Wild For The West: TripAdvisor Reveals Americans Are Flocking To Western U.S. Parks And Sites This Summer

TripAdvisor Names the 25 Trendiest U.S. Attractions this Season with Bookable Tours and Experiences to Maximize Trips

NEEDHAM, Mass., July 26, 2017 /PRNewswire/ -- <u>TripAdvisor</u>, the travel site that helps you find the latest reviews and lowest prices, today announced the results of its Seasonal Attractions Trend Index providing travelers with insight into the hottest attractions for summer, based on year-over-year search activity on TripAdvisor. The seasonal index reveals the top 25 U.S. attractions with the greatest increase in traveler interest, offering inspiration and highlighting amazing activities and tours that can be booked to get the most out of any upcoming trip.

"With Americans looking to take advantage of summer weather to explore the great outdoors, TripAdvisor data shows that attractions in nature are climbing to the top of our trend index this season," said Brooke Ferencsik, senior director of communications for TripAdvisor. "TripAdvisor helps travelers research and book awesome experiences, such as tours and other travel activities, to see and learn more about a place they are visiting than they would on their own."

TripAdvisor is the world's largest online provider of tours, activities and attractions, offering more than 56,000 bookable tours, activities and experiences in 2,500 destinations and 165 countries to help travelers unleash the full potential of their trips.

Travelers can read the latest reviews and compare prices from more than 200 sites to find the lowest prices on the right hotel for their trip at <u>www.TripAdvisor.com</u>.

Methodology

The Attractions Trend Index rankings were determined based on the percent increase in search sessions on TripAdvisor desktop and mobile for U.S. travelers between 2016 and 2017 for the period of June 1 - July 5. Attractions were required to have at least 20,000 sessions in 2016 and at least four out of five bubbles on TripAdvisor to qualify.

About TripAdvisor

TripAdvisor, the world's largest travel site*, enables travelers to unleash the full potential of every trip. With more than 500 million reviews and opinions covering the world's largest selection of travel listings worldwide -- over 7 million accommodations, airlines, attractions, and restaurants -- TripAdvisor provides travelers with the wisdom of the crowds to help them decide where to stay, how to fly, what to do and where to eat. TripAdvisor also compares prices from more than 200 hotel booking sites so travelers can find the lowest price on the hotel that's right for them. TripAdvisor-branded sites are available in 49 markets, and are home to the world's largest travel community of 390 million average unique monthly visitors,** all looking to get the most out of every trip.
