. The Board should take this critical first step in establishing a meaningful majority vote standard. With a majority vote standard in place, the Board can then act to adopt a director resignation policy to address the status of unelected directors. A majority vote standard combined with a post-election director resignation policy would establish a meaningful right for stockholders to elect directors at TripAdvisor, while reserving for the Board an important post-election role in determining the continued status of an unelected director. We urge the Board to join the mainstream major U.S. companies and establish a majority vote standard in director elections.

Statement of the Board of Directors in Opposition of the Stockholder Proposal

The Board of Directors believes that TripAdvisor’s current director election policies are in the best interest of our stockholders and do not need to be changed. In fact, despite our controlled status, our current director election policies give our minority stockholders a more meaningful role in the director election process than they would otherwise be entitled.

As of the record date, Liberty beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.0% of the outstanding shares of Common Stock and 100% of the outstanding shares of Class B Common Stock. Because each share of Class B common stock is generally entitled to ten votes per share and each share of common stock is entitled to one vote per share, Liberty may be deemed to beneficially own equity securities representing approximately 56.7% of our voting power. As a result, absent special provisions in our charter documents, Liberty would have control over the vote relating to the election of all director nominees.

Table of Contents

TripAdvisor and our Board of Directors are committed to strong corporate governance practices and ensuring our minority stockholders have a meaningful role in director elections. Specifically, our charter documents provide that the holders of common stock, acting as a separate class, elect 25% of the total number of directors, which number will be rounded up if not a whole number. For example, at this stockholder meeting, our common stockholders (excluding the votes represented by our Class B shares, all of which are owned by Liberty) will elect three of our nine directors even though the common stockholders do not represent a majority of our outstanding voting power.

Your Board of Directors believes that this protection, included in our certificate of incorporation, provides an important benefit to our common stockholders in the context of a controlled company. In contrast, the majority voting requirement, absent our charter provision discussed above, would result in Liberty fully controlling the election of all directors. Taking into account the facts and circumstances of TripAdvisor's capital structure and ownership profile, the Board of Directors does not believe the proposal is in the best interests of our stockholders.

Required Vote

This proposal requires the affirmative vote of a majority of the voting power of the shares of TripAdvisor common stock, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "AGAINST" THIS PROPOSAL.

AUDIT COMMITTEE REPORT

Management has the primary responsibility for the financial statements, the reporting process and maintaining an effective system of internal control over financial reporting. TripAdvisor's independent registered public accounting firm is engaged to audit and express opinions on the conformity of TripAdvisor's financial statements to generally accepted accounting principles and applicable rules and regulations, and the effectiveness of TripAdvisor's internal control over financial reporting.

The Audit Committee serves as a representative of the Board of Directors and assists the Board in monitoring (i) the integrity of the financial reporting process of TripAdvisor, (ii) the independent registered public accounting firm's qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. In this context, the Audit Committee met seven times in 2013 and took the following actions:

- appointed the independent registered public accounting firm, discussed with the auditors the overall scope and plans for the independent audit and pre-approved all audit and non-audit services to be performed by E&Y;
- reviewed and discussed with management and the auditors the audited consolidated financial statements for the year ended December 31, 2013 as well as TripAdvisor's quarterly financial statements and interim financial information contained in each quarterly earnings announcement prior to public release;
- discussed with the auditors the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees," as amended and as adopted by the Public Company Accounting Oversight Board ("PCAOB"), and received all written disclosures, including the letter from the auditors required pursuant to Rule 3526 of the PCAOB "Communication with Audit Committees Concerning Independence";
- discussed with the auditors its independence from TripAdvisor and TripAdvisor's management as well as considered whether the non-audit services provided by the auditors could impair its independence and concluded that such services would not;
- reviewed and discussed with management and the auditors TripAdvisor's compliance with requirements of the Sarbanes-Oxley Act of 2002 with respect to internal control over financial reporting, together with management's assessment of the effectiveness of TripAdvisor's internal control over financial reporting and the auditors' audit of internal control over financial reporting; and
- regularly met separately with E&Y, with and without management present, to discuss the results of their examinations, including the integrity, adequacy and effectiveness of the accounting and financial reporting processes and controls.

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in TripAdvisor's Annual Report on Form 10-K for the year ended December 31, 2013, and the Board approved such inclusion.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that TripAdvisor specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed filed under either the Securities Act or the Exchange Act.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

This Compensation Discussion and Analysis describes TripAdvisor’s executive compensation program as it relates to the following “named executive officers”:

<u>Name</u>	<u>Position</u>
Stephen Kaufer	President and Chief Executive Officer
Julie M.B. Bradley	Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Treasurer
Seth J. Kalvert	Senior Vice President, General Counsel and Secretary

TripAdvisor has a Compensation Committee and a Section 16 Committee that together have primary responsibility for establishing the compensation of our named executive officers. In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee collectively as the “Compensation Committees.”

Compensation Program Objectives

TripAdvisor’s executive compensation program is designed to attract, motivate and retain highly skilled employees in executive positions with the business experience and acumen that management and the Compensation Committees believe are necessary for achievement of TripAdvisor’s long-term business objectives and to ensure that the compensation provided to these executives remains competitive with the compensation paid to similarly situated executives at comparable companies. The executive compensation program is also designed so that it does not encourage our named executive officers to take unreasonable risks relating to our business. In addition, the executive compensation program is designed to reward both short-term and long-term performance and to align the financial interests of our named executive officers with the interests of our stockholders.

Management and the Compensation Committees evaluate both performance and compensation levels to ensure that we maintain our ability to attract and retain outstanding employees in executive positions. To that end, management and the Compensation Committees believe the executive compensation packages provided by TripAdvisor to our named executive officers should include both cash and equity-based compensation.

Roles and Responsibilities

Role of the Compensation and Section 16 Committees

The Compensation Committee is appointed by the Board of Directors and consists entirely of directors who are “outside directors” for purposes of Section 162(m) of the Code. The Compensation Committee currently consists of Ms. Singh Cassidy and Messrs. Philips and Maffei. Mr. Maffei replaced Michael Zeisser as a member of the Compensation Committee upon Mr. Zeisser’s resignation as a director in February 2013. The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (for which the Section 16 Committee has responsibility as described below). Ms. Singh Cassidy is the Chairperson of the Compensation Committee.

The Section 16 Committee is also appointed by the Board of Directors and consists entirely of directors who are “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. The Section 16 Committee

Table of Contents

currently consists of Ms. Singh Cassidy and Mr. Philips. The Section 16 Committee is responsible for administering and overseeing matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to our named executive officers. Ms. Singh Cassidy is also the Chairperson of the Section 16 Committee.

Role of Executive Officers

Management participates in reviewing and refining our executive compensation program. Mr. Kaufer, TripAdvisor's President and Chief Executive Officer, annually reviews the performance of TripAdvisor and each named executive officer with the Compensation Committees and makes recommendations with respect to the appropriate base salary, annual cash bonus and grants of equity awards for each named executive officer, other than in connection with compensation for himself. Based in part on these recommendations and the other factors discussed below, the Compensation Committees review and approve the annual compensation package of each named executive officer.

Role of Compensation Consultant

Pursuant to the Compensation Committee and Section 16 Committee Charter, the Compensation Committees may retain compensation consultants for the purpose of assisting the Compensation Committees in their evaluation of the compensation for our named executive officers. In 2013, the Compensation Committees retained Compensia, Inc. ("Compensia"), a management consulting firm providing executive compensation advisory services to compensation committees and senior management, to assist in an evaluation of TripAdvisor's compensation peer group, to use the compensation peer group to compile and analyze competitive compensation market data for certain executive officer positions and to advise on matters related to our long-term incentive program structure. The Compensation Committees consider input from its compensation consultant as one factor in making decisions with respect to compensation matters, along with information and analysis they receive from management and their own judgment and experience.

Based on consideration of the factors set forth in the rules of the SEC and the NASDAQ Rules, the Compensation Committees have determined that its relationship with Compensia and the work performed by Compensia on behalf of the Compensation Committees has not raised any conflict of interest. In addition, in compliance with the Compensation Committee and Section 16 Committee Charter, the Compensation Committees approved the fees paid to Compensia for work performed in 2013 and can confirm that such payments did not exceed \$120,000.

Role of Stockholders

TripAdvisor provides its stockholders with the opportunity to cast an advisory vote to approve the compensation of our named executive officers every three years. In evaluating our 2013 executive compensation program, the Compensation Committees considered the result of the stockholder advisory vote on our executive compensation (the "say-on-pay vote") held at our Annual Meeting of Stockholders on June 26, 2012, which was approved by over 99% of the votes cast. As a result, the Compensation Committees did not make any significant changes to our executive compensation program for 2013. The Compensation Committees will continue to consider the outcome of the say-on-pay vote when making future compensation decisions for our named executive officers.

We will hold a say-on-pay vote every three years until the next vote on the frequency of such stockholder advisory votes, which will occur no later than our 2018 Annual Meeting of Stockholders. Our next say-on-pay vote will occur in 2015.

Compensation Program Elements

General

The primary elements of our executive compensation program are base salary, an annual cash bonus and equity awards. Generally, the Compensation Committees review these elements in the first quarter of each year in light of TripAdvisor and individual performance, recommendations from management and other relevant information, including prior compensation history and outstanding long-term compensation arrangements. Management and the Compensation Committees believe that there are multiple, dynamic factors that contribute to success at an individual and business level. Management and the Compensation Committees have therefore refrained from adopting strict formulas and have relied primarily on a discretionary approach that allows the Compensation Committees to set executive compensation levels on a case-by-case basis, taking into account all relevant factors.

Following recommendations from management, the Compensation Committees may also adjust compensation for specific individuals at other times during the year when there are significant changes in responsibilities or under other circumstances that the Compensation Committees consider appropriate.

Base Salary

Base salary represents the fixed portion of a named executive officer's compensation and is intended to provide compensation for expected day-to-day performance. A named executive officer's base salary is initially determined upon hire or promotion based on his or her responsibilities, prior experience, individual compensation history and salary levels of other executives within TripAdvisor and similarly situated executives at comparable companies. Base salary is typically reviewed annually, at which time management makes recommendations to the Compensation Committees based on consideration of a variety of factors including, but not limited to, the following:

- the named executive officers total compensation relative to other executives in similarly situated positions,
- his or her individual performance,
- his or her responsibilities, prior experience, and individual compensation history, including any non-standard compensation,
- the terms of his or her employment agreement, if any,
- competitive compensation market data, when available,
- general economic conditions, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

Annual Cash Bonuses

Cash bonuses are awarded to recognize and reward each named executive officer's annual contribution to Company performance. Mr. Kaufer has a target cash bonus opportunity equal to 100% of his base salary for the year, Ms. Bradley has a target cash bonus opportunity equal to 66% of her base salary for the year and Mr. Kalvert has a target cash bonus opportunity equal to 50% of his base salary for the year. Unless otherwise

Table of Contents

provided by the provisions of his or her employment agreement, the target annual cash bonus opportunities for our named executive officers are generally established by the Compensation Committees, based on the recommendations of management, and are reviewed each year by the President and Chief Executive Officer with the approval of the Compensation Committees.

In February 2014, management recommended bonuses with respect to calendar year 2013 for each of our named executive officers after taking into account a variety of factors including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- TripAdvisor's performance against strategic initiatives,
- the named executive officer's target cash bonus opportunity, if any,
- his or her individual performance,
- the overall funding of the cash bonus pool,
- the amount of bonus relative to other TripAdvisor executives,
- general economic conditions,
- competitive compensation market data, when available, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After consideration of the factors discussed above, the Compensation Committees awarded 2013 cash bonuses to our named executive officers as follows: Mr. Kaufer, \$450,000, Ms. Bradley, \$216,810, and Mr. Kalvert, \$166,250. With respect to Mr. Kaufer and Ms. Bradley, the bonus amounts represent 90% of their target cash bonus opportunities and, with respect to Mr. Kalvert, the bonus amount represents 95% of his target cash bonus opportunity. These cash bonuses are reported in the "Bonus" column of the table below titled "2013 Summary Compensation Table."

The annual cash bonuses awarded to our named executive officers for 2013 were subject to the achievement of performance goals relating either to stock price performance or revenues, which were satisfied. These performance goals were designed to permit TripAdvisor to deduct all named executive officer compensation for 2013 in accordance with Section 162(m) of the Code. Specifically, the cash bonuses awarded to our named executive officers in 2013 were subject to the satisfaction of one of the following performance goals:

- The revenues of TripAdvisor in any of the three consecutive calendar quarters beginning with the second quarter of 2013 must be at least 10% higher than the revenues in the corresponding calendar quarter 12 months before, excluding the benefit of any acquisitions by TripAdvisor during this period; or
- The closing price per share of TripAdvisor common stock must be at least 5% higher than the closing price of TripAdvisor's common stock on March 28, 2013, which was \$52.52 per share, on any 30 trading days during the period beginning March 29, 2013 and ending December 31, 2013 (such days not necessarily consecutive), taking into account any Share Change or Corporate Transaction (each as defined in the TripAdvisor 2011 Stock and Annual Incentive Plan, as amended (the "2011 Plan")).

In general, these performance goals reflect the minimally acceptable company performance that must be achieved for cash bonuses to be awarded to our named executive officers, but with respect to which there is

Table of Contents

substantial uncertainty when established. Based on data provided by management, the Compensation Committees exercise negative discretion in making the annual cash bonus awards. By setting a high amount that can be reduced, TripAdvisor is advised by legal counsel that TripAdvisor's annual incentive plan meets the requirements of Section 162(m) of the Code. As a result, while performance targets are used in setting compensation under this plan, ultimately the levels of those targets and the Compensation Committees' use of negative discretion typically result in the award of compensation as if the annual incentive plan were operating as a discretionary plan.

Equity Awards

The Compensation Committees use equity awards to align executive compensation with our long-term performance. Equity awards link compensation to financial performance because their value depends on TripAdvisor's share price. Equity awards are also an important employee retention tool because they generally vest over a multi-year period, subject to continued service by the award recipient.

Equity awards are typically granted to our named executive officers upon hire or promotion and annually thereafter. Management generally recommends annual equity awards in the first quarter of each year when the Compensation Committees meet to make determinations regarding annual bonuses for the last completed fiscal year and to set compensation levels for the current fiscal year. The practice of the Compensation Committees is to generally grant equity awards to our named executive officers only in open trading windows.

Typically, equity awards have been in the form of awards of restricted stock units ("RSUs") or options to purchase shares of TripAdvisor common stock or some combination of the two. Stock options have an exercise price equal to the market price of TripAdvisor common stock on the date of grant, and, therefore, provide value to our named executive officers only if our stock price increases. Stock options generally vest over a period of four years. We believe stock options incentivize our named executive officers to sustain increases in stockholder value over extended periods of time. RSUs are a promise to issue shares of our common stock in the future provided the named executive officer remains employed with us through the award's vesting period. RSUs generally vest over a period of four years. RSUs provide the opportunity for capital accumulation and long-term incentive value and are intended to assist in satisfying our objectives.

The Compensation Committees review various factors considered by management when they establish TripAdvisor's equity grant pool including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- dilution rates, taking into account projected headcount growth and employee turnover,
- non-cash compensation as a percentage of earnings before interest, taxes, depreciation and amortization,
- equity compensation utilization by peer companies,
- general economic conditions, and
- competitive compensation market data regarding award values.

For specific awards to our named executive officers, management makes recommendations to the Section 16 Committee based on a variety of factors including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- individual performance and future potential of the executive,

Table of Contents

- the overall size of the equity award pool,
- award value relative to other TripAdvisor executives,
- the value of previous awards and amount of outstanding unvested equity awards,
- competitive compensation market data, to the degree that the available data is comparable, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After review and consideration of the recommendations of management and the President and Chief Executive Officer (other than with respect to awards for himself), the Section 16 Committee decides whether to grant equity awards to our named executive officers. After consideration of the factors discussed above, in February 2013, the Section 16 Committee granted options to purchase 83,101 and 50,473 shares of TripAdvisor common stock to Ms. Bradley and Mr. Kalvert, respectively.

In August 2013, the Section 16 Committee granted an option to purchase 1,100,000 shares of TripAdvisor common stock to Mr. Kaufer, which will vest in equal installments on each of the fourth and fifth anniversaries of the award date of the grant, subject to Mr. Kaufer's continuous employment with, or performance of services for, TripAdvisor or one of its subsidiaries or affiliates and his being in good standing through each such vesting date. In consideration of this award, Mr. Kaufer is subject to non-competition and non-solicitation covenants that apply during his employment and until 18 months immediately following the termination of his employment for any reason. In recognition of the size of the stock option granted to Mr. Kaufer in August 2013, the Section 16 Committee has indicated its expectation that Mr. Kaufer will not be eligible for another equity award until August 2017.

Employee Benefits

In addition to the primary elements of compensation described above, our named executive officers also participate in employee benefits programs available to all domestic employees generally, including the TripAdvisor Retirement Savings Plan. Under this plan, TripAdvisor matches 50% of each dollar a participant contributes, up to the first 6% of eligible compensation, subject to tax limits.

In addition, we provide other benefits to our named executive officers on the same basis as all of our domestic employees generally. These benefits include group health (medical, dental, and vision) insurance, group disability insurance, and group life insurance.

In situations where a named executive officer is required to relocate, TripAdvisor also provides relocation benefits, including reimbursement of moving expenses, temporary housing and other relocation expenses as well as a tax gross-up payment on the relocation benefits. TripAdvisor also sponsors a Global Personal Travel Reimbursement program generally available to all employees, including named executive officers, that provides for reimbursement of up to \$750 a year for leisure travel that is arranged using one of the TripAdvisor Media Group family of products and provides all employees, including our named executive officers, an annual holiday bonus in the form of a gift card as well as a tax gross-up payment on the value of the gift card.

Compensation Program Policies

Executive Compensation Recovery

TripAdvisor has an executive compensation recovery, or clawback, policy providing for recoupment of certain equity compensation. Each of TripAdvisor's equity award documents provides that in the event an

Table of Contents

employee is terminated for Cause (as defined in the 2011 Plan) or resigns within two years after any event or circumstance that would have been grounds for termination of employment for Cause, then the employee agrees that certain equity securities issued to such employee (whether or not vested) may be forfeited and cancelled in their entirety upon such termination of employment. In such event, TripAdvisor may cause the employee to either (i) return the equity securities or shares of common stock issued upon exercise or vesting of such securities, or (ii) pay to TripAdvisor an amount equal to the aggregate amount, if any, that the employee had previously realized in respect of any and all shares of common stock.

We intend to adopt a general clawback policy covering our annual and long-term incentive award plans and arrangements once the SEC adopts final rules implementing the requirement of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act

Insider Trading and Hedging Policy

TripAdvisor has adopted an Insider Trading Policy covering our directors, officers, employees and consultants designed to ensure compliance with relevant SEC regulations, including insider trading rules. TripAdvisor's insider trading policy also prohibits directors, officers, employees and consultants from engaging in various types of transactions in which they may profit from short-term speculative swings in the value of TripAdvisor securities. These transactions include "short sales" (or selling borrowed securities which the sellers hopes can be purchased at a lower price in the future), "put" and "call" options (or publicly available rights to sell or buy securities within a certain period of time at a specified price or the like) and hedging transactions, such as zero-cost collars and forward sale contracts.

The Role of Competitive Compensation Market Data

Management considers multiple data sources when reviewing compensation information to ensure that the data reflects compensation practices of relevant companies in terms of size, industry and geographic location. Among other factors, management considers the following information in connection with its recommendations to the Compensation Committees regarding compensation for named executive officers:

- data from salary and equity compensation surveys that include companies of a similar size, based on market capitalization, revenues and other factors, and
- data regarding compensation for certain executive officer positions (e.g., chief executive officer and chief financial officer) from recent proxy statements and other SEC filings of peer companies, which include: (a) direct industry competitors, and (b) non-industry companies with which TripAdvisor commonly competes for talent (including both regional and national competitors).

In February 2013, based on the recommendation of management, the Compensation Committee approved the following companies to constitute the compensation peer group for purposes of serving as a referring in determining 2013 base salaries and equity awards for our executive officers:

Akamai Technologies, Inc.
Concur Technologies, Inc.
Groupon, Inc.
LinkedIn Corp.
Nuance Communications, Inc.
priceline.com Incorporated
Salesforce.com Inc.
ValueClick, Inc.
Workday, Inc.

Ancestry, Inc.
Expedia, Inc.
Homeaway.com, Inc.
Netflix, Inc.
Parametric Technology, Inc.
Progress Software Corp.
Shutterfly, Inc.
WebMD Health Corp.
Zynga Inc.

Table of Contents

In the summer of 2013, the Compensation Committee retained Compensia to review the existing compensation peer group and to recommend possible changes. Compensia recommended certain changes to the compensation peer group, including focusing on companies in the business to consumer internet content and software industries. As a result, beginning in the summer of 2013 and with the granting of the equity award to Mr. Kaufer in August 2013, the following companies constituted TripAdvisor's compensation peer group:

Business to Consumer Internet Content

Expedia, Inc.
Homeaway.com, Inc.
LinkedIn Corp.
Pandora Media, Inc.
Shutterfly, Inc.

Groupon, Inc.
IAC/InterActiveCorp
Netflix, Inc.
priceline.com Incorporated
VistaPrint N.V.

Citrix Systems, Inc.
FactSet Research Systems Inc.
Nuance Communications, Inc.
Verisign, Inc.

Ansys, Inc.
Concur Technologies, Inc.

Red Hat Inc.
Workday, Inc.

When available, management considers competitive market compensation paid by peer group companies but does not attempt to maintain a certain target percentile within the compensation peer group or otherwise rely solely on such data when making recommendations to the Compensation Committees regarding compensation for our named executive officers. Management and the Compensation Committees strive to incorporate flexibility into our executive compensation program and the assessment process to respond to and adjust for the evolving business environment and the value delivered by our named executive officers.

Tax Matters

Section 162(m) of the Code generally permits a tax deduction to public corporations for compensation over \$1 million paid in any fiscal year to their chief executive officer and certain other highly compensated executive officers only if the compensation qualifies as "performance-based compensation" for purposes of Section 162(m). The Compensation Committees endeavor to structure the compensation of our executive officers to qualify as "performance-based compensation" when it deems such qualification to be in the best interests of TripAdvisor and its stockholders. Nonetheless, from time to time certain nondeductible compensation may be paid and the Board of Directors and the Compensation Committees reserve the authority to award nondeductible compensation to our executive officers in appropriate circumstances.

For purposes of enabling TripAdvisor to deduct the compensation paid to and recognized by our named executive officers in accordance with Section 162(m) of the Code, the Compensation Committees sought to design the annual bonuses awarded to our named executive officers in 2013 to qualify as "performance-based compensation" as described under "Compensation Program Elements — Cash Bonuses" above.

Post-Employment Compensation

Change in Control

Under the 2011 Plan, our named executive officers are entitled to accelerated vesting of their outstanding and unvested equity awards in the event of a change in control of TripAdvisor (i.e. a "single trigger" acceleration provision), although the definition of a "change in control" in the 2011 Plan does not include the acquisition of voting control by Liberty. When the 2011 Plan was adopted, the Compensation Committees believed that accelerated vesting of equity awards in connection with change in control transactions would provide an incentive for our named executive officers to continue to help execute successfully such a transaction from its early stages until closing. Under the 2011 Plan, acceleration of equity awards for all other employees is subject to

Table of Contents

double trigger acceleration (*i.e.* , accelerated vesting occurs only upon an involuntary termination of employment or resignation for “Good Reason” during the two-year period following a Change in Control).

After further evaluation of the “single trigger” acceleration provisions, the Compensation Committees determined that future equity awards made under the 2011 Plan would not be entitled to “single trigger” acceleration and, instead, the award agreements with respect to such equity awards would provide that any acceleration of vesting of the equity awards would be subject to “double trigger” rather than “single trigger” acceleration. This means that a vesting of outstanding and unvested equity awards would only occur upon both a change in control and termination of employment. With respect to Mr. Kaufer’s equity grant in August 2013, Mr. Kaufer agreed to waive the “single trigger” acceleration right and instead agreed that acceleration of this equity award is subject to “double trigger” acceleration. This determination will not have an impact on equity awards made to our named executive officers prior to Mr. Kaufer’s equity grant in August 2013. For a description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled “Potential Payments Upon Termination of Change in Control.”

Severance

In October 2013, the terms of the employment agreements between TripAdvisor, LLC, a subsidiary of TripAdvisor, and each of Ms. Bradley and Mr. Kalvert expired pursuant to the terms of such employment agreements. Mr. Kaufer was not covered by an employment agreement in 2013.

In March 2014, TripAdvisor, entered into employment agreements with each of our named executive officers, pursuant to which the named executive officers are entitled to certain severance payments and benefits in the event of a qualifying termination of employment. The material terms of these employment agreements are described below under the headings “Potential Payments Upon Termination or Change in Control — Stephen Kaufer Employment Agreement” and “Potential Payments Upon Termination or Change in Control — Julie M.B. Bradley and Seth J. Kalvert Employment Agreements.”

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Philips and Maffei and the Section 16 Committee consists of Ms. Singh Cassidy and Mr. Philips. Mr. Zeisser was a member of the Compensation Committee until his resignation from the Board of Directors in February 2013. None of Ms. Singh Cassidy or Messrs. Philips, Zeisser or Maffei was an officer or employee of TripAdvisor, formerly an officer of TripAdvisor, or an executive officer of an entity for which an executive officer of TripAdvisor served as a member of the compensation committee or as a director during the one-year period ended December 31, 2013.

Compensation Committees Report

This report is provided by the Compensation Committee and the Section 16 Committee (the “Compensation Committees”) of the Board of Directors. The Compensation Committees have reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on this review and discussions with management, the Compensation Committees recommended to the Board of Directors that the Compensation Discussion and Analysis be included in TripAdvisor’s 2014 Proxy Statement.

2013 Summary Compensation Table

The following table sets forth certain information regarding the compensation that TripAdvisor's President and Chief Executive Officer; Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Treasurer; and Senior Vice President, General Counsel and Secretary earned during the fiscal years ended December 31, 2013, 2012 and 2011. - (2) The amounts reported in this column represent the aggregate grant date fair value of awards computed in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification Topic 718 (“ASC 718”), excluding the effect of estimated forfeitures. These amounts reflect an estimate of the grant date fair value and may not correspond to the actual value that will be realized by our named executive officers from their equity awards. Stock awards consist of RSUs valued using the closing price of TripAdvisor’s common stock on the NASDAQ Stock Market on the grant date. Stock option awards were valued at the date of grant using a Black-Scholes Merton option pricing model (the “Black-Scholes Model”). The Black-Scholes Model incorporates various assumptions including expected volatility, expected term, risk-free rate of return and expected dividend yield. The expected volatility for the awards above was based on the average of our historical stock price volatility and certain peer group companies based on daily price observations over a period equivalent or approximate to the expected term of the stock option awards. The decision to use a weighted average volatility factor with our peer group was based upon the relatively short period of availability of data on TripAdvisor common stock. The expected term was based on using the simplified method for all stock options as we do not have sufficient historical exercise data on TripAdvisor common stock. Our expected dividend yield is zero, as we have not paid any dividends on TripAdvisor common stock to date and do not expect to pay any cash dividends for the foreseeable future. The grant date fair value of the 2013 stock option awards was determined using the following assumptions:

Expected Term (years)	Risk-Free Interest Rate (%)	Expected Volatility (%)	Expected Dividend Yield (% of grant date closing price)
6.25(a)	1.07(a)	51.75(a)	0.00(a)
5.75(b)	1.83(b)	49.64(b)	0.00(b)

Non-Qualified Deferred Compensation

We do not currently have any other defined contribution or other plan that provides for deferred compensation on a basis that is not tax-qualified for employees.

Potential Payments Upon Termination or Change in Control

Certain of our compensation plans, award agreements and employment agreements entitle our named executive officers to accelerated vesting of outstanding and unvested equity awards or severance payments in the event of a change in control of TripAdvisor and/or upon the termination or material adverse modification of his or her employment with TripAdvisor under specified circumstances. These plans and agreements are described below as they apply to each named executive officer.

Change of Control Provisions of TripAdvisor's 2011 Stock and Annual Incentive Plan and Award Agreements Thereunder

The 2011 Plan provided that in the event of a Change in Control (as defined in the 2011 Plan), (i) any outstanding stock options held by our named executive officers as of the date of the Change in Control which are not then exercisable and vested will become fully exercisable and vested, and (ii) all RSUs held by our named executive officers will be considered to be earned and payable in full and any deferral or other restrictions will lapse and such RSUs will be settled in cash or shares of TripAdvisor common stock as promptly as practicable.

After further evaluation of the "single trigger" acceleration provisions, the Compensation Committees determined that future equity awards made under the 2011 Plan would not be entitled to "single trigger" acceleration and, instead, the award agreements with respect to such equity awards would provide that any acceleration of vesting of the equity awards would be subject to "double trigger" rather than "single trigger" acceleration. This means that a vesting of outstanding and unvested equity awards would only occur upon both a change in control and termination of employment. With respect to Mr. Kaufer's equity grant in August 2013, Mr. Kaufer agreed to waive the "single trigger" acceleration right and instead agreed that acceleration of this equity award is subject to "double trigger" acceleration. This determination will not have an impact on equity awards made to our named executive officers prior to Mr. Kaufer's equity grant in August 2013.

Stephen Kaufer Employment Agreement

In March 2014, TripAdvisor entered into an employment agreement with Mr. Kaufer. Previously, TripAdvisor did not have an employment agreement with Mr. Kaufer. The employment agreement has a term of five years.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below) and such termination occurs during the period commencing three months immediately prior to a Change in Control (as defined in the 2011 Plan) and ending 24 months immediately following the Change in Control, then:

- TripAdvisor will pay Mr. Kaufer cash severance in an amount equal to 24 months of his base salary;
- TripAdvisor will pay Mr. Kaufer in cash an amount equal to the premiums charged by TripAdvisor to maintain COBRA health insurance coverage for Mr. Kaufer and his eligible dependents for each month between the date of termination and 18 months thereafter;
- TripAdvisor will pay to Mr. Kaufer a lump sum in cash equal to his annual target bonus, without pro-ration or adjustment;
- all equity awards held by Mr. Kaufer that are outstanding and unvested shall immediately vest in full; and

Table of Contents

- Mr. Kaufer will have 18 months following such date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of the executive's employment agreement) or, if earlier, through the scheduled expiration date of the options.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason or is terminated by TripAdvisor without Cause and such termination is not in connection with a Change in Control, then:

- TripAdvisor will continue to pay Mr. Kaufer's base salary through 12 months following the date of termination (provided that such payments will be offset by any amount earned from another employer during such time period);
- TripAdvisor will consider in good faith the payment of an annual bonus on a pro rata basis and based on actual performance for the year in which termination of employment occurs;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Kaufer and his eligible dependents through the longer of the end of the term of Mr. Kaufer's employment agreement and 12 months following termination;
- all equity awards held by Mr. Kaufer that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually); and
- Mr. Kaufer will have 18 months following such date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of the executive's employment agreement) or, if earlier, through the scheduled expiration date of the options.

With respect to Mr. Kaufer's equity grant in August 2013, Mr. Kaufer agreed to waive the single trigger acceleration right upon a change in control and, instead, acceleration of this equity award is subject to double trigger acceleration. This determination will not have an impact on equity awards made to our named executive officers prior to Mr. Kaufer's equity grant in August 2013. For a description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled "Potential Payments Upon Termination of Change in Control."

Mr. Kaufer has also agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, during the term of his employment and through the period ending 18 months after the termination of employment.

Julie M.B. Bradley and Seth J. Kalvert Employment Agreements

In October 2011, TripAdvisor, LLC, a subsidiary of TripAdvisor, entered into agreements with each of Ms. Bradley and Mr. Kalvert. Such employment agreements had terms of two years and expired in October 2013. Effective March 31, 2014, TripAdvisor, LLC entered into new employment agreements with Ms. Bradley and Mr. Kalvert, each with two-year terms, on substantially the same terms as the expired employment agreements.

Pursuant to the employment agreements with Ms. Bradley and Mr. Kaufer, in the event that either executive terminates his or her employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below):

- TripAdvisor will continue to pay the executive's base salary through the longer of the end of the term of the executive's employment agreement and 12 months following termination (provided that such payments will be offset by any amount earned from another employer during such time period);

Table of Contents

- TripAdvisor will consider in good faith the payment of bonuses on a pro rata basis based on actual performance for the year in which termination of employment occurs;
- TripAdvisor will pay COBRA health insurance coverage for the executive and his or her eligible dependents through the longer of the end of the term of the executive's employment agreement and 12 months following termination;
- all equity awards held by the named executive officer that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually); and
- the executive will have 18 months following such date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of the executive's employment agreement) or, if earlier, through the scheduled expiration date of the options.

In return, Ms. Bradley and Mr. Kaufer have agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) 12 months after the termination of employment.

Employment Agreement Definitions

Under the employment agreements with our named executive officers, "Good Reason" means the occurrence of any of the following without the executive's prior written consent: (A) TripAdvisor's material breach of any material provision of the employment agreement, (B) the material reduction in the executive's title, duties, reporting responsibilities or level of responsibilities in such executive's position at TripAdvisor, (C) the material reduction in the executive's base salary or the executive's total annual compensation opportunity, or (D) the relocation of the executive's principal place of employment more than 50 miles outside the Boston metropolitan area; provided that in no event shall the executive's resignation be for "Good Reason" unless (x) an event or circumstance set forth in clauses (A) through (D) shall have occurred and the executive provides TripAdvisor with written notice thereof within 30 days after the executive has knowledge of the occurrence or existence of such event or circumstance, which notice specifically identifies the event or circumstance that the executive believes constitutes Good Reason, (y) TripAdvisor fails to correct the event or circumstance so identified within 30 days after receipt of such notice, and (z) the executive resigns within 90 days after the date of delivery of the notice referred to in clause (x) above.

Under the employment agreements with our named executive officers, "Cause" means: (i) the plea of guilty or nolo contendere to, conviction for, a felony offense by the executive; provided, however, that after indictment, TripAdvisor may suspend the executive from rendition of services but without limiting or modifying in any other way TripAdvisor's obligations under the employment agreement, (ii) a material breach by the executive of a fiduciary duty owed to TripAdvisor, (iii) material breach by the executive of certain covenants of the employment agreement, (iv) the willful or gross neglect by the executive of the material duties required by the employment agreement and (v) a knowing and material violation by the executive of any TripAdvisor policy pertaining to ethics, legal compliance, wrongdoing or conflicts of interest that, in the cases of the conduct described in clauses (iv) and (v) above, if curable, is not cured by the executive within 30 days after the executive is provided with written notice thereof.

Estimated Potential Incremental Payments

For the period October 2013 through March 30, 2014, Ms. Bradley and Mr. Kalvert did not have written employment agreements with TripAdvisor, as their original written employment agreements expired in October

Table of Contents

2013 and new written employment agreements were not entered into until March 2014. During that time, TripAdvisor nonetheless continued to compensate Ms. Bradley and Mr. Kalvert, and both parties acted, as if the written employment agreements were still in effect. As a result, the table below reflects the estimated amount of incremental compensation payable to Ms. Bradley and Mr. Kalvert upon termination of his or her employment in the following circumstances: (i) a termination by TripAdvisor without Cause, (ii) resignation by him or her for Good Reason not in connection with a Change in Control, (iii) a Change in Control or (iv) a termination of employment by TripAdvisor without Cause or by him or her for Good Reason in connection with a Change in Control (in all cases as if their written employment agreements were in effect). The table below does not reflect the payments to which Mr. Kaufer would be entitled pursuant to the terms of the employment agreement entered into effective March 31, 2014.

The amounts shown in the table assume that the triggering event was effective as of December 31, 2013 and that the price of TripAdvisor common stock on which certain of the calculations are based was the closing price of \$82.83 per share on the NASDAQ Stock Market on December 31, 2013, the last trading day in 2013. These amounts are estimates of the incremental amounts that would be paid out to each named executive officer upon such triggering event. The actual amounts to be paid out can only be determined at the time of the triggering event, if any.

DIRECTOR COMPENSATION

Overview

The Board of Directors sets non-employee director compensation, which is designed to provide competitive compensation necessary to attract and retain high quality non-employee directors and to encourage ownership of TripAdvisor common stock to further align directors' interests with those of our stockholders. Each non-employee director of TripAdvisor is entitled to receive the following compensation:

- an annual cash retainer of \$50,000, paid in equal quarterly installments;
- an RSU award with a value of \$150,000 (based on the closing price of TripAdvisor's common stock on the NASDAQ Stock Market on the date of grant), upon such director's initial election to office and on December 15th of each year, subject to vesting in three equal installments commencing on the first anniversary of the grant date and, in the event of a Change in Control (as defined in the 2011 Plan), full acceleration of vesting;
- an annual cash retainer of \$20,000 for each member of the Audit Committee (including the Chairman) and \$15,000 for each member of the Compensation Committees (including the Chairperson); and
- an additional annual cash retainer of \$10,000 for each of the Chairman of the Audit Committee and the Chairperson of the Compensation Committees.

We also pay reasonable travel and accommodation expenses of the non-employee directors in connection with their participation in meetings of the Board of Directors.

TripAdvisor employees do not receive compensation for services as directors. Accordingly, Mr. Kaufer does not receive any compensation for his service as a director.

Non-Employee Director Deferred Compensation Plan

Under TripAdvisor's Non-Employee Director Deferred Compensation Plan, the non-employee directors may defer all or a portion of their directors' fees. Eligible directors who defer their directors' fees may elect to have such deferred fees (i) applied to the purchase of share units representing the number of shares of TripAdvisor common stock that could have been purchased on the date such fees would otherwise be payable or (ii) credited to a cash fund. If any dividends are paid on TripAdvisor common stock, dividend equivalents will be credited on the share units. The cash fund will be credited with deemed interest at an annual rate equal to the average "bank prime loan" rate for such year identified in the U.S. Federal Reserve Statistical Release. Upon termination of service as a director of TripAdvisor, a director will receive (1) with respect to share units, such number of shares of TripAdvisor common stock as the share units represent and (2) with respect to the cash fund, a cash payment. Payments upon termination will be made in either one lump sum or up to five installments, as elected by the eligible director at the time of the deferral election.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial Ownership Table

The following table presents information as of April 21, 2014 relating to the beneficial ownership of TripAdvisor's capital stock by (i) each person or entity known to TripAdvisor to own beneficially more than 5% of the outstanding shares of TripAdvisor's common stock or Class B common stock, (ii) each director and director nominee of TripAdvisor, (iii) the named executive officers and (iv) our executive officers and directors, as a group. In each case, except as otherwise indicated in the footnotes to the table, the shares are owned directly by the named owners, with sole voting and dispositive power. Unless otherwise indicated, beneficial owners listed in the table may be contacted at TripAdvisor's corporate headquarters at 141 Needham Street, Newton, Massachusetts 02464.

Shares of TripAdvisor Class B common stock may, at the option of the holder, be converted on a one-for-one basis into shares of TripAdvisor common stock; therefore, the common stock column below includes shares of Class B common stock held by each such listed person, entity or group, and the beneficial ownership percentage of each such listed person assumes the conversion of all Class B common stock into common stock. For each listed person, entity or group, the number of shares of TripAdvisor common stock and Class B common stock and the percentage of each such class listed also include shares of common stock and Class B common stock that may be acquired by such person, entity or group on the conversion or exercise of equity securities, such as stock options, which can be converted or exercised, and RSUs that have or will have vested within 60 days of April 21, 2014, but do not assume the conversion or exercise of any equity securities (other than the conversion of the Class B common stock) owned by any other person, entity or group.

The percentage of votes for all classes of TripAdvisor's capital stock is based on one vote for each share of common stock and ten votes for each share of Class B common stock. There were 129,852,778 shares of common stock and 12,799,999 shares of Class B common stock outstanding on April 21, 2014.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, TripAdvisor officers and directors and persons who beneficially own more than 10% of a registered class of TripAdvisor's equity securities are required to file initial statements of beneficial ownership (Form 3) and statements of changes in beneficial ownership (Forms 4 and 5) with the SEC. Such persons are required by the rules of the SEC to furnish TripAdvisor with copies of all such forms they file. Based solely on a review of the copies of such forms furnished to TripAdvisor and/or written representations that no additional forms were required, TripAdvisor believes that all of its directors and officers complied with all the reporting requirements applicable to them with respect to transactions during 2013.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

Prior to the completion of the Spin-Off, we were subject to the policies and procedures of Expedia regarding the review and approval of related person transactions. In general, we will enter into or ratify a “related person transaction” only when it has been approved by the Audit Committee of the Board of Directors, in accordance with its written charter. Related persons include our executive officers, directors, 5% or more beneficial owners of our common stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. Related person transactions are transactions that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person or entity has a direct or indirect material interest). When a potential related person transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify. When determining whether to approve, ratify, disapprove or reject any related person transaction, the Audit Committee considers all relevant factors, including the extent of the related person’s interest in the transaction, whether the terms are commercially reasonable and whether the related person transaction is consistent with the best interests of TripAdvisor and our stockholders.

The legal and accounting departments work with business units throughout TripAdvisor to identify potential related person transactions prior to execution. In addition, we take the following steps with regard to related person transactions:

- On an annual basis, each director, director nominee and executive officer of TripAdvisor completes a Director and Officer Questionnaire that requires disclosure of any transaction, arrangement or relationship with us during the last fiscal year in which the director or executive officer, or any member of his or her immediate family, had a direct or indirect material interest.
- Each director, director nominee and executive officer is expected to promptly notify our legal department of any direct or indirect interest that such person or an immediate family member of such person had, has or may have in a transaction in which we participate.
- TripAdvisor monitors its accounts payable, accounts receivable and other databases to identify any other potential related person transactions that may require disclosure.
- Any reported transaction that our legal department determines may qualify as a related person transaction is referred to the Audit Committee.

If any related person transaction is not approved, the Audit Committee may take such action as it may deem necessary or desirable in the best interests of TripAdvisor and our stockholders.

Related Person Transactions

Relationship between Expedia and TripAdvisor

Upon consummation of the Spin-Off, Expedia was considered a related party under U.S. generally accepted accounting principles, or GAAP, based on a number of factors, including, among others, common ownership of our shares and those of Expedia. A number of those factors no longer exist and, as a result, we no longer consider Expedia a related party. Due to the importance of our relationship with Expedia, however, for purposes of our financial statements for the year ended December 31, 2013, we have continued to list separately in our consolidated and combined financial statements revenue and receivables from Expedia.

As described in more detail in our financial statements, revenue from Expedia was \$217.4 million, \$203.8 million and \$211.0 million for the years ended December 31, 2013, 2012 and 2011, respectively, which

Table of Contents

primarily consists of click-based advertising and other advertising services provided to Expedia and its subsidiaries and is recorded at contract value, which we believe is a reasonable reflection of the value of the services provided. Revenue represented 23%, 27% and 33% of our total revenue for the years ended December 31, 2013, 2012 and 2011, respectively. Other operating expenses which were included primarily within selling and marketing expense were \$6.0 million, \$6.4 million, and \$4.3 million for the years ended December 31, 2013, 2012 and 2011, respectively, primarily consisted of marketing expense for exit windows. The receivable balances with Expedia reflected in our consolidated balance sheets as of December 31, 2013 and December 31, 2012 were \$15.8 million and \$24.0 million, respectively.

Prior to the Spin-Off, our operating expenses included a shared services fee, which was \$9.2 million for the year ended December 31, 2011, which was comprised of allocations from Expedia for accounting, legal, tax, corporate development, financial reporting, treasury and real estate functions and included an allocation of employee compensation within these functions. These allocations were determined on a basis that Expedia and we considered to be a reasonable reflection of the cost of services provided or the benefit received by us. These expenses were allocated based on a number of factors including headcount, estimated time spent and operating expenses. It was not practicable to determine the amounts of these expenses that would have been incurred had we operated as an unaffiliated entity. In the opinion of our management, the allocation method was reasonable.

We transferred \$405.5 million in cash to Expedia in the form of a dividend, prior to completion of the Spin-Off. Per the Separation Agreement we were to retain \$165 million in cash on hand immediately following the Spin-off and the agreement also provided for a subsequent reconciliation process to ensure the appropriate amount was retained. The completion of this reconciliation resulted in us recording an additional receivable from Expedia of \$7 million at December 31, 2011, which was subsequently received by us during 2012.

For purposes of governing certain of the ongoing relationships between us and Expedia at and after the Spin-Off, and to provide for an orderly transition, we and Expedia entered into various agreements, including, among others, the Separation Agreement, the Tax Sharing Agreement, the Employee Matters Agreement and Transition Services Agreement, and commercial agreements. The full texts of the Separation Agreement, the Tax Sharing Agreement, the Employee Matters Agreement and the Transition Services Agreement are incorporated by reference in our Annual Report on Form 10-K as Exhibits 2.1, 10.2, 10.3 and 10.4. TripAdvisor has satisfied its obligations under the Separation Agreement, the Employee Matters Agreement and the Transition Services Agreement. TripAdvisor continues to be subject to certain post-spin obligations under the Tax Sharing Agreement.

Relationship between Liberty and TripAdvisor

On December 11, 2012, Liberty Interactive Corporation, or Liberty, purchased an aggregate of 4,799,848 shares of common stock of TripAdvisor from Barry Diller, our former Chairman of the Board of Directors and Senior Executive, and certain of his affiliates (the "Stock Purchase"). As of the record date, Liberty beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.0% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock. Assuming the conversion of all of the Liberty's shares of Class B common stock into common stock, Liberty would beneficially own 21.7% of the outstanding common stock (calculated in accordance with Rule 13d-3). Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, Liberty may be deemed to beneficially own equity securities representing approximately 56.7% of our voting power. As a result, Liberty is effectively able to control the outcome of all matters submitted to a vote or for the consent of TripAdvisor's stockholders (other than with respect to the election by the holders of TripAdvisor common stock of 25% of the members of TripAdvisor's Board of Directors and matters as to which Delaware law requires a separate class vote).
