PROCEDURAL MATTERS

This Proxy Statement is being furnished to holders of common stock and Class B common stock of TripAdvisor, Inc., a Delaware corporation, in connection with the solicitation of proxies by TripAdvisor's Board of Directors for use at its 2017 Annual Meeting of Stockholders or any adjournment or postponement thereof (the "Annual Meeting"). All references to "TripAdvisor," the "Company," "we," "our" or "us" in this Proxy Statement are to TripAdvisor, Inc. and its subsidiaries. An Annual Report to Stockholders, containing financial statements for the year ended December 31, 2016, and this Proxy Statement are being made available to all stockholders entitled to vote at the Annual Meeting.

TripAdvisor's principal executive offices are currently located at 400 1st Avenue, Needham, Massachusetts 02494. This Proxy Statement is being made available to TripAdvisor stockholders on or about April 26, 2017.

Date, Time and Place of Meeting

The Annual Meeting will be held on Thursday, June 22, 2017, at 1:00 p.m. local time at the Residence Inn, 80 B Street, Needham, MA 02494.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares. Cameras and recording devices will not be permitted at the Annual Meeting.

Record Date and Voting Rights

The Board of Directors established the close of business on April 24, 2017 as the record date for determining the holders of TripAdvisor common stock entitled to notice of and to vote at the Annual Meeting. On the record date, 128,411,141 shares of common stock and 12,799,999 shares of Class B common stock were outstanding and entitled to vote at the Annual Meeting. TripAdvisor stockholders are entitled to one vote for each share of common stock and ten votes for each share of Class B common stock held as of the record date, voting together as a single voting group, in (i) the election of six of the eight director nominees and (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm for the year ending December 31, 2017. TripAdvisor stockholders are entitled to one vote for each share of common stock held as of the record date in the election of the two director nominees that the holders of TripAdvisor common stock are entitled to elect as a separate class pursuant to TripAdvisor's restated certificate of incorporation.

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty Interactive Corporation ("Liberty") was transferred to Liberty TripAdvisor Holdings, Inc. ("LTRIP"). Simultaneously, Liberty, LTRIP's former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty's entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty's interest in TripAdvisor was held by LTRIP. Liberty also assigned to LTRIP its rights and obligations under the Governance Agreement between TripAdvisor and Liberty, dated December 20, 2011 (the "Governance Agreement").

As a result of these transactions, as of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.1% of the outstanding shares of common stock and 100% of the outstanding shares of Class B Common Stock. Assuming the conversion of all of the LTRIP's shares of Class B common stock into common stock, as of the record date LTRIP would beneficially own 21.9% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, as of the record date LTRIP may be deemed to beneficially own equity securities representing 57.0% of our voting power. As a result, regardless of the vote of any other TripAdvisor stockholder, LTRIP has control over the vote relating to

(i) the election of six of the eight director nominees and (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm for the fiscal year ending December 31, 2017.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

With respect to (i) the election of six of the eight director nominees and (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm for the fiscal year ending December 31, 2017, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. For the election of the two directors whom the holders of TripAdvisor common stock are entitled to elect as a separate class, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of shares of common stock constitutes a quorum.

If a share is represented for any purpose at the meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of TripAdvisor capital stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on the election of our directors, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Solicitation of Proxies

TripAdvisor will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of TripAdvisor, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise. Following the original mailing of the proxies and other soliciting materials, TripAdvisor will ask brokers, trusts, banks or other nominees to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of TripAdvisor capital stock and to request authority for the exercise of proxies. In such cases, TripAdvisor, upon the request of the brokers, trusts, banks and other stockholder nominees, will reimburse such holders for their reasonable expenses.

Voting of Proxies

The manner in which your shares may be voted depends on whether you are a:

- *Registered stockholder:* Your shares are represented by certificates or book entries in your name on the records of TripAdvisor's stock transfer agent and you have the right to vote those shares directly; or
- *Beneficial stockholder:* You hold your shares "in street name" through a broker, trust, bank or other nominee and you have the right to direct your broker, trust, bank or other nominee on how to vote the shares in your account; however, you must request and receive a valid proxy from your broker, trust, bank or other nominee.

Whether you hold shares directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the instructions below and those on the Notice of Internet Availability of Proxy Materials, proxy card or voting instruction form provided. To vote using the Internet or by telephone, you will be required to enter the control number included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee.

- *Using the Internet.* Registered stockholders may vote using the Internet by going to www.proxyvote.com and following the instructions. Beneficial stockholders may vote by accessing the website specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- *By Telephone.* Registered stockholders may vote, from within the United States, using any touch-tone telephone by calling 1-800-690-6903 and following the recorded instructions. Beneficial owners may vote, from within the United States, using any touch-tone telephone by calling the number specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- *By Mail.* Registered stockholders may submit proxies by mail by requesting printed proxy cards and marking, signing and dating the printed proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial owners may vote by marking, signing and dating the voting instruction forms provided by their brokers, trusts, banks or other nominees and mailing them in the accompanying pre-addressed envelopes.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR proposals (1) and (2) described in this Proxy Statement.

TripAdvisor is incorporated under Delaware law, which specifically permits electronically transmitted proxies, provided that each such proxy contains, or is submitted with, information from which the inspector of elections can determine that such proxy was authorized by the stockholder. The electronic voting procedures provided for the Annual Meeting are designed to authenticate each stockholder by use of a control number, to allow stockholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made by mail or telephone or via the Internet. We will provide a ballot to registered stockholders who request one at the meeting. Shares held in your name as the stockholder of record may be voted on that ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote via the Internet, by telephone or by returning your marked, signed and dated proxy card so that your shares will be represented at the Annual Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Annual Meeting.

If you are a beneficial stockholder, you may revoke your proxy or change your vote only by following the separate instructions provided by your broker, trust, bank or other nominee.

If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same shares by mail or telephone or via the Internet prior to the vote at the Annual Meeting or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person. Registered holders may send any written notice or request for a new proxy card to TripAdvisor, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717, or follow the instructions provided on the Notice of Internet Availability of Proxy Materials and proxy card to submit a new proxy by telephone or via the Internet. Registered holders may also request a new proxy card by calling 1-800-579-1639.

Other Business

The Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of Annual Meeting of Stockholders. The Board of Directors has no knowledge of any other matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters should properly come before the Annual Meeting, the persons designated in the proxy will vote on them according to their best judgment.

Required Vote

Election of Ms. Singh Cassidy and Messrs. Maffei, Kaufer, Nishar, Rascoff and Rosenthaler as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock and Class B common stock, present in person or represented by proxy, voting together as a single class.

Election of Messrs. Philips and Wiesenthal as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock, present in person or represented by proxy, voting together as a separate class.

Valid proxies received pursuant to this solicitation will be voted in the manner specified. With respect to the election of directors, you may vote "FOR" or "WITHHOLD". Where no specification is made, it is intended that the proxies received from stockholders will be voted FOR the election of the director nominees identified. Votes withheld and broker non-votes will have no effect because approval by a certain percentage of voting stock present or outstanding is not required.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

Board of Directors

Director Independence

Under the NASDAQ Stock Market Listing Rules (the “NASDAQ Rules”), the Board has a responsibility to make an affirmative determination that those members of the Board who serve as independent directors do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In connection with the independence determinations described below, the Board reviewed information regarding transactions, relationships and arrangements relevant to independence, including those required by the NASDAQ Rules. This information is obtained from director responses to questionnaires circulated by management, as well as our records and publicly available information. Following this determination, management monitors those transactions, relationships and arrangements that were relevant to such determination, as well as solicits updated information potentially relevant to independence from internal personnel and directors, to determine whether there have been any developments that could potentially have an adverse impact on the Board’s prior independence determination.

The Board of Directors has determined that each of Ms. Singh Cassidy and Messrs. Nishar, Philips, Rascoff and Wiesenthal is an “independent director” as defined by the NASDAQ Rules. In making its independence determinations, the Board of Directors considered the applicable legal standards and any relevant transactions, relationships or arrangements. In addition to the satisfaction of the director independence requirements set forth in the NASDAQ Rules, members of the Audit Committee and Compensation Committees have also satisfied separate independence requirements under the current standards imposed by the SEC and the NASDAQ Rules for audit committee members and by the SEC, NASDAQ Rules and the Internal Revenue Service for compensation committee members.

Controlled Company Status

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty was transferred to LTRIP. Simultaneously, Liberty, LTRIP’s former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty’s entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty’s interest in TripAdvisor was held by LTRIP.

As of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.1% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock, respectively. Assuming the conversion of all of LTRIP’s shares of Class B common stock into common stock, LTRIP would beneficially own 21.9% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, LTRIP may be deemed to beneficially own equity securities representing approximately 57.0% of our voting power. LTRIP has filed a Statement of Beneficial Ownership on Schedule 13D with respect to its TripAdvisor holdings and related voting arrangements with the SEC.

The NASDAQ Rules exempt “controlled companies,” or companies of which more than 50% of the voting power is held by an individual, a group or another company, such as TripAdvisor, from certain governance requirements under the NASDAQ Rules, including, among other items, the requirement that our Board of Directors be comprised of a majority of independent directors. On this basis, TripAdvisor is relying on the exemption for controlled companies from certain requirements under the NASDAQ Rules, including, among others, the requirement that the Compensation Committees be composed solely of independent directors and certain requirements relating to the nomination of directors. We may, in the future, rely on other exemptions available to a controlled company, including, among others, the requirement that a majority of the Board of Directors be composed of independent directors.

Board Leadership Structure

Mr. Maffei serves as the Chairman of the Board of Directors, and Mr. Kaufer serves as President and Chief Executive Officer of TripAdvisor. The roles of Chief Executive Officer and Chairman of the Board of Directors are currently separated in recognition of the differences between the two roles. This leadership structure provides us with the benefit of Mr. Maffei's oversight of TripAdvisor's strategic goals and vision, coupled with the benefit of a full-time Chief Executive Officer dedicated to focusing on the day-to-day management and continued growth of TripAdvisor and its operating businesses. We believe that it is in the best interests of our stockholders for the Board of Directors to make a determination regarding the separation or combination of these roles each time it elects a new Chairman or Chief Executive Officer based on the relevant facts and circumstances applicable at such time.

Independent members of the Board of Directors chair our Audit Committee, Compensation Committee and Section 16 Committee.

Meeting Attendance

The Board of Directors met four times in 2016 and acted by written consent one time. During such period, each member of the Board of Directors attended at least 75% of the meetings of the Board and the Board committees on which they served. The independent directors meet in regularly scheduled sessions, typically before or after each Board meeting, without the presence of management. We do not have a lead independent director or any other formally appointed leader for these sessions. Directors are encouraged but not required to attend annual meetings of TripAdvisor stockholders. All of the incumbent directors who were directors at the time have historically attended the annual meetings of stockholders.

Committees of the Board of Directors

The Board of Directors has the following standing committees: the Audit Committee, the Compensation Committee, the Section 16 Committee and the Executive Committee. The Audit, Compensation and Section 16 Committees operate under written charters adopted by the Board of Directors. These charters are available in the "Corporate Governance" section of the Investor Relations page of TripAdvisor's corporate website at ir.tripadvisor.com. At each regularly scheduled Board meeting, the Chairperson of each committee provides the full Board of Directors with an update of all significant matters discussed, reviewed, considered and/or approved by the relevant committee since the last regularly scheduled Board meeting. The membership of our Audit, Compensation and Section 16 Committees ensures that directors with no ties to Company management are charged with oversight for all financial reporting and executive compensation related decisions made by Company management.

The following table sets forth the current members of each committee of the Board of Directors.

* Independent director

Audit Committee. The Audit Committee of the Board of Directors currently consists of three directors: Messrs. Philips, Rascoff and Wiesenthal. Mr. Wiesenthal is the Chairman of the Audit Committee. Each Audit Committee member satisfies the independence requirements under the current standards imposed by the rules of the SEC and NASDAQ. The Board has determined that each of Messrs. Wiesenthal, Philips and Rascoff is an “audit committee financial expert,” as such term is defined in the regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Audit Committee is appointed by the Board of Directors to assist the Board with a variety of matters discussed in detail in the Audit Committee charter, including monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. The Audit Committee met six times in 2016. The formal report of the Audit Committee with respect to the year ended December 31, 2016 is set forth in the section below titled “Audit Committee Report.”

Compensation Committee. The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Maffei and Nishar. Ms. Singh Cassidy is the Chairperson of the Compensation Committee. Each member of the Compensation Committee is an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). With the exception of Mr. Maffei, each member is an “independent director” as defined by the NASDAQ Rules. No member of the Compensation Committee is an employee of TripAdvisor.

The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (which are handled by the Section 16 Committee described below). A description of our policies and practices for the consideration and determination of executive compensation is included in the section below titled “Compensation Discussion and Analysis.” The Compensation Committee met five times in 2016.

Section 16 Committee. The Section 16 Committee consists of Ms. Singh Cassidy and Mr. Nishar. Ms. Singh Cassidy is the Chairperson of the Section 16 Committee. Each member is an “independent director” as defined by the NASDAQ Rules and satisfies the definition of “non-employee director” for purposes of Section 16 of the Exchange Act.

The Section 16 Committee is authorized to exercise all powers of the Board of Directors with respect to matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to TripAdvisor’s executive officers. The Section 16 Committee met five times in 2016.

In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee collectively as the “Compensation Committees.”

Executive Committee. The Executive Committee consists of Messrs. Kaufer and Maffei. The Executive Committee has the powers and authority of the Board of Directors, except for those matters that are specifically reserved to the Board of Directors under Delaware law or our organizational documents. The Executive Committee primarily serves as a means to address issues that may arise and require Board approval between regularly scheduled Board meetings. Following are some examples of matters that could be handled by the Executive Committee: (i) oversight and implementation of matters approved by the Board of Directors, (ii) administrative matters with respect to benefit plans, transfer agent matters, banking authority, formation of subsidiaries and other administrative items involving subsidiaries and determinations or findings under TripAdvisor’s financing arrangements and (iii) in the case of a natural disaster or other emergency as a result of which a quorum of the Board of Directors cannot readily be convened for action, directing the management of the business and affairs of TripAdvisor during such emergency or natural disaster. The Executive Committee met informally regularly throughout 2016.

Risk Oversight

Assessing and managing risk is the responsibility of TripAdvisor's management. Our Board of Directors oversees and reviews certain aspects of our risk management efforts. Our Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. The President and Chief Executive Officer, the Senior Vice President, Chief Financial Officer and Treasurer and the Senior Vice President, General Counsel and Secretary attend Board meetings and discuss operational risks with the Board. Management also provides reports and presentations on strategic risks to the Board. Among other areas, the Board is involved, directly or through its committees, in overseeing risks related to our overall corporate strategy, business continuity, crisis preparedness and competitive and reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has primary responsibility for discussing with management TripAdvisor's major financial risks and the steps management has taken to monitor and control such risks. In fulfilling its responsibilities, the Audit Committee receives regular reports from, among others, the Chief Financial Officer, General Counsel, the Vice President of Tax and the Chief Accounting Officer as well as from representatives of internal audit, the company's compliance committee and our auditors. The Audit Committee makes regular reports to the Board of Directors. In addition, TripAdvisor has, under the supervision of the Audit Committee, established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.
- The Compensation Committee considers and evaluates risks related to our cash and equity-based compensation programs, policies and practices and evaluates whether our compensation programs encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on TripAdvisor or our business. Consistent with SEC disclosure requirements, the Compensation Committee working with management has assessed the compensation policies and practices for our employees, including our executive officers, and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on TripAdvisor.

Ultimately, though, management is responsible for the day-to-day risk management process, including identification of key risks and implementation of policies and procedures to manage, mitigate and monitor risks. In fulfilling these duties, management conducts annually an enterprise and internal audit risk assessment and uses the results of these assessments in its risk management efforts. In addition, management has formed a Compliance Committee in connection with the implementation, management and oversight of a corporate compliance program to promote operational excellence throughout the entire organization in adherence with all legal and regulatory requirements and with the highest ethical standards

Director Nominations

Given the ownership structure of TripAdvisor and our status as a "controlled company," the Board of Directors does not have a nominating committee or other committee performing similar functions or any formal policy on director nominations. The Board of Directors does not have specific requirements for eligibility to serve as a director of TripAdvisor, nor does it have a specific policy on diversity; however, the Board of Directors does consider, among other things, diversity when considering nominees to serve on our Board of Directors. We broadly construe diversity to mean diversity of opinions, perspectives, and personal and professional experiences and backgrounds, such as gender, race and ethnicity, as well as other differentiating characteristics. In evaluating candidates, regardless of how recommended, the Board of Directors considers whether the professional and personal ethics and values of the candidate are consistent with those of TripAdvisor, whether the candidate's experience and expertise would be beneficial to the Board in rendering service to TripAdvisor, including in providing a mix of Board members that represent a diversity of backgrounds, perspectives and opinions, whether the candidate is willing and able to devote the necessary time and energy to the work of the Board of Directors, and whether the candidate is prepared and qualified to represent the best interests of TripAdvisor's stockholders.

Pursuant to the Governance Agreement, LTRIP has the right to nominate a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board of Directors so long as certain stock ownership requirements are satisfied. LTRIP has nominated Messrs. Maffei and Rosenthaler as nominees for 2017. The other nominees to the Board of Directors were recommended by the Chairman and then were considered and recommended by the entire Board of Directors.

The Board of Directors does not have a formal policy regarding the consideration of director candidates recommended by stockholders, as historically TripAdvisor has not received such recommendations. However, the Board of Directors would consider such recommendations if made in the future. Stockholders who wish to make such a recommendation should send the recommendation to TripAdvisor, Inc., 400 1st Avenue, Needham, Massachusetts 02494, Attention: Secretary. The envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a stockholder, provide a brief summary of the candidate's qualifications and history and be accompanied by evidence of the sender's stock ownership, as well as consent by the candidate to serve as a director if elected. Any director candidate recommendations will be reviewed by the Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board of Directors.

Communications with the Board

Stockholders who wish to communicate with the Board of Directors or a particular director may send such communication to TripAdvisor, Inc., 400 1st Avenue, Needham, Massachusetts 02494, Attention: Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder-Board Communication" or "Stockholder-Director Communication." All such letters must identify the author as a stockholder, provide evidence of the sender's stock ownership and clearly state whether the intended recipients are all members of the Board of Directors or certain specified directors. The Secretary will then review such correspondence and forward it to the Board of Directors, or to the specified director(s), if deemed appropriate. Communications that are primarily commercial in nature, that are not relevant to stockholders or other interested constituents or that relate to improper or irrelevant topics will generally not be forwarded to the Board of Directors or to the specified director(s).

**PROPOSAL 2:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Overview

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the external accounting firm retained to audit the Company's financial statements. The Audit Committee of the Board of Directors has retained KPMG LLP ("KPMG") as TripAdvisor's independent registered public accounting firm for the fiscal year ending December 31, 2017.

KPMG has served as TripAdvisor's independent registered public accounting firm continuously since the audit of the Company's financial statements for the fiscal year ended December 31, 2014. In order to assure continuing auditor independence, the Audit Committee periodically considers whether there should be a regular rotation of the independent external audit firm. The members of the Audit Committee and the Board believe that the continued retention of KPMG to serve as the Company's independent external auditor is in the best interest of the Company and its investors. A representative of KPMG is expected to be present at the Annual Meeting, and will be given an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

If the stockholders fail to vote to ratify the appointment of KPMG, the Audit Committee will reconsider whether to retain KPMG and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of TripAdvisor and our stockholders.

Required Vote

At the Annual Meeting, we will ask our stockholders to ratify the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2017. This proposal requires the affirmative vote of a majority of the voting power of our shares, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class. With respect to the ratification of KPMG, you may vote "FOR", "AGAINST" or "ABSTAIN". Abstentions will be counted toward the tabulations of voting power present and entitled to vote on the ratification of the independent registered public accounting firm proposal and will have the same effect as votes against the proposal. Brokers have discretion to vote on the proposal for ratification of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS TRIPADVISOR'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.

Fees Paid to Our Independent Registered Public Accounting Firm

KPMG was TripAdvisor's independent registered public accounting firm for the fiscal years ended December 31, 2016 and 2015. The following table sets forth aggregate fees for professional services rendered by KPMG for the years ended December 31, 2016 and 2015.

	2016	2015
Audit Fees(1)	\$ 2,018,754	\$ 1,778,047
Other Fees	2,730	11,650
Total Fees	\$ 2,021,484	\$ 1,789,697

- (1) Audit Fees include fees and expenses associated with the annual audit of our consolidated financial statements, statutory audits, review of our periodic reports, accounting consultations, review of SEC registration statements, report on the effectiveness of internal control and consents and other services related to SEC matters.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has responsibility for appointing, setting compensation of, retaining and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has adopted a policy governing the pre-approval of all audit and permitted non-audit services performed by TripAdvisor's independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm's independence from TripAdvisor and our management. Unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the Audit Committee. The payment for any proposed services in excess of pre-approved cost levels requires specific pre-approval by the Audit Committee.

Pursuant to its pre-approval policy, the Audit Committee may delegate its authority to pre-approve services to one or more of its members, and it has currently delegated this authority to its Chairman, subject to a limit of \$250,000 per approval. The decisions of the Chairman (or any other member(s) to whom such authority may be delegated) to grant pre-approvals must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not delegate its responsibilities to pre-approve services to Company management.

All of the audit-related, tax and all other services provided to us by KPMG in 2016 and 2015 were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Company's pre-approval policy.

The Audit Committee has considered the non-audit services provided by KPMG in 2016 and 2015, as described above, and believes that they are compatible with maintaining KPMG's independence in the conduct of their auditing functions.

AUDIT COMMITTEE REPORT

Management has the primary responsibility for our financial statements, reporting process and system of internal control over financial reporting. TripAdvisor's independent registered public accounting firm is engaged to audit and express opinions on the conformity of our financial statements to generally accepted accounting principles, and the effectiveness of TripAdvisor's internal control over financial reporting.

The Audit Committee serves as a representative of the Board of Directors and assists the Board in monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm's qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. In this context, the Audit Committee met six times in 2016 and, among other things, took the following actions:

- appointed KPMG as our auditors, discussed with the auditors the overall scope and plans for the independent audit and pre-approved all audit and non-audit services to be performed by KPMG;
- reviewed and discussed with management and the auditors the audited consolidated financial statements for the year ended December 31, 2016, as well as our quarterly financial statements and interim financial information contained in each quarterly earnings announcement prior to public release;
- discussed with the auditors the matters required to be discussed by the Public Company Accounting Oversight Board ("PCAOB"), and received all written disclosures and letters required by the applicable requirements of the PCAOB;
- discussed with the auditors its independence from TripAdvisor and TripAdvisor's management as well as considered whether the non-audit services provided by the auditors could impair its independence and concluded that such services would not;
- reviewed and discussed with management and the auditors our compliance with the requirements of the Sarbanes-Oxley Act of 2002 with respect to internal control over financial reporting, together with management's assessment of the effectiveness of our internal control over financial reporting and the auditors' audit of internal control over financial reporting; and
- regularly met with KPMG, with and without management present, to discuss the results of their examinations, including the integrity, adequacy and effectiveness of the accounting and financial reporting processes and controls.

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2016, and the Board approved such inclusion.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that TripAdvisor specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed to be "soliciting material" or "filed" under either the Securities Act or the Exchange Act.

Overview

This Compensation Discussion and Analysis describes TripAdvisor’s executive compensation program as it relates to our “named executive officers” for fiscal 2016.

<u>Name</u>	<u>Position</u>
Stephen Kaufer	President and Chief Executive Officer
Ernst Teunissen	Senior Vice President, Chief Financial Officer and Treasurer
Seth J. Kalvert	Senior Vice President, General Counsel and Secretary
Dermot M. Halpin	President, Vacation Rentals and Attractions
Barrie Seidenberg	Chief Executive Officer, Attractions

On February 15, 2016, the Company entered into a new employment agreement with Mr. Halpin in connection with his re-location from London to the Company’s corporate offices in Needham, MA. In addition, effective May 19, 2016, the Company entered into a new employment agreement with Mr. Kalvert. Finally, on November 17, 2016, the Company entered into a Transition Services Agreement with Ms. Seidenberg, in response to her indication of her intention to transition from her position as Chief Executive Officer of the Company’s Attractions division. In connection with the foregoing, Mr. Halpin assumed responsibility for the Attractions division to facilitate the transition.

The Board of Directors has a Compensation Committee and a Section 16 Committee that together have primary responsibility for establishing the compensation of our named executive officers. In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee jointly as the “Compensation Committees.”

Executive Summary and 2016 Business Highlights

We have a pay for performance philosophy that guides all aspects of our compensation decisions. For example:

- annual salary increases are tied to individual performance and business performance over the previous fiscal year;
- annual incentive compensation is structured so that payouts are tied to the achievement of financial targets and require year over year improvement in revenue or share price;
- long-term incentive compensation is structured so that target equity award values are linked to individual and business performance, while realized values are tied to the Company’s share price; and
- the interests of our named executive officers are aligned with those of our stockholders through the granting of a substantial portion of compensation in equity awards with multi-year vesting requirements.

In fiscal 2016, we continued to position our company for long-term growth by focusing on investments in growth initiatives such as completion of the global roll out of our instant booking platform and strengthening our position in Attractions, Restaurants and Vacation Rentals. In addition, user reviews and opinions grew 45% year-over-year and reached 465 million at December 31, 2016, covering approximately 1,060,000 hotels and accommodations, 835,000 vacation rentals, 4.3 million restaurants and 760,000 activities and attractions worldwide.

Compensation Program Objectives

Our executive compensation program is designed to attract, motivate and retain highly skilled employees in executive positions with the business experience and acumen that management and the Compensation Committees believe are necessary for achievement of our long-term business objectives and to ensure that the compensation provided to these executives remains competitive with the compensation paid to similarly situated executives at comparable companies. The executive compensation program is also designed so that it does not encourage our named executive officers to take unreasonable risks relating to our business. In addition, the executive compensation program is designed to reward both short-term and long-term performance and to align the financial interests of our named executive officers with the interests of our stockholders.

Management and the Compensation Committees evaluate both performance and compensation levels to ensure that we maintain our ability to attract and retain outstanding employees in executive positions. To that end, management and the Compensation Committees believe the executive compensation packages provided by TripAdvisor to our named executive officers should include both cash and equity-based compensation.

Roles and Responsibilities

Role of the Compensation and Section 16 Committees

The Compensation Committee is appointed by the Board of Directors and consists entirely of directors who are “outside directors” for purposes of Section 162(m) of the Code. The Compensation Committee currently consists of Ms. Singh Cassidy and Messrs. Maffei and Nishar, with Ms. Singh Cassidy acting as Chairperson of the Compensation Committee. The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (for which the Section 16 Committee has responsibility as described below). Notwithstanding the foregoing, the Compensation Committee has delegated to the Chief Executive Officer of the Company authority to grant certain types of equity awards, subject to certain limitations, to employees other than executive officers.

The Section 16 Committee is also appointed by the Board of Directors and consists entirely of directors who are “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. The Section 16 Committee currently consists of Ms. Singh Cassidy and Mr. Nishar. The Section 16 Committee is responsible for administering and overseeing matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to our named executive officers. Ms. Singh Cassidy is also the Chairperson of the Section 16 Committee.

Role of Executive Officers

Management participates in reviewing and refining our executive compensation program. Mr. Kaufer, our President and Chief Executive Officer, annually reviews the performance of TripAdvisor and each named executive officer with the Compensation Committees and makes recommendations with respect to the appropriate base salary, annual bonus and grants of equity awards for each named executive officer, other than in connection with compensation for himself. Based in part on these recommendations and the other factors discussed below, the Compensation Committees review and approve the annual compensation package of each named executive officer.

Role of Compensation Consultant

Pursuant to the Compensation Committee and Section 16 Committee Charter, the Compensation Committees may retain compensation consultants for the purpose of assisting the Compensation Committees in their evaluation of the compensation for our named executive officers. In 2016, the Compensation Committees retained Compensia, Inc. (“Compensia”), a management consulting firm providing executive compensation advisory services to compensation committees and senior management, to assist in an evaluation of TripAdvisor’s compensation peer group, to use the compensation peer group to compile and analyze competitive compensation market data for our named executive officers, to advise on matters related to our long-term incentive compensation structure and to

evaluate equity compensation programs generally. The compensation consultant also consults with the Compensation Committees about director compensation. The Compensation Committees consider input from their compensation consultant as one factor in making decisions with respect to compensation matters, along with information and analysis they receive from management and their own judgment and experience.

Based on consideration of the factors set forth in the rules of the SEC and NASDAQ, the Compensation Committees have determined that their relationship with Compensia and the work performed by Compensia on behalf of the Compensation Committees has not raised any conflict of interest. In addition, in compliance with the Compensation Committee and Section 16 Committee Charter, the Compensation Committees approved the fees paid to Compensia for work performed in 2016 and confirmed that such payments did not exceed \$120,000.

Role of Stockholders

TripAdvisor provides its stockholders with the opportunity to cast an advisory vote to approve the compensation of our named executive officers every three years. In evaluating our 2016 executive compensation program, the Compensation Committees considered the result of the stockholder advisory vote on our executive compensation (the “say-on-pay vote”) held at our Annual Meeting of Stockholders on June 18, 2015, which was approved by over 90% of the votes cast. As a result, the Compensation Committees did not make any significant changes to our executive compensation program for 2016. The Compensation Committees will continue to consider the outcome of the say-on-pay vote when making future compensation decisions for our named executive officers.

We will hold a say-on-pay vote every three years until the next vote on the frequency of such stockholder advisory votes, which will occur no later than our 2018 Annual Meeting of Stockholders. Our next say-on-pay vote will also be held at the 2018 Annual Meeting of Stockholders.

Compensation Program Elements

General

The primary elements of our executive compensation program are base salary, an annual bonus and equity awards. Generally, the Compensation Committees review these elements in the first quarter of each year in light of business and individual performance, recommendations from management and other relevant information, including prior compensation history and outstanding long-term incentive compensation arrangements. Management and the Compensation Committees believe that there are multiple, dynamic factors that contribute to success at an individual and business level. Management and the Compensation Committees have therefore refrained from adopting strict formulas and have relied primarily on a discretionary approach that allows the Compensation Committees to set executive compensation levels on a case-by-case basis, taking into account all relevant factors.

The following chart illustrates the composition of the target total direct compensation for the Chief Executive Officer and for the other current named executive officers between base salary, short term and long term compensation. All elements of compensation are considered to be “at-risk” with the exception of base salary.

CEO Total Compensation Mix (1)

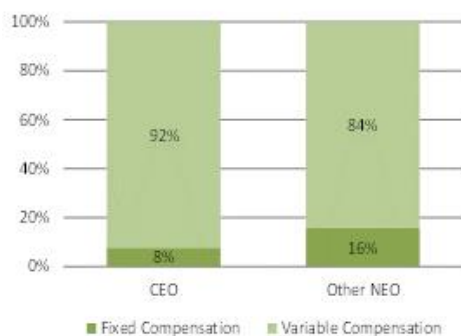

Other NEO Total Compensation Mix (2)

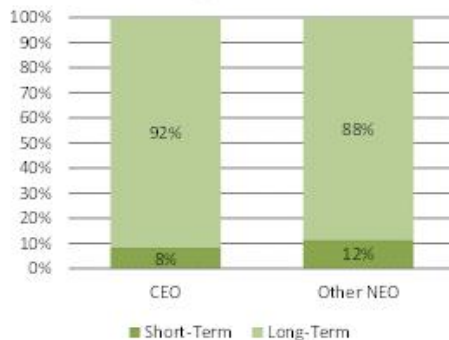

- (1) CEO Total Compensation consists of 2016 annualized base salary, 2016 annual bonus, and the grant date fair-value of his 2013 equity grant prorated for the portion of service period attributed to 2016.
- (2) Other NEO Total Compensation is defined as 2016 annualized base salary, 2016 annual bonus, and the 2016 grant date value of annual equity awards as disclosed in the Summary Compensation Table. The Other NEO Total Compensation Mix chart reflects the average Total Compensation of Mr. Teunissen, Mr. Kalvert, Mr. Halpin, and Ms. Seidenberg.

One of the primary objectives of our compensation philosophy is to design pay opportunities that align with our performance and result in strong long-term value creation for our stockholders. The significant weighting of long-term incentive compensation ensures that our named executive officers’ primary focus is sustained long-term performance, while our short-term incentive compensation motivates consistent annual achievement. The following chart illustrates the percentage of compensation which is fixed versus variable and the allocation between short and long-term compensation.

Fixed vs. Variable Compensation (1)

Short vs. Long-Term Incentives (2)

- (1) For our CEO and Other NEOs, Fixed Compensation consists solely of 2016 annualized base salary. For our CEO, Variable Compensation consists of 2016 annual bonus, and the grant date fair-value of the CEO’s 2013 equity grant prorated for the portion of service period attributed to 2016. For Other NEOs, Variable Compensation consists of 2016 annual bonus and the 2016 grant date value of annual equity awards as disclosed in the Summary Compensation Table.
- (2) For our CEO and Other NEOs, short-term incentive compensation consists of 2016 annual bonus. For our CEO, long-term incentive compensation consists of grant date fair-value of the CEO’s 2013 equity grant prorated for the portion of service period attributed to 2016. For Other NEOs, short-term incentive compensation consists of 2016 annual bonus, while long-term incentive compensation is defined as grant date value of annual equity awards as disclosed in the Summary Compensation Table. The Other NEO compensation reflected in the tables above reflects the compensation averages for Mr. Teunissen, Mr. Kalvert, Mr. Halpin and Ms. Seidenberg.

Following recommendations from management, the Compensation Committees may also adjust compensation for specific individuals at other times during the year when there are significant changes in responsibilities or under other circumstances that the Compensation Committees consider appropriate.

Base Salary

Base salary represents the fixed portion of a named executive officer's compensation and is intended to provide compensation for expected day-to-day performance. A named executive officer's base salary is initially determined upon hire or promotion based on his or her responsibilities, prior experience, individual compensation history and salary levels of other executives within TripAdvisor and similarly situated executives at comparable companies. Base salary is typically reviewed annually, at which time management makes recommendations to the Compensation Committees based on consideration of a variety of factors including, but not limited to, the following:

- the named executive officer's total compensation relative to other executives in similarly situated positions,
- his or her individual performance relative to performance goals established between our President and Chief Executive Officer and the named executive officer,
- his or her responsibilities, prior experience, and individual compensation history, including any non-standard compensation,
- the terms of his or her employment agreement, if any,
- competitive compensation market data, when available,
- general economic conditions, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After careful consideration of the factors discussed above with respect to each of the named executive officers, the Compensation Committees approved 2016 salary changes for our named executive officers. The table below describes, for each named executive officer, the 2015 base salary, the base salary increase and the 2016 base salary.

Name	2015	Annual Salary Increase (Decrease)	2016
Stephen Kaufer	\$ 700,000	\$ -	\$ 700,000
Ernst Teunissen (1)	\$ 425,000	\$ -	\$ 425,000
Seth Kalvert	\$ 398,475	\$ 26,525	\$ 425,000
Dermot M. Halpin (2)	\$ 390,000	\$ 10,000	\$ 400,000
Barrie Seidenberg	\$ 350,000	\$ 50,000	\$ 400,000

(1) Mr. Teunissen's employment commenced on November 9, 2015 and the salary information reflects his annual base salary effective that date.

(2) Mr. Halpin's base salary was paid in GBP until October 1, 2015, after which Mr. Halpin relocated to the United States and his base salary began to be paid in USD at an annual rate of \$390,000. The amounts set forth above represent Mr. Halpin's 2015 base salary as of October 1, 2015 and 2016 base salary stated in terms of USD.

Adjustments were made to the annual base salary of the named executive officers, primarily in acknowledgement of the extent to which they had achieved their individual performance goals and in response to the analysis provided by Compensia on competitive compensation market data for executive officers within our peer group in comparable positions.

Annual Bonuses

Annual bonuses are awarded to recognize and reward each named executive officer's annual contribution to Company performance. Unless otherwise provided by the provisions of his or her employment agreement, the target annual bonus opportunities for our named executive officers are generally established by the Compensation Committees, based on competitive market data and recommendations by the President and Chief Executive Officer (other than in connection with his own compensation).

In February 2017, management recommended bonuses with respect to calendar year 2016 for each of our named executive officers after taking into account a variety of factors including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- TripAdvisor's performance against strategic initiatives,
- the named executive officer's target bonus opportunity, if any,
- his or her individual performance,
- the overall funding of the bonus pool,
- the amount of bonus relative to other TripAdvisor executives,
- general economic conditions,
- competitive compensation market data, when available, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

Annual incentive bonuses awarded to our named executive officers for 2016 were subject to the achievement of performance goals relating either to stock price performance or revenue, which were satisfied. These performance goals were designed to permit TripAdvisor to deduct all named executive officer compensation for 2016 in accordance with Section 162(m) of the Code. Specifically, the bonuses awarded to our named executive officers in 2016 were subject to the satisfaction of one of the following performance goals:

- The revenues of TripAdvisor in fiscal 2016 must be greater than revenues in fiscal 2015, excluding the benefit of any acquisitions by TripAdvisor during this period; or
- The closing price per share of TripAdvisor common stock as reported on Nasdaq shall be at least 5% higher than the closing price of TripAdvisor's common stock on February 3, 2016, which was \$62.77 per share, on any 30 trading days during the period beginning February 3, 2016 and ending December 31, 2016 (such days not necessarily consecutive), taking into account any Share Change or Corporate Transaction (each as defined in the TripAdvisor Amended and Restated 2011 Stock and Annual Incentive Plan (the "2011 Plan")).

In general, these performance goals reflect the minimally acceptable Company performance that must be achieved for bonuses to be awarded to our named executive officers, but with respect to which there is substantial uncertainty when established. The Compensation Committees may exercise negative discretion in making the annual bonus awards. As a result, while performance targets were used in setting compensation under this plan, ultimately the levels of those targets and the Compensation Committees' use of negative discretion typically result in the award of compensation as if the annual incentive plan were operating as a discretionary plan.

After consideration of the factors discussed above (including confirmation of satisfaction of the performance goals established for the Company and individual performance goals established between our President and Chief Executive Officer and the named executive officers), the Compensation Committees awarded 2016 bonuses to our named executive officers. The table below describes, for each named executive officer, the target bonus for 2016, the actual bonus paid and percentage of bonus paid relative to target.

Name	Target Bonus as % of Base Salary	Target Bonus	Bonus Award	Percentage of Award to Target
Stephen Kaufer (1)	100%	\$ 700,000	\$ 525,000	75%
Ernst Teunissen	75%	\$ 318,750	\$ 255,000	80%
Seth Kalvert	66%	\$ 284,750	\$ 227,800	80%
Dermot M. Halpin	50%	\$ 200,000	\$ 180,000	90%
Barrie Seidenberg	50%	\$ 200,000	\$ 195,000	98%

(1) Upon consideration of Mr. Kaufer's accomplishments during fiscal 2016, the Compensation Committee determined to pay Mr. Kaufer's bonus at 75% of target; however, 1/3 of the target bonus (or \$175,000) was paid in cash, 1/3 was paid in a fully vested award of restricted stock units, or RSUs, and 1/3 was paid in a fully vested award of stock options.

Equity Awards

The Compensation Committees use equity awards to align executive compensation with our long-term performance. Equity awards link compensation to financial performance because their value depends on TripAdvisor's share price. Equity awards are also an important employee retention tool because they generally vest over a multi-year period, subject to continued service by the award recipient.

Equity awards are typically granted to our named executive officers upon hire or promotion and annually thereafter. Management generally recommends annual equity awards in the first quarter of each year when the Compensation Committees meet to make determinations regarding annual bonuses for the last completed fiscal year and to set compensation levels for the current fiscal year. The practice of the Compensation Committees is to generally grant equity awards to our named executive officers only in open trading windows.

Typically, equity awards have been in the form of awards of RSUs and/or options to purchase shares of TripAdvisor common stock or some combination of the two. Stock options have an exercise price equal to the market price of TripAdvisor common stock on the date of grant, and, therefore, provide value to our named executive officers only if our stock price increases. Stock options generally vest over a period of four years. We believe stock options incentivize our named executive officers to sustain increases in stockholder value over extended periods of time. RSUs are a promise to issue shares of our common stock in the future provided the named executive officer remains employed with us through the award's vesting period. RSUs generally vest over a period of four years. RSUs provide the opportunity for capital accumulation and long-term incentive value and are intended to assist in satisfying our retention objectives.

The Compensation Committees review various factors considered by management when they establish TripAdvisor's equity award grant pool including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- dilution rates, taking into account projected headcount growth and employee turnover,
- non-cash compensation as a percentage of earnings before interest, taxes, depreciation and amortization,
- equity compensation utilization by peer companies,
- general economic conditions, and
- competitive compensation market data regarding award values.

For specific awards to our named executive officers, management makes recommendations to the Section 16 Committee based on a variety of factors including, but not limited to, the following:

- TripAdvisor’s business and financial performance, including year-over-year performance,
- individual performance and future potential of the executive,
- the overall size of the equity award pool,
- award value relative to other TripAdvisor executives,
- the value of previous awards and amount of outstanding unvested equity awards,
- competitive compensation market data, to the degree that the available data is comparable, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After review and consideration of the recommendations of management and the President and Chief Executive Officer (other than with respect to awards for himself), the Section 16 Committee decides whether to grant equity awards to our named executive officers. After consideration of the factors discussed above, in February 2016, the Section 16 Committee granted the equity awards described below in connection with our annual equity awards program.

<u>Name</u>	<u>Grant Date Fair Value</u>	<u>Number of Stock Options</u>	<u>Number of RSUs</u>
Ernst Teunissen	\$ 999,978	-	15,845
Seth Kalvert	\$ 1,699,799	34,950	13,468
Dermot M. Halpin	\$ 2,499,735	51,398	19,806
Barrie Seidenberg	\$ 2,499,735	51,398	19,806

Each of the equity awards described above vests in four equal annual installments commencing on February 15, 2017. The stock options are exercisable at a price of \$63.11 per share.

Employee Benefits

In addition to the primary elements of compensation described above, our named executive officers also participate in employee benefits programs available to our employees generally, including, for named executive officers residing in the United States, the TripAdvisor Retirement Savings Plan. Under this plan, TripAdvisor matches 50% of each dollar a participant contributes, up to the first 6% of eligible compensation, subject to tax limits. Prior to his relocation from the United Kingdom to the United States, Mr. Halpin participated in our UK pension scheme, pursuant to which we match 100% of participant contributions, up to the first 5% of eligible compensation. Following his relocation to the United States, Mr. Halpin was eligible for the benefits described above with respect to the TripAdvisor Retirement Savings Plan.

In addition, we provide other benefits to our named executive officers on the same basis as all of our domestic employees generally. These benefits include group health (medical, dental, and vision) insurance, group disability insurance, and group life insurance.

In situations where a named executive officer is required to relocate, TripAdvisor also provides relocation benefits, including reimbursement of moving expenses, temporary housing and other relocation expenses as well as a tax gross-up payment on the relocation benefits. In 2015, Mr. Halpin relocated from the United Kingdom to our corporate headquarters in Needham, Massachusetts and received such relocation support as disclosed in the Summary Compensation Table. In connection with Mr. Halpin’s relocation to the United States, the Company and Mr. Halpin entered into a new employment agreement providing for, among other things, the payment of Mr. Halpin’s compensation in U.S. Dollars. Pursuant to that new employment agreement, the Company also agreed to

reimburse Mr. Halpin for fees and expenses associated with the preparation of this 2016 and 2017 tax returns and a personal travel allowance of \$20,000 per year as well as a tax-gross up payment on the personal travel benefits.

TripAdvisor also sponsors a Global Personal Travel Reimbursement program generally available to all employees, including our named executive officers, that provides for reimbursement of up to \$750 a year for leisure travel that is arranged using one of the TripAdvisor Media Group family of products and provides all employees, including our named executive officers, an annual holiday bonus in the form of a gift card as well as a tax gross-up payment on the value of the gift card.

Compensation Program and Other Policies

Executive Compensation Recovery or “Clawback”

TripAdvisor has an executive compensation recovery, or clawback, provision in our form of award agreements providing for recoupment of equity compensation. Each of TripAdvisor’s equity award documents provides that in the event an employee is terminated for Cause (as defined in the 2011 Plan) or resigns within two years after any event or circumstance that would have been grounds for termination of employment for Cause, then the employee agrees that certain equity securities issued to such employee (whether or not vested) may be forfeited and cancelled in their entirety upon such termination of employment. In such event, TripAdvisor may cause the employee to either (i) return the equity securities or shares of common stock issued upon exercise or vesting of such securities, or (ii) pay to TripAdvisor an amount equal to the aggregate amount, if any, that the employee had previously realized in respect of any and all shares of common stock acquired upon exercise or vesting of such equity awards.

We intend to adopt a general clawback policy covering our annual and long-term incentive award plans and arrangements or amend our existing documents once the SEC adopts final rules implementing the requirement of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Insider Trading and Hedging Policy

TripAdvisor has adopted an Insider Trading Policy covering our directors, officers, employees and consultants designed to ensure compliance with relevant SEC regulations, including insider trading rules. TripAdvisor’s Insider Trading Policy also prohibits directors, officers, employees and consultants from engaging in various types of transactions in which they may profit from short-term speculative swings in the value of TripAdvisor securities. These transactions include “short sales” (or selling borrowed securities which the sellers hopes can be purchased at a lower price in the future), “put” and “call” options (or publicly available rights to sell or buy securities within a certain period of time at a specified price or the like) and hedging transactions, such as zero-cost collars and forward sale contracts. The policy also prohibits the pledge or use of company securities as collateral in a margin account or collateral for a loan.

Stock Ownership Guidelines

In October 2015, the Board of Directors adopted guidelines which require that our named executive officers, and members of our Board own shares of our common stock to further align their interests with those of our stockholders. These guidelines require that our named executive officers and directors must directly hold securities having market or intrinsic value which is equal to or greater than a specified multiple of his or her base salary, as set forth below:

- For our President and Chief Executive Officer, four times his annual base salary;
- For all other named executive officers, two times his or her annual base salary; and
- For each non-employee director, three times his or her annual cash retainer.

For purpose of these calculations, 100% of shares of common stock and 50% of vested “in-the-money” stock options are counted. Individuals subject to these guidelines are required to achieve the relevant ownership

threshold on or before the later of December 31, 2020 or five years after commencing service when service begins after the guidelines were adopted.

These stock ownership guidelines were established after consideration of the Compensation Committees' review of market practices of other companies in the Company's peer group with respect to stock ownership guidelines and in an effort to enhance risk mitigation and to more closely align the interests of the Company's executive officers and Board members with those of the Company's stockholders.

Code of Business Conduct and Ethics

In February 2016, our Board of Directors adopted an amended and restated Code of Business Conduct and Ethics applicable to all of our directors, officers, employees, consultants and independent contractors. A copy of the Code of Business Conduct and Ethics is posted on our website at <http://ir.tripadvisor.com/index.cfm>.

Role of Competitive Compensation Market Data

Management considers multiple data sources when reviewing compensation information to ensure that the data reflects compensation practices of relevant companies in terms of size, industry and geographic location. Among other factors, management considers the following information in connection with its recommendations to the Compensation Committees regarding compensation for our named executive officers:

- Data from salary and equity compensation surveys that include companies of a similar size, based on market capitalization, revenues and other factors, and
- Data regarding compensation for certain executive officer positions from recent proxy statements and other SEC filings of peer companies, which include: (i) direct industry competitors, and (ii) non-industry companies with which TripAdvisor commonly competes for talent (including both regional and national competitors).

The Compensation Committees retained Compensia to periodically review the compensation peer group and to recommend possible changes. Our business model is somewhat unique. We use our innovative technology systems and software to attract users and then facilitate transactions between our business partners and those users. Accordingly, Compensia identified comparable companies focusing on publicly-traded companies in the business to consumer ("B2C") and software industries.

In October 2015, based on input from Compensia, the Compensation Committees approved the peer group for purposes of reviewing our executive officers' 2016 base salaries, 2016 annual bonus targets and 2016 equity awards. In November 2016, based on input from Compensia, the Compensation Committees approved the peer group for purposes of reviewing and considering our executive officers' 2017 annual bonus targets, 2017 base salaries and 2017 equity awards. The newly-approved peer group eliminates two companies that were acquired and are no longer public reporting companies and adds three companies to more closely align with TripAdvisor's revenues while also positioning TripAdvisor near the 50th percentile of market capitalization.

Following is a list of the companies currently constituting our peer group:

B2C Internet Companies

Expedia, Inc.
Groupon, Inc.
IAC/InterActiveCorp.
Match Group, Inc.
Netflix Inc.
Pandora Media, Inc.
priceline.com Incorporated
Shutterfly, Inc.
Twitter, Inc.
Wayfair Inc.
Yelp, Inc.
Zillow Group

Software Companies

Akamai Technologies, Inc.
ANSYS, Inc.
Citrix Systems, Inc.
Intuit Inc.
RedHat, Inc.
Splunk, Inc.
VeriSign, Inc.
Workday, Inc.

When available, management and the Compensation Committees consider competitive market compensation paid by peer group companies but does not attempt to maintain a certain target percentile within the compensation peer group or otherwise rely solely on such data when making recommendations to the Compensation Committees regarding compensation for our named executive officers. Management and the Compensation Committees strive to incorporate flexibility into our executive compensation program and the assessment process to respond to and adjust for the evolving business environment and the value delivered by our named executive officers.

Tax Matters

Section 162(m) of the Code generally permits a tax deduction to public corporations for compensation over \$1 million paid in any fiscal year to their chief executive officer and certain other highly compensated executive officers only if the compensation qualifies as “performance-based compensation” for purposes of Section 162(m). The Compensation Committees endeavor to structure the compensation of our executive officers to qualify as “performance-based compensation” when it deems such qualification to be in the best interests of TripAdvisor and its stockholders. Nonetheless, from time to time certain nondeductible compensation may be paid and the Board of Directors and the Compensation Committees reserve the authority to award nondeductible compensation to our executive officers in appropriate circumstances.

For purposes of enabling TripAdvisor to deduct the compensation paid to and recognized by our named executive officers in accordance with Section 162(m) of the Code, the Compensation Committees sought to design the annual bonuses awarded to our named executive officers for 2016 to qualify as “performance-based compensation” as described under “Compensation Program Elements – Annual Bonuses” above.

Post-Employment Compensation

Change in Control

Our 2011 Plan originally provided that equity awards granted to certain executive officers would be entitled to accelerated vesting of certain of their outstanding and unvested equity awards in the event of a Change in Control of TripAdvisor (i.e. a “single trigger” acceleration provision). In August 2013, after further evaluation of the “single trigger” acceleration provisions, the Compensation Committees determined that future equity awards made under the 2011 Plan would not be entitled to “single trigger” acceleration and, instead, the award agreements with respect to such equity awards would provide that any acceleration of vesting of the equity awards would be subject to “double trigger” rather than “single trigger” acceleration. This means that accelerated vesting of outstanding and unvested equity awards granted on or after August 28, 2013, would only occur upon both a change in control and qualified termination of employment.

In June 2016, our stockholders approved an amended and restated 2011 Plan which, among other matters, disallowed any acceleration of prospectively granted equity awards upon a “single trigger” and provided for acceleration of all equity awards upon the death of a participant.

For a description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled “Potential Payments Upon Termination or Change in Control.”

Severance

The Company has entered into employment agreements with each of Messrs. Kaufer, Kalvert and Teunissen and offer letters with each of Mr. Halpin and Ms. Seidenberg. The offer letter entered into with Ms. Seidenberg was amended pursuant to a Transition Services Agreement entered into in November 2016 in anticipation of Ms. Seidenberg transitioning from her position as Chief Executive Officer, Attractions. Pursuant to these agreements, each of our named executive officers is eligible to receive certain severance payments and benefits in the event of a qualifying termination of employment. The material terms of these employment agreements are described below under the heading “Potential Payments Upon Termination or Change in Control.”

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Maffei and Nishar and the Section 16 Committee consists of Ms. Singh Cassidy and Mr. Nishar. None of Ms. Singh Cassidy or Messrs. Maffei or Nishar was an officer or employee of TripAdvisor, formerly an officer of TripAdvisor, or an executive officer of an entity for which an executive officer of TripAdvisor served as a member of the compensation committee or as a director during the one-year period ended December 31, 2016.

During the last fiscal year, none of our executive officers served as: (1) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Compensation Committee; (2) a director of another entity, one of whose executive officers served on our Compensation Committee, or (3) a member of the compensation committee (or other committee of the board of directors performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on our Board.

Compensation Committees Report

This report is provided by the Compensation Committee and the Section 16 Committee (the “Compensation Committees”) of the Board of Directors. The Compensation Committees have reviewed the Compensation Discussion and Analysis and discussed that analysis with management. Based on this review and discussions with management, the Compensation Committees recommended to the Board of Directors that the Compensation Discussion and Analysis be included in TripAdvisor’s 2017 Proxy Statement.

No portion of this Compensation Committees Report shall be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that TripAdvisor specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed to be “soliciting material” or “filed” under either the Securities Act or the Exchange Act.

Non-Qualified Deferred Compensation

We do not currently have any other defined contribution or other plan that provides for deferred compensation on a basis that is not tax-qualified for our employees.

Potential Payments Upon Termination or Change in Control

Certain of our compensation plans, award agreements and employment agreements or offer letters provide our named executive officers with accelerated vesting of outstanding and unvested equity awards or severance payments in the event of a change in control of TripAdvisor and/or upon the termination of employment or material adverse modification of his or her employment with TripAdvisor under specified circumstances. These plans and agreements are described below as they apply to each named executive officer.

Change of Control Provisions in TripAdvisor's 2011 Plan

The 2011 Plan provides that, unless otherwise specified in the applicable award agreement, upon a participant's termination of employment by the Company during the two-year period following a change in control other than for "cause" or "disability," each as defined in the 2011 Plan, or by the participant for "good reason," as defined in the 2011 Plan, during such period, stock options and stock appreciation rights held by such participant will automatically become fully exercisable and will remain exercisable until the later of (i) the last day on which such option or stock appreciation right is exercisable as specified in the applicable award agreement or (ii) the earlier of the first anniversary of the change in control and the expiration of the term of the option or stock appreciation right, and the restrictions and conditions on all other awards will automatically be deemed waived.

The Board determined it was in the best interest of the Company to allow for an acceleration of equity awards upon a Termination of Employment by reason of death of the participant. This change was included in the 2011 Plan approved by our stockholders in June 2016.

Stephen Kaufer Employment Agreement

In March 2014, the Company entered into an employment agreement with Mr. Kaufer. Previously, the Company did not have an employment agreement with Mr. Kaufer. The agreement has a term of five years.

Pursuant to the employment agreement, in the event that Mr. Kaufer's employment terminates by reason of his death or disability, then:

- TripAdvisor will pay Mr. Kaufer (or his estate) his base salary through the end of the month in which the termination occurs;
- any outstanding unvested equity awards that vest less frequently than annually shall be treated as though such awards vested annually; and
- any unvested stock options held by Mr. Kaufer at the time of termination shall remain exercisable through the earlier of 18 months following termination or the scheduled expiration of the option.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below) and such termination occurs during the period commencing three months immediately prior to a Change in Control (as defined below) and ending 24 months immediately following the Change in Control, then:

- TripAdvisor will pay him cash severance in an amount equal to 24 months of his base salary;

- TripAdvisor will pay him in cash an amount equal to the premiums charged by TripAdvisor to maintain COBRA health insurance coverage for him and his eligible dependents for each month between the date of termination and 18 months thereafter;
- TripAdvisor will pay to him a lump sum in cash equal to his annual target bonus, without pro-ration or adjustment;
- all equity awards held by him that are outstanding and unvested shall immediately vest in full; and
- Mr. Kaufer will have 18 months following such date of termination of employment to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason or is terminated by TripAdvisor without Cause and such termination is not in connection with a Change in Control, then:

- TripAdvisor will continue to pay Mr. Kaufer's base salary through 12 months following the date of termination;
- TripAdvisor will consider in good faith the payment of an annual bonus on a pro rata basis and based on actual performance for the year in which termination of employment occurs, any such payment to be paid based on actual performance during the year of termination;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Kaufer and his eligible dependents for 12 months following termination;
- all equity awards held by Mr. Kaufer that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that awards that vest less frequently than annually will be treated as though such awards vested annually);
- any equity awards that do not vest in connection with a termination of employment shall remain outstanding for three months following termination, provided that there will be no additional vesting with respect to such awards unless a Change in Control occurs within such three-month period; and
- Mr. Kaufer will have 18 months following such date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Receipt of the severance payments and benefits set forth above is contingent upon Mr. Kaufer executing and not revoking a separation and release in favor of TripAdvisor. Each of the payments set forth above shall be offset by the amount of any cash compensation earned by Mr. Kaufer from another employer during the 12 months following his termination of employment.

With respect to Mr. Kaufer's equity awards granted in August 2013 and thereafter, either Mr. Kaufer agreed to waive the single trigger acceleration right upon a change in control or the award was issued pursuant to the amended and restated 2011 Plan which did not include this benefit. As a result, Mr. Kaufer's awards will only accelerate upon a "double trigger."

Mr. Kaufer has also agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, during the term of his employment and through the period ending 18 months after the termination of employment.

Seth J. Kalvert Employment Agreement

Effective May 19, 2016, the Company entered into an employment agreement with Mr. Kalvert, with a two-year term.

Pursuant to the employment agreement with Mr. Kalvert, in the event that his employment terminates by reason of his death or disability, he will be entitled to continued payment of base salary through the end of the month in which the termination occurs. In the event that he terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below), then:

- TripAdvisor will continue to pay his base salary through the longer of the end of the term of the executive's employment agreement and 12 months following termination (provided that such payments will be offset by any amount earned from another employer during such time period);
- TripAdvisor will consider in good faith the payment of bonuses on a pro rata basis based on actual performance for the year in which termination of employment occurs;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Kalvert and his eligible dependents through the longer of the end of the term of his employment agreement and 12 months following termination;
- All equity awards held by Mr. Kalvert that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually); and
- Mr. Kalvert will have 18 months following such date of termination or employment to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Receipt of the severance payments and benefits set forth above is contingent upon Mr. Kalvert executing and not revoking a separation and release in favor of TripAdvisor. In addition, Mr. Kalvert agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) 12 months after the termination of employment.

Ernst Teunissen Employment Agreement

On October 6, 2015, the Company entered into an agreement with Mr. Teunissen, effective November 9, 2015. Such employment agreement commenced on November 9, 2015 and expires on March 31, 2018, unless sooner terminated in accordance with its terms.

Pursuant to the employment agreement with Mr. Teunissen, in the event that his employment terminates by reason of his death or disability, he will be entitled to continued payment of base salary through the end of the month in which the termination occurs. In the event that he terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below), then:

- TripAdvisor will continue to pay his base salary through the longer of the end of the term of the executive's employment agreement and 12 months following termination (provided that such payments will be offset by any amount earned from another employer during such time period);
- TripAdvisor will consider in good faith the payment of bonuses on a pro rata basis based on actual performance for the year in which termination of employment occurs;

- TripAdvisor will pay COBRA health insurance coverage for Mr. Teunissen and his eligible dependents through the longer of the end of the term of his employment agreement and 12 months following termination;
- All equity awards held by Mr. Teunissen that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually); and
- Mr. Teunissen will have 18 months following such date of termination or employment to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Receipt of the severance payments and benefits set forth above is contingent upon Mr. Teunissen executing and not revoking a separation and release in favor of TripAdvisor. In addition, Mr. Teunissen agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) 12 months after the termination of employment.

Dermot M. Halpin Offer Letter

On February 15, 2016, the Company entered into an offer letter with Dermot Halpin effective October 1, 2015. Pursuant to the offer letter, in the event that Mr. Halpin terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below), then:

- TripAdvisor will continue to pay Mr. Halpin his base salary for a period of six months following termination;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Halpin and his eligible dependents for a period of six months following termination; and
- TripAdvisor will consider, in good faith, the acceleration of vesting of the equity awards held by Mr. Halpin as of the termination date that otherwise would have vested during the six-month period following termination of employment (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually).

Mr. Halpin previously entered into a Non-Disclosure, Developments and Non-Competition Agreement, pursuant to which Mr. Halpin agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) nine months after the termination of employment.

Barrie Seidenberg Offer Letter

The Company entered into an offer letter, effective August 8, 2014, with Ms. Seidenberg on substantially the same terms as those described above for Mr. Halpin. In November 2016, Ms. Seidenberg informed the Company of her intention to transition from her position as Chief Executive Officer of Attractions in order to pursue other opportunities. In order to provide for the transition of Ms. Seidenberg's responsibilities, TripAdvisor and Ms. Seidenberg entered into a Transition Services Agreement, dated November 17, 2016 (the "Transition Agreement"), pursuant to which Ms. Seidenberg agreed to remain with the Company on a full-time basis for a transition period (the "Transition Period").

Under the Transition Agreement and subject to the terms and conditions therein, in exchange for Ms. Seidenberg's continued service during the Transition Period, the Company and Ms. Seidenberg agreed to the following:

- Ms. Seidenberg will continue to receive her base salary during the transition period.
- If Ms. Seidenberg resigns from the Company or is terminated by the Company without Cause, in either case, after April 30, 2017, then Ms. Seidenberg will receive (i) an amount equal to nine months of her then current base salary, less applicable withholding taxes or other similar governmental payments or charges, (ii) an amount in cash equal to COBRA health insurance coverage for her and her eligible dependents for a period of nine months following termination.

Under the employment agreements and offer letters, "Cause" means: (i) the plea of guilty or nolo contendere to, or conviction for, a felony offense by the executive; provided, however, that after indictment, TripAdvisor may suspend the executive from rendition of services but without limiting or modifying in any other way TripAdvisor's obligations under the applicable employment agreement, (ii) a material breach by the executive of a fiduciary duty owed to TripAdvisor or its subsidiaries, (iii) material breach by the executive of certain covenants of the applicable employment agreement, (iv) the willful or gross neglect by the executive of the material duties required by the applicable employment agreement or (v) a knowing and material violation by the executive of any TripAdvisor policy pertaining to ethics, legal compliance, wrongdoing or conflicts of interest that, in the cases of the conduct described in clauses (iv) and (v) above, if curable, is not cured by the executive within 30 days after the executive is provided with written notice thereof.

For a description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled “Potential Payments Upon Termination of Change in Control.”

Estimated Potential Incremental Payments

The table below reflects the estimated amount of incremental compensation payable to each of our named executive officers upon termination of his or her employment in the following circumstances: (i) a termination of employment by TripAdvisor without Cause not in connection with a Change in Control, (ii) resignation by him or her for Good Reason not in connection with a Change in Control, (iii) a Change in Control or (iv) a termination of employment by TripAdvisor without Cause or by him or her for Good Reason in connection with a Change in Control.

The amounts shown in the table assume that the triggering event was effective as of December 31, 2016 and that the price of TripAdvisor common stock on which certain of the calculations are based was the closing price of \$46.37 per share on the NASDAQ Stock Market on December 30, 2016, the last trading day in 2016. These amounts are estimates of the incremental amounts that would be paid out to each named executive officer upon such triggering event. The actual amounts to be paid out can only be determined at the time of the triggering event, if any.

DIRECTOR COMPENSATION

Overview

The Board of Directors sets non-employee director compensation, which is designed to provide competitive compensation necessary to attract and retain high quality non-employee directors and to encourage ownership of TripAdvisor common stock to further align their interests with those of our stockholders. Each non-employee director of TripAdvisor is eligible to receive the following compensation:

- an annual cash retainer of \$50,000, paid in equal quarterly installments;
- an RSU award with a value of \$250,000 (based on the closing price of TripAdvisor's common stock on the NASDAQ Stock Market on the date of grant), upon such director's election to office, subject to vesting in full on the first anniversary of the grant date and, in the event of a Change in Control (as defined in the 2011 Plan), full acceleration of vesting;
- an annual cash retainer of \$20,000 for each member of the Audit Committee (including the Chairman) and \$15,000 for each member of the Compensation Committees (including the Chairperson); and
- an additional annual cash retainer of \$10,000 for each of the Chairman of the Audit Committee and the Chairperson of the Compensation Committees.

We also pay reasonable travel and accommodation expenses of the non-employee directors in connection with their participation in meetings of the Board of Directors.

TripAdvisor employees do not receive compensation for services as directors. Accordingly, Mr. Kaufer does not receive any compensation for his service as a director.

Non-Employee Director Deferred Compensation Plan

Under TripAdvisor's Non-Employee Director Deferred Compensation Plan, the non-employee directors may defer all or a portion of their directors' fees. Eligible directors who defer their directors' fees may elect to have such deferred fees (i) applied to the purchase of share units representing the number of shares of TripAdvisor common stock that could have been purchased on the date such fees would otherwise be payable or (ii) credited to a cash fund. If any dividends are paid on TripAdvisor common stock, dividend equivalents will be credited on the share units. The cash fund will be credited with deemed interest at an annual rate equal to the average "bank prime loan" rate for such year identified in the U.S. Federal Reserve Statistical Release. Upon termination of service as a director of TripAdvisor, a director will receive (1) with respect to share units, such number of shares of TripAdvisor common stock as the share units represent and (2) with respect to the cash fund, a cash payment. Payments upon termination will be made in either one lump sum or up to five installments, as elected by the eligible director at the time of the deferral election.

Beneficial Ownership Table

The following table presents information as of April 24, 2017, relating to the beneficial ownership of TripAdvisor's capital stock by (i) each person or entity known to TripAdvisor to own beneficially more than 5% of the outstanding shares of TripAdvisor's common stock or Class B common stock, (ii) each director and director nominee of TripAdvisor, (iii) the named executive officers and (iv) our executive officers and directors, as a group. In each case, except as otherwise indicated in the footnotes to the table, the shares are owned directly by the named owners, with sole voting and dispositive power. Unless otherwise indicated, beneficial owners listed in the table may be contacted at TripAdvisor's corporate headquarters at 400 1st Avenue, Needham, Massachusetts, 02494.

Shares of TripAdvisor Class B common stock may, at the option of the holder, be converted on a one-for-one basis into shares of TripAdvisor common stock; therefore, the common stock column below includes shares of Class B common stock held by each such listed person, entity or group, and the beneficial ownership percentage of each such listed person assumes the conversion of all Class B common stock into common stock. For each listed person, entity or group, the number of shares of TripAdvisor common stock and Class B common stock and the percentage of each such class listed also include shares of common stock and Class B common stock that may be acquired by such person, entity or group on the conversion or exercise of equity securities, such as stock options, which can be converted or exercised, and RSUs that have or will have vested, within 60 days of April 24, 2017, but do not assume the conversion or exercise of any equity securities (other than the conversion of the Class B common stock) owned by any other person, entity or group.

The percentage of votes for all classes of TripAdvisor's capital stock is based on one vote for each share of common stock and ten votes for each share of Class B common stock. There were 128,411,141 shares of common stock and 12,799,999 shares of Class B common stock outstanding on April 24, 2017.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, TripAdvisor officers and directors and persons who beneficially own more than 10% of a registered class of TripAdvisor's equity securities are required to file initial statements of beneficial ownership (Form 3) and statements of changes in beneficial ownership (Forms 4 and 5) with the SEC. Such persons are required by the rules of the SEC to furnish TripAdvisor with copies of all such forms they file. Based solely on a review of the copies of such forms furnished to TripAdvisor and/or written representations that no additional forms were required, TripAdvisor believes that all of its directors and officers complied with all the reporting requirements applicable to them with respect to transactions during 2016.

Changes in Control

We know of no arrangements, including any pledge by any person of our securities, the operation of which may at a subsequent date result in a change in control of our company.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

In general, we will enter into or ratify a “related person transaction” only when it has been approved by the Audit Committee of the Board of Directors, in accordance with its written charter. Related persons include our executive officers, directors, 5% or more beneficial owners of our common stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. Related person transactions are transactions that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person or entity has a direct or indirect material interest). When a potential related person transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify. When determining whether to approve, ratify, disapprove or reject any related person transaction, the Audit Committee considers all relevant factors, including the extent of the related person’s interest in the transaction, whether the terms are commercially reasonable and whether the related person transaction is consistent with the best interests of TripAdvisor and our stockholders.

The legal and accounting departments work with business units throughout TripAdvisor to identify potential related person transactions prior to execution. In addition, we take the following steps with regard to related person transactions:

- On an annual basis, each director, director nominee and executive officer of TripAdvisor completes a Director and Officer Questionnaire that requires disclosure of any transaction, arrangement or relationship with us during the last fiscal year in which the director or executive officer, or any member of his or her immediate family, had a direct or indirect material interest.
- Each director, director nominee and executive officer is expected to promptly notify our legal department of any direct or indirect interest that such person or an immediate family member of such person had, has or may have in a transaction in which we participate.
- TripAdvisor monitors its accounts payable, accounts receivable and other databases to identify any other potential related person transactions that may require disclosure.
- Any reported transaction that our legal department determines may qualify as a related person transaction is referred to the Audit Committee.

If any related person transaction is not approved, the Audit Committee may take such action as it may deem necessary or desirable in the best interests of TripAdvisor and our stockholders.

Related Person Transactions

Relationship between Expedia and TripAdvisor

Upon consummation of the Spin-Off, Expedia was considered a related party under GAAP based on a number of factors, including, among others, common ownership of our shares and those of Expedia. However, we no longer consider Expedia a related party. For purposes of governing certain of the ongoing relationships between us and Expedia at and after the Spin-Off, and to provide for an orderly transition, we and Expedia entered into various agreements at the time of the Spin-Off, under which TripAdvisor has satisfied its obligations. However, TripAdvisor continues to be subject to certain post-spin obligations under the Tax Sharing Agreement between TripAdvisor and Expedia.

Under the Tax Sharing Agreement, we are generally required to indemnify Expedia for any taxes resulting from the Spin-Off (and any related interest, penalties, legal and professional fees, and all costs and damages associated with related stockholder litigation or controversies) to the extent such amounts resulted from (i) any act or failure to act by us described in the covenants in the Tax Sharing Agreement, (ii) any acquisition of our equity

securities or assets or those of a member of our group, or (iii) any failure of the representations with respect to us or any member of our group to be true or any breach by us or any member of our group of any covenant, in each case, which is contained in the separation documents or in the documents relating to the IRS private letter ruling and/or the opinion of counsel. Refer to “Note 10 – Income Taxes” in the Company’s Annual Report on Form 10-K for information regarding the status of completed and ongoing IRS audits of our consolidated income tax returns with Expedia.

Relationship among Liberty, LTRIP and TripAdvisor

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty was transferred to LTRIP. Simultaneously, Liberty, LTRIP’s former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty’s entire equity interest in LTRIP. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty’s interest in TripAdvisor was held by LTRIP.

As a result of these transactions, as of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 14.1% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock. Assuming the conversion of all of LTRIP’s shares of Class B common stock into common stock, LTRIP would beneficially own 21.9% of the outstanding common stock (calculated in accordance with Rule 13d-3). Because each share of Class B common stock is generally entitled to ten votes per share and each share of common stock is entitled to one vote per share, LTRIP may be deemed to beneficially own equity securities representing approximately 57.0% of our voting power. As a result, LTRIP is effectively able to control the outcome of all matters submitted to a vote or for the consent of TripAdvisor’s stockholders (other than with respect to the election by the holders of TripAdvisor common stock of 25% of the members of TripAdvisor’s Board of Directors and matters as to which Delaware law requires a separate class vote).
