

TripAdvisor Exceeds 200K Vacation Rental Property Listings with Global Partnerships

World's Largest Travel Site Partners with Interhome, Stayz, Toprural and AKENA Technologies to Offer Even More Rental Property Choices and Reviews to Travelers Worldwide

HOLLYWOOD, Fla., Nov. 16, 2011 /PRNewswire/ -- PhoCusWright Conference -- [TripAdvisor®](#), the world's largest travel site*, today announces that it will exceed 200,000 vacation rental property listings following partnership deals with several leading vacation rental websites around the globe, including [Interhome](#), [Stayz](#), [Toprural](#) and [AKENA Technologies](#) (which operates MediaVacances.com). TripAdvisor's aim is to offer travelers a worldwide list of properties, selected by locals with candid reviews. These partnerships expand TripAdvisor's inventory, and add to the premier FlipKey and Holiday Lettings listings presently available on the website.

TripAdvisor vacation rental partners gain visibility in front of TripAdvisor's more than 50 million unique monthly visitors*. As part of these partnerships, travelers will be able to make a comprehensive search across inventory from other websites in a single display on TripAdvisor and gain the assurance of traveler reviews when they are planning their vacations.

"We are thrilled to partner with these leading vacation rental sites, as each brings exceptional properties and a tremendous amount of local market expertise to the TripAdvisor community. Our goal is to offer travelers the best listings from partners who know the locations best," said Christine Petersen, president of TripAdvisor for Business. "Our partnership with these global brands demonstrates our belief and commitment to vacation rentals as an important accommodation option for travelers, and we're looking to partner with elite vacation rental companies worldwide with the aim of enhancing the traveler experience."

"The partnership Interhome has formed with TripAdvisor helps travelers around the world discover and stay at the finest apartments and villas our site has to offer," said Simon Lehmann, CEO of Interhome AG. "We have excellent property listings and we're pleased to gain incredible exposure through TripAdvisor."

TripAdvisor has formed vacation rental inventory partnerships with the following companies:

Interhome: Based in Switzerland, Interhome is a leading provider of quality holiday apartments and villas in Europe.

The Stayz Group: The Stayz Group is the market leader in holiday rentals in Australia. With more than 40,000 properties to choose from, the brands within the Stayz Group portfolio provide travelers with a convenient way to search and book the largest selection of holiday rental accommodation in Australia, with properties in over 1,200 locations Australia-wide

Toprural: Based in Spain, Toprural is a leading rural accommodation search engine, whose goal is to promote rural tourism in Europe.

AKENA Technologies: Based in France, AKENA Technologies operates C2C vacation rental websites in major European countries.

In the coming months, inventory from each of these partners is expected to begin rolling out on TripAdvisor's English-language domains, as well as on its Spain domain. As part of these partnerships, every property detail page will display the respective partners' brands. About Interhome

Switzerland-based Interhome specializes in the rental of more than 32,000 quality holiday apartments, homes and chalets in 29 countries worldwide. In 2010, the company welcomed 560,000 holiday guests and recorded a net yield of CHF 206.9 million. Interhome is headquartered in Glattbrugg/Zurich and is a 100% subsidiary of Hotelplan Holding. In turn, Hotelplan Holding is a 100% subsidiary of Migros, Switzerland's largest retail supermarket chain, based in Zurich.

About the Stayz Group

- The Stayz Group is the number 1 holiday rental group in Australia, with over 40,000 property listings from over 1,400 locations throughout Australia
- The Stayz Group is visited by over 1 million unique browsers per month (* Nielsen Market Intelligence, October 2011)

- The Stayz Group has over 800,000 subscribers to the Stayz, TakeABreak and rentahome e-newsletters
- The Stayz Group offers Australian property owners an opportunity to list their rental properties online and make the most of their investment

About Toprural

The company was founded in July 2000 by founder and CEO, Francois Derbaix. Currently, Toprural has the largest rural accommodation offering in Europe and is the leading rural tourism site in Spain, where it brings together more than the 60% of the total supply of rural accommodations. Toprural receives 1.5 million visitors monthly and has a very proactive community of travelers that share their experiences in rural tourism (more than 200,000 reviews). The company offers over 50,000 rural accommodations in 10 European countries.

About AKENA technologies

AKENA Technologies, based in France, is one of Europe's leading owner direct vacation rental marketplaces, with multiple national websites, such as MediaVacances.com (France), MediaVacanze.com (Italy), MediaVacaciones.com (Spain), MediaVakanties.com (Netherlands) and MediaFerias.com (Portugal). The company places great emphasis on accommodation quality control based on renter reviews. It offers owners a high ROI, thanks to the large number of enquiries and low subscription fee.

AKENA Technologies operates additional websites, which give owners' listings even greater exposure. VillascOpic.com is a revolutionary concept that allows visitors to explore and discover a destination using 3D bird's-eye view technologies, before booking a conveniently located vacation rental. Ski websites such as Winter-Sports.com (UK), Sports-Hiver.com (France), Sport-Invernali.com (Italy) and Esquiland.com (Spain) generate strong ski accommodation demand, thanks to their high quality and relevant skiing and ski resort-dedicated content.
