Annual Travelers' Choice Best of the Best Awards for Hotels Introduces New Lodging Categories: Hottest New Hotels, Top Rooftop Hotels, Safari Stays and Picture-Perfect Hotels

NEEDHAM, Mass., May 12, 2021 /PRNewswire/ -- With a year's worth of pent-up travel demand on the brink of bursting as summer approaches, [Tripadvisor](#)[®], the world's largest travel guidance platform, today announced its annual **Travelers' Choice[®] Best of the Best Awards for Hotels**, giving people the inspiration they need to finally turn their daydreams into real trips. Nearly half (45%) of Americans in a recent Tripadvisor survey are planning to travel internationally this year, and 64% are planning to stay in a hotel this year*.

Every year, Tripadvisor combs through the millions of reviews from its global community of travelers to surface the hotels that people raved about most, and this year is no different. Even during the pandemic, travelers continued to discover, book, and give feedback on places to stay, both near and far. Despite significant disruption to the hospitality industry in 2020, hotels around the world found new ways to dazzle guests and deliver top-of-the-line service.
