PROCEDURAL MATTERS

This Proxy Statement is being furnished to holders of common stock and Class B common stock of TripAdvisor, Inc., a Delaware corporation, in connection with the solicitation of proxies by TripAdvisor's Board of Directors for use at its 2015 Annual Meeting of Stockholders or any adjournment or postponement thereof (the "Annual Meeting"). All references to "TripAdvisor," the "Company," "we," "our" or "us" in this Proxy Statement are to TripAdvisor, Inc. An Annual Report to Stockholders, containing financial statements for the year ended December 31, 2014, and this Proxy Statement are being made available to all stockholders entitled to vote at the Annual Meeting.

TripAdvisor's principal executive offices are currently located at 141 Needham Street, Newton, Massachusetts 02464. This Proxy Statement is being made available to TripAdvisor stockholders on or about April 28, 2015.

Date, Time and Place of Meeting

The Annual Meeting will be held on Thursday, June 18, 2015, at 1:30 p.m. local time at the offices of Goodwin Procter LLP, 53 State Street, Boston, MA 02109.

Only stockholders and persons holding proxies from stockholders may attend the Annual Meeting. If your shares are registered in your name, you must bring a form of identification to the Annual Meeting. If your shares are held in the name of a broker, trust, bank or other nominee, otherwise known as holding in "street name," you must bring a proxy or letter from that broker, trust, bank or other nominee that confirms you are the beneficial owner of those shares. Cameras and recording devices will not be permitted at the Annual Meeting.

Record Date and Voting Rights

The Board of Directors established the close of business on April 20, 2015 as the record date for determining the holders of TripAdvisor common stock entitled to notice of and to vote at the Annual Meeting. On the record date, 130,707,574 shares of common stock and 12,799,999 shares of Class B common stock were outstanding and entitled to vote at the Annual Meeting. TripAdvisor stockholders are entitled to one vote for each share of common stock and ten votes for each share of Class B common stock held as of the record date, voting together as a single voting group, in (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm, and (iii) the advisory resolution to approve the compensation of our named executive officers. TripAdvisor stockholders are entitled to one vote for each share of common stock held as of the record date in the election of the three director nominees that the holders of TripAdvisor common stock are entitled to elect as a separate class pursuant to TripAdvisor's restated certificate of incorporation.

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty Interactive Corporation ("Liberty") was transferred to Liberty TripAdvisor Holdings, Inc. ("LTRIP"). Simultaneously, Liberty, LTRIP's former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty's entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty's interest in TripAdvisor was held by LTRIP. Liberty also assigned to LTRIP the rights and obligations under the Governance Agreement between TripAdvisor and Liberty, dated December 20, 2011 (the "Governance Agreement").

As a result of these transactions, as of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 13.9% of the outstanding shares of common stock and 100% of the outstanding shares of Class B Common Stock. Assuming the conversion of all of the LTRIP's shares of Class B common stock into common stock, as of the record date LTRIP would beneficially own 21.6% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, as of the record date LTRIP may be deemed to beneficially own equity securities representing approximately 56.5% of our voting power. As a result, regardless of the vote of any other TripAdvisor stockholder, LTRIP has control over the vote relating to (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm, and (iii) the approval, on an advisory basis, of the compensation of our named executive officers.

Quorum; Abstentions; Broker Non-Votes

Transaction of business at the Annual Meeting may occur if a quorum is present. If a quorum is not present, it is expected that the Annual Meeting will be adjourned or postponed in order to permit additional time for soliciting and obtaining additional proxies or

votes, and, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn.

With respect to (i) the election of six of the nine director nominees, (ii) the ratification of the appointment of KPMG LLP as TripAdvisor's independent registered public accounting firm, and (iii) the approval, on an advisory basis, of the compensation of our named executive officers, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the total votes entitled to be cast constitutes a quorum. For the election of the three directors whom the holders of TripAdvisor common stock are entitled to elect as a separate class, the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of shares of common stock constitutes a quorum.

If a share is represented for any purpose at the meeting, it is deemed to be present for quorum purposes and for all other matters as well. Shares of TripAdvisor capital stock represented by a properly executed proxy will be treated as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining.

Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote the shares on a proposal because the nominee does not have discretionary voting power for a particular item and has not received instructions from the beneficial owner regarding voting. Brokers who hold shares for the accounts of their clients have discretionary authority to vote shares if specific instructions are not given with respect to the ratification of the appointment of our independent registered public accounting firm. Brokers do not have discretionary authority to vote on (i) the election of our directors or (ii) the advisory resolution to approve the compensation of our named executive officers, so we encourage you to provide instructions to your broker regarding the voting of your shares.

Solicitation of Proxies

TripAdvisor will bear the cost of the solicitation of proxies from its stockholders. In addition to solicitation by mail, the directors, officers and employees of TripAdvisor, without additional compensation, may solicit proxies from stockholders by telephone, by letter, by facsimile, in person or otherwise. Following the original mailing of the proxies and other soliciting materials, TripAdvisor will ask brokers, trusts, banks or other nominees to forward copies of the proxy and other soliciting materials to persons for whom they hold shares of TripAdvisor capital stock and to request authority for the exercise of proxies. In such cases, TripAdvisor, upon the request of the brokers, trusts, banks and other stockholder nominees, will reimburse such holders for their reasonable expenses.

Voting of Proxies

The manner in which your shares may be voted depends on whether you are a:

- *Registered stockholder:* Your shares are represented by certificates or book entries in your name on the records of the TripAdvisor's stock transfer agent and you have the right to vote those shares directly; or
- *Beneficial stockholder:* You hold your shares "in street name" through a broker, trust, bank or other nominee and you have the right to direct your broker, trust, bank or other nominee on how to vote the shares in your account; however, you must request and receive a valid proxy from your broker, trust, bank or other nominee.

Whether you hold shares directly as a registered stockholder or beneficially as a beneficial stockholder, you may direct how your shares are voted without attending the Annual Meeting. For directions on how to vote, please refer to the instructions below and those on the Notice of Internet Availability of Proxy Materials, proxy card or voting instruction form provided. To vote using the Internet or by telephone, you will be required to enter the control number included on your Notice of Internet Availability of Proxy Materials or other voting instruction form provided by your broker, trust, bank or other nominee.

- *Using the Internet.* Registered stockholders may vote using the Internet by going to www.proxyvote.com and following the instructions. Beneficial stockholders may vote by accessing the website specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.
- *By Telephone.* Registered stockholders may vote, from within the United States, using any touch-tone telephone by calling 1-800-690-6903 and following the recorded instructions. Beneficial owners may vote, from within the United

States, using any touch-tone telephone by calling the number specified on the voting instruction forms provided by their brokers, trusts, banks or other nominees.

- *By Mail.* Registered stockholders may submit proxies by mail by requesting printed proxy cards and marking, signing and dating the printed proxy cards and mailing them in the accompanying pre-addressed envelopes. Beneficial owners may vote by marking, signing and dating the voting instruction forms provided by their brokers, trusts, banks or other nominees and mailing them in the accompanying pre-addressed envelopes.

All proxies properly submitted and not revoked will be voted at the Annual Meeting in accordance with the instructions indicated thereon. If no instructions are provided, such proxies will be voted FOR proposals (1) through (3) described in this Proxy Statement.

TripAdvisor is incorporated under Delaware law, which specifically permits electronically transmitted proxies, provided that each such proxy contains, or is submitted with, information from which the inspector of elections can determine that such proxy was authorized by the stockholder. The electronic voting procedures provided for the Annual Meeting are designed to authenticate each stockholder by use of a control number, to allow stockholders to vote their shares and to confirm that their instructions have been properly recorded.

Voting in Person at the Annual Meeting

You may also vote in person at the Annual Meeting. Votes in person will replace any previous votes you have made by mail, telephone or the Internet. We will provide a ballot to registered stockholders who request one at the meeting. Shares held in your name as the stockholder of record may be voted on that ballot. Shares held beneficially in street name may be voted on a ballot only if you bring a legal proxy from the broker, trust, bank or other nominee that holds your shares giving you the right to vote the shares. Attendance at the Annual Meeting without voting or revoking a previous proxy in accordance with the voting procedures will not in and of itself revoke a proxy.

Your vote is very important. Whether or not you plan to attend the Annual Meeting, please take the time to vote via the Internet, by telephone or by returning your marked, signed and dated proxy card so that your shares will be represented at the Annual Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Annual Meeting.

If you are a beneficial stockholder, you may revoke your proxy or change your vote only by following the separate instructions provided by your broker, trust, bank or other nominee.

If you are a registered stockholder, you may revoke your proxy at any time before it is exercised at the Annual Meeting by (i) delivering written notice, bearing a date later than the proxy, stating that the proxy is revoked, (ii) submitting a later-dated proxy relating to the same stock by mail, telephone or the Internet prior to the vote at the Annual Meeting or (iii) attending the Annual Meeting and properly giving notice of revocation to the inspector of elections or voting in person. Registered holders may send any written notice or request for a new proxy card to TripAdvisor, Inc., c/o Broadridge, 51 Mercedes Way, Edgewood, New York 11717, or follow the instructions provided on the Notice of Internet Availability of Proxy Materials and proxy card to submit a new proxy by telephone or via the Internet. Registered holders may also request a new proxy card by calling 1-800-579-1639.

Other Business

The Board of Directors does not presently intend to bring any business before the Annual Meeting other than the proposals discussed in this Proxy Statement and specified in the Notice of Annual Meeting of Stockholders. The Board of Directors has no knowledge of any other matters to be presented at the Annual Meeting other than those described in this Proxy Statement. If any other matters should properly come before the Annual Meeting, the persons designated in the proxy will vote on them according to their best judgment.

**PROPOSAL 1:
ELECTION OF DIRECTORS**

Nominees

Our Board of Directors currently consists of nine members. Pursuant to the terms of TripAdvisor's bylaws, each director serves for a one-year term from the date of his or her election and until such director's successor is elected or until such director's earlier resignation or removal. The Board of Directors has nominated the following directors and recommends that each be elected to serve a one-year term and until such director's successor shall have been duly elected and qualified or until such director's earlier resignation or removal:

Gregory B. Maffei
Stephen Kaufer
Jonathan F. Miller
Dipchand (Deep) Nishar
Jeremy Philips
Spencer M. Rascoff
Christopher W. Shean
Sukhinder Singh Cassidy
Robert S. Wiesenthal

TripAdvisor's restated certificate of incorporation provides that the holders of TripAdvisor common stock, acting as a single class, are entitled to elect a number of directors equal to 25% of the total number of directors, rounded up to the next whole number, which is currently three directors. The Board has designated Messrs. Miller, Philips and Wiesenthal as nominees for the positions on the Board to be elected by the holders of TripAdvisor common stock voting as a separate class.

Pursuant to the Governance Agreement, LTRIP has the right to nominate up to a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board of Directors is not an even multiple of five) for election to the Board of Directors and has certain other rights regarding committee participation, so long as certain stock ownership requirements applicable to LTRIP are satisfied. LTRIP has designated Messrs. Maffei and Shean as its nominees to the Board of Directors.

Although management does not anticipate that any of the nominees named above will be unable or unwilling to stand for election, in the event of such an occurrence, proxies may be voted for a substitute nominee designated by the Board of Directors.

Required Vote

Election of Ms. Singh Cassidy and Messrs. Maffei, Kaufer, Nishar, Rascoff and Shean as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock and Class B common stock, present in person or represented by proxy, voting together as a single class.

Election of Messrs. Miller, Philips and Wiesenthal as directors requires the affirmative vote of a plurality of the total number of votes cast by the holders of shares of TripAdvisor common stock, present in person or represented by proxy, voting together as a separate class.

Valid proxies received pursuant to this solicitation will be voted in the manner specified. Where no specification is made, it is intended that the proxies received from stockholders will be voted FOR the election of the director nominees identified. For the election of the directors, abstentions and broker non-votes will have no effect because approval by a certain percentage of voting stock present or outstanding is not required.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR NAMED ABOVE.

Directors and Executive Officers

Set forth below is certain background information, as of April 24, 2015, regarding the members of our Board of Directors, each of whom is also a nominee, as well as TripAdvisor's executive officers. There are no family relationships among directors or

executive officers of TripAdvisor. In addition to the information presented below regarding each nominee’s specific experience, qualifications, attributes and skills that led the Board of Directors to the conclusion that he or she should be renominated as a director, each nominee has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment to TripAdvisor and our Board of Directors as demonstrated by the nominee’s past service. All of our nominees also have extensive management experience in complex organizations. The Board of Directors considered the NASDAQ requirement that TripAdvisor’s Audit Committee be composed of at least three independent directors, as well as specific NASDAQ and U.S. Securities and Exchange Commission (“SEC”) requirements regarding financial literacy and expertise.

Board of Directors

Director Independence

Under the NASDAQ Stock Market Listing Rules (the “NASDAQ Rules”), the Board has a responsibility to make an affirmative determination that those members of the Board who serve as independent directors do not have any relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In connection with the independence determinations described below, the Board reviewed information regarding transactions, relationships and arrangements relevant to independence, including those required by the NASDAQ Rules. This information is obtained from director responses to questionnaires circulated by management, as well as our records and publicly available information. Following this determination, management monitors those transactions, relationships and arrangements that were relevant to such determination, as well as solicits updated information potentially relevant to independence from internal personnel and directors, to determine whether there have been any developments that could potentially have an adverse impact on the Board’s prior independence determination.

The Board of Directors has determined that each of Ms. Singh Cassidy and Messrs. Miller, Nishar, Philips, Rascoff and Wiesenthal is an “independent director” as defined by the NASDAQ Rules. In making its independence determinations, the Board of Directors considered the applicable legal standards and any relevant transactions, relationships or arrangements. In addition to the satisfaction of the director independence requirements set forth in the NASDAQ Rules, members of the Audit Committee and Compensation Committee have also satisfied separate independence requirements under the current standards imposed by the SEC and the NASDAQ Rules for audit committee members and by the SEC, NASDAQ Rules and the Internal Revenue Service for compensation committee members.

Controlled Company Status

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty was transferred to LTRIP. Simultaneously, Liberty, LTRIP’s former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty’s entire equity interest in LTRIP. We refer to this transaction as the Liberty Spin-Off. As a result of the Liberty Spin-Off, effective August 27, 2014, LTRIP became a separate, publicly traded company and 100% of Liberty’s interest in TripAdvisor was held by LTRIP.

As of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 13.9% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock, respectively. Assuming the conversion of all of LTRIP’s shares of Class B common stock into common stock, LTRIP would beneficially own 21.6% of the outstanding common stock. Because each share of Class B common stock generally is entitled to ten votes per share and each share of common stock is entitled to one vote per share, LTRIP may be deemed to beneficially own equity securities representing approximately 56.5% of our voting power. LTRIP has filed a Statement of Beneficial Ownership on Schedule 13D with respect to its TripAdvisor holdings and related voting arrangements with the SEC.

The NASDAQ Rules exempt “controlled companies,” or companies of which more than 50% of the voting power is held by an individual, a group or another company, such as TripAdvisor, from certain governance requirements under the NASDAQ Rules, including, among other items, the requirement that our Board of Directors be comprised of a majority of independent directors. On this basis, TripAdvisor is relying on the exemption for controlled companies from certain requirements under the NASDAQ Rules, including, among others, the requirement that the Compensation Committee be composed solely of independent directors and certain requirements relating to the nomination of directors. We may, in the future, rely on other exemptions available to a controlled company, including, among others, the requirement that a majority of the Board of Directors be composed of independent directors.

Board Leadership Structure

Mr. Maffei serves as the Chairman of the Board of Directors, and Mr. Kaufer serves as President and Chief Executive Officer of TripAdvisor. The roles of Chief Executive Officer and Chairman of the Board of Directors are currently separated in recognition of the differences between the two roles. This leadership structure provides us with the benefit of Mr. Maffei’s oversight of TripAdvisor’s strategic goals and vision, coupled with the benefit of a full-time Chief Executive Officer dedicated to focusing on the day-to-day management and continued growth of TripAdvisor and its operating businesses. We believe that it is in the best interests of our stockholders for the Board of Directors to make a determination regarding the separation or combination of these roles each time it elects a new Chairman or Chief Executive Officer based on the relevant facts and circumstances applicable at such time.

Independent members of the Board of Directors chair our Audit Committee, Compensation Committee and Section 16 Committee.

Meeting Attendance

The Board of Directors met eight times in 2014. During such period, each member of the Board of Directors attended at least 75% of the meetings of the Board and the Board committees on which they served. The independent directors meet in regularly scheduled sessions, typically before or after each Board meeting, without the presence of management. We do not have a lead independent director or any other formally appointed leader for these sessions. Directors are encouraged but not required to attend annual meetings of TripAdvisor stockholders. All of the incumbent directors who were directors at the time have historically attended the annual meetings of stockholders.

Committees of the Board of Directors

The Board of Directors has the following standing committees: the Audit Committee, the Compensation Committee, the Section 16 Committee and the Executive Committee. The Audit, Compensation and Section 16 Committees operate under written charters adopted by the Board of Directors. These charters are available in the “Corporate Governance” section of the Investor Relations page of TripAdvisor’s corporate website at ir.tripadvisor.com. At each regularly scheduled Board meeting, the Chairperson of each committee provides the full Board of Directors with an update of all significant matters discussed, reviewed, considered and/or approved by the relevant committee since the last regularly scheduled Board meeting. The independent membership of our Audit, Compensation and Section 16 Committees ensures that directors with no ties to Company management are charged with oversight for all financial reporting and executive compensation related decisions made by Company management.

The following table sets forth the current members of each committee of the Board of Directors.

| Name | Audit Committee | Compensation Committee | Section 16 Committee | Executive Committee |

* Independent director

Audit Committee. The Audit Committee of the Board of Directors currently consists of three directors: Messrs. Miller, Rascoff and Wiesenthal. Mr. Wiesenthal is the Chairman of the Audit Committee. Each Audit Committee member satisfies the independence requirements under the current standards imposed by the rules of the SEC and NASDAQ. The Board has determined that each of Messrs. Wiesenthal and Rascoff is an “audit committee financial expert,” as such term is defined in the regulations promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

The Audit Committee is appointed by the Board of Directors to assist the Board with a variety of matters discussed in detail in the Audit Committee charter, including monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. The Audit Committee met six times in 2014. The formal report of the Audit Committee with respect to the year ended December 31, 2014 is set forth in the section below titled “Audit Committee Report.”

Compensation Committee. The Compensation Committee consists of Ms. Singh Cassidy and Messrs. Philips and Maffei. Ms. Singh Cassidy is the Chairperson of the Compensation Committee. Each member of the Compensation Committee is an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”). With the exception of Mr. Maffei, each member is an “independent director” as defined by the NASDAQ Rules. No member of the Compensation Committee is an employee of TripAdvisor.

The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (which are handled by the Section 16 Committee described below). A description of our policies and practices for the consideration and determination of executive compensation is included in the section below titled “Compensation Discussion and Analysis.” The Compensation Committee met three times in 2014.

Section 16 Committee. The Section 16 Committee consists of Ms. Singh Cassidy and Mr. Philips. Ms. Singh Cassidy is the Chairperson of the Section 16 Committee. Each member is an “independent director” as defined by the NASDAQ Rules and satisfies the definition of “non-employee director” for purposes of Section 16 of the Exchange Act.

The Section 16 Committee is authorized to exercise all powers of the Board of Directors with respect to matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to TripAdvisor’s executive officers. The Section 16 Committee met three times in 2014.

In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee collectively as the “Compensation Committees.”

Executive Committee. The Executive Committee consists of Messrs. Kaufer, Maffei and Shean. The Executive Committee has the powers and authority of the Board of Directors, except for those matters that are specifically reserved to the Board of Directors under Delaware law or our organizational documents. The Executive Committee primarily serves as a means to address issues that may arise and require Board approval between regularly scheduled Board meetings. Following are some examples of matters that could be handled by the Executive Committee: (i) oversight and implementation of matters approved by the Board of Directors, (ii) administrative matters with respect to benefit plans, transfer agent matters, banking authority, formation of subsidiaries and other administrative items involving subsidiaries and determinations or findings under TripAdvisor’s financing arrangements and (iii) in the case of a natural disaster or other emergency as a result of which a quorum of the Board of Directors cannot readily be convened for action, directing the management of the business and affairs of TripAdvisor during such emergency or natural disaster. The Executive Committee did not meet in 2014.

Risk Oversight

Assessing and managing risk is the responsibility of TripAdvisor’s management. Our Board of Directors oversees and reviews certain aspects of our risk management efforts. Our Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. The President and Chief Executive Officer, the Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Treasurer and the Senior Vice President, General Counsel and Secretary attend Board meetings and discuss operational risks with the Board. Management also provides reports and presentations on strategic risks to the Board. Among other areas, the Board is involved, directly or through its committees, in overseeing risks related to our overall corporate strategy, business continuity, crisis preparedness and competitive and reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has primary responsibility for discussing with management TripAdvisor's major financial risks and the steps management has taken to monitor and control such risks. In fulfilling its responsibilities, the Audit Committee receives regular reports from, among others, the Chief Financial Officer, General Counsel, the Vice President of Tax and the Corporate Controller as well as from representatives of internal audit, the company's compliance committee and our auditors. The Audit Committee makes regular reports to the Board of Directors. In addition, TripAdvisor has, under the supervision of the Audit Committee, established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to our senior management and the Audit Committee.
- The Compensation Committee considers and evaluates risks related to our cash and equity-based compensation programs, policies and practices and evaluates whether our compensation programs encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on TripAdvisor or our business. Consistent with SEC disclosure requirements, the Compensation Committee working with management has assessed the compensation policies and practices for our employees, including our executive officers, and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on TripAdvisor.

Ultimately, though, management is responsible for the day-to-day risk management process, including identification of key risks and implementation of policies and procedures to manage, mitigate and monitor risks. In fulfilling these duties, management conducted an enterprise and internal audit risk assessment and will use the results of that assessment in its risk management efforts. In addition, management has formed a Compliance Committee in connection with the implementation, management and oversight of a corporate compliance program to promote operational excellence throughout the entire organization in adherence with all legal and regulatory requirements and with the highest ethical standards

Director Nominations

Given the ownership structure of TripAdvisor and our status as a "controlled company," the Board of Directors does not have a nominating committee or other committee performing similar functions or any formal policy on director nominations. The Board of Directors does not have specific requirements for eligibility to serve as a director of TripAdvisor, nor does it have a specific policy on diversity; however, the Board of Directors does consider, among other things, diversity when considering nominees to serve on our Board of Directors. We broadly construe diversity to mean diversity of opinions, perspectives, and personal and professional experiences and backgrounds, such as gender, race and ethnicity, as well as other differentiating characteristics. In evaluating candidates, regardless of how recommended, the Board of Directors considers whether the professional and personal ethics and values of the candidate are consistent with those of TripAdvisor, whether the candidate's experience and expertise would be beneficial to the Board in rendering service to TripAdvisor, including in providing a mix of Board members that represent a diversity of backgrounds, perspectives and opinions, whether the candidate is willing and able to devote the necessary time and energy to the work of the Board of Directors, and whether the candidate is prepared and qualified to represent the best interests of TripAdvisor's stockholders.

Pursuant to the Governance Agreement, LTRIP has the right to nominate a number of directors equal to 20% of the total number of the directors on the Board of Directors (rounded up to the next whole number if the number of directors on the Board is not an even multiple of five) for election to the Board of Directors so long as certain stock ownership requirements are satisfied. LTRIP has nominated Messrs. Maffei and Shean as nominees for 2015. The other nominees to the Board of Directors were recommended by the Chairman and then were considered and recommended by the entire Board of Directors.

The Board of Directors does not have a formal policy regarding the consideration of director candidates recommended by stockholders, as historically TripAdvisor has not received such recommendations. However, the Board of Directors would consider such recommendations if made in the future. Stockholders who wish to make such a recommendation should send the recommendation to TripAdvisor, Inc., 141 Needham Street, Newton, Massachusetts 02464, Attention: Secretary. The envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a stockholder, provide a brief summary of the candidate's qualifications and history and be accompanied by evidence of the sender's stock ownership, as well as consent by the candidate to serve as a director if elected. Any director candidate recommendations will be reviewed by the Secretary and, if deemed appropriate, forwarded to the Chairman for further review. If the Chairman believes that the candidate fits the profile of a director nominee as described above, the recommendation will be shared with the entire Board of Directors.

Communications with the Board

Stockholders who wish to communicate with the Board of Directors or a particular director may send such communication to TripAdvisor, Inc., 141 Needham Street, Newton, Massachusetts 02464, Attention: Secretary. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Stockholder-Board Communication” or “Stockholder-Director Communication.” All such letters must identify the author as a stockholder, provide evidence of the sender’s stock ownership and clearly state whether the intended recipients are all members of the Board of Directors or certain specified directors. The Secretary will then review such correspondence and forward it to the Board of Directors, or to the specified director(s), if deemed appropriate. Communications that are primarily commercial in nature, that are not relevant to stockholders or other interested constituents or that relate to improper or irrelevant topics will generally not be forwarded to the Board of Directors or to the specified director(s).

**PROPOSAL 2:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Overview

KPMG LLP (“KPMG”) was TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014. The Audit Committee of the Board of Directors has also appointed KPMG as TripAdvisor’s independent registered public accounting firm for the year ending December 31, 2015.

In February 2014, the Audit Committee of the Board of Directors determined it to be in the best interest of TripAdvisor to select KPMG to replace Ernst & Young LLP (“E&Y”) as TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014.

On February 6, 2014, the Audit Committee determined to dismiss E&Y as TripAdvisor’s independent registered public accounting firm effective immediately upon TripAdvisor’s filing of its Annual Report on Form 10-K for the year ended December 31, 2013 (the “Annual Report”). The Annual Report was filed with the SEC on February 11, 2014. The reports of E&Y on TripAdvisor’s consolidated financial statements as of and for the years ended December 31, 2013 and 2012 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2013 and 2012, and through February 11, 2014, there were no: (i) disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to E&Y’s satisfaction, would have caused E&Y to make reference to the subject matter thereof in connection with its reports for such years; or (ii) reportable events, as described under Item 304(a)(1)(v) of Regulation S-K. TripAdvisor provided E&Y with a copy of the disclosures it expected to make in the Current Report on Form 8-K and requested from E&Y a letter addressed to the SEC indicating whether or not it agrees with the above disclosures. A copy of E&Y’s letter dated February 11, 2014 is attached as Exhibit 16.1 to TripAdvisor’s Current Report on Form 8-K filed on February 11, 2014.

Contemporaneous with the determination to dismiss E&Y, the Audit Committee appointed KPMG as TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014, also to be effective immediately following the filing of TripAdvisor’s Annual Report. During the years ended December 31, 2013 and 2012 and the subsequent interim period through February 11, 2014, TripAdvisor did not consult with KPMG with respect to (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to TripAdvisor’s financial statements, and no written report or oral advice was provided to TripAdvisor that KPMG concluded was an important factor considered by TripAdvisor in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter that was subject to any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions thereto, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The Audit Committee is directly responsible for the appointment, compensation and oversight of the audit work of the independent registered public accounting firm. If the stockholders fail to vote to ratify the appointment of KPMG, the Audit Committee will reconsider whether to retain KPMG and may retain that firm or another firm without resubmitting the matter to our stockholders. Even if stockholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of TripAdvisor and our stockholders.

A representative of KPMG is expected to be present at the Annual Meeting, and will be given an opportunity to make a statement if he or she so chooses and will be available to respond to appropriate questions.

Required Vote

At the Annual Meeting, we will ask our stockholders to ratify the appointment of KPMG as our independent registered public accounting firm for 2015. This proposal requires the affirmative vote of a majority of the voting power of our shares, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class. Abstentions will be counted toward the tabulations of voting power present and entitled to vote on the ratification of the independent registered public accounting firm proposal and will have the same effect as votes against the proposal. Brokers have discretion to vote on the proposal for ratification of the independent registered public accounting firm.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS TRIPADVISOR’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2015.

Fees Paid to Our Independent Registered Public Accounting Firm

KPMG was TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2014. E&Y was TripAdvisor’s independent registered public accounting firm for the year ended December 31, 2013. The following table sets forth aggregate fees for professional services rendered by KPMG and E&Y for the years ended December 31, 2014 and 2013, respectively.

| | 2014 | 2013 |
|---------------|--------------|--------------|
| Audit Fees(1) | \$ 1,352,635 | \$ 1,479,583 |
| Tax Fees(2) | — | 3,150 |
| Other Fees | 2,550 | 1,995 |
| Total Fees | \$ 1,355,185 | \$ 1,484,728 |

- (1) Audit Fees include fees and expenses associated with the annual audit of our consolidated financial statements, statutory audits, review of our periodic reports, accounting consultations, review of SEC registration statements, report on the effectiveness of internal control and consents and other services related to SEC matters.
- (2) Tax Fees include fees and expenses for quarterly tax compliance services outside of the U.S.

Audit and Non-Audit Services Pre-Approval Policy

The Audit Committee has responsibility for appointing, setting compensation of and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has adopted a policy governing the pre-approval of all audit and permitted non-audit services performed by TripAdvisor’s independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm’s independence from TripAdvisor and our management. Unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval from the Audit Committee, it requires specific pre-approval by the Audit Committee. The payment for any proposed services in excess of pre-approved cost levels requires specific pre-approval by the Audit Committee.

Pursuant to its pre-approval policy, the Audit Committee may delegate its authority to pre-approve services to one or more of its members, and it has currently delegated this authority to its Chairman, subject to a limit of \$250,000 per approval. The decisions of the Chairman (or any other member(s) to whom such authority may be delegated) to grant pre-approvals must be presented to the full Audit Committee at its next scheduled meeting. The Audit Committee may not delegate its responsibilities to pre-approve services to Company management.

All of the audit-related, tax and all other services provided to us by KPMG and E&Y in 2014 and 2013, respectively, were approved by the Audit Committee by means of specific pre-approvals or pursuant to the procedures contained in the Company’s pre-approval policy.

The Audit Committee has considered the non-audit services provided by KPMG and E&Y in 2014 and 2013, as described above, and believes that they are compatible with maintaining KPMG’s and E&Y’s independence in the conduct of their auditing functions.

**PROPOSAL 3:
ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS**

Overview

Stockholders are provided with an opportunity to cast an advisory vote on the compensation of our named executive officers, or NEOs. Our Board of Directors, with the Compensation Committee and senior management, are committed to designing an effective compensation program and values the views of our stockholders in this regard.

TripAdvisor's executive compensation program is designed to attract, retain and motivate highly skilled executives with the business experience and acumen that management and the Compensation Committees believe are necessary to achieve TripAdvisor's long-term business objectives. In addition, the executive compensation program is designed to reward short-term and long-term performance and to align the financial interests of executive officers with the interests of TripAdvisor's stockholders.

We are asking for stockholder approval, on an advisory basis, of the compensation of our named executive officers as disclosed in this Proxy Statement, which include the disclosures in the "Executive Compensation" and "Compensation Discussion and Analysis" sections, the compensation tables and the narrative discussion following the compensation tables in this Proxy Statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and practices described in this Proxy Statement.

This vote is advisory and therefore not binding on TripAdvisor, the Compensation Committees, or the Board of Directors. The Board of Directors and the Compensation Committees value the opinions of TripAdvisor's stockholders. To the extent there is any significant vote against our named executive officers' compensation as disclosed in this Proxy Statement, the Compensation Committees will consider the impact of such vote on its future compensation policies and decisions.

Our first (and most recent) advisory vote on the compensation of our named executive officers was held at our 2012 annual meeting of stockholders on June 26, 2012. At that meeting, stockholders representing over 99% of the votes cast on the "say-on-pay" proposal approved, on an advisory basis, the compensation of our named executive officers as disclosed in our proxy statement for our 2012 annual meeting. Also at this meeting, the frequency at which future advisory votes on executive compensation would be held of once every three years received the affirmative vote of a majority of the votes cast on the "say-on-frequency" proposal. As a result, we currently expect that the next advisory vote on the compensation of our named executive officers will be held in 2018.

Required Vote

At the Annual Meeting, we will ask our stockholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with SEC rules. This proposal requires the affirmative vote of a majority of the voting power of the shares of TripAdvisor capital stock, present in person or represented by proxy, and entitled to vote thereon, voting together as a single class.

Abstentions will be counted toward the tabulations of voting power present and entitled to vote on the TripAdvisor executive compensation proposal and will have the same effect as votes against the proposal. AUDIT COMMITTEE REPORT

Management has the primary responsibility for the financial statements, the reporting process and maintaining an effective system of internal control over financial reporting. TripAdvisor's independent registered public accounting firm is engaged to audit and express opinions on the conformity of our financial statements to generally accepted accounting principles and applicable rules and regulations, and the effectiveness of TripAdvisor's internal control over financial reporting.

The Audit Committee serves as a representative of the Board of Directors and assists the Board in monitoring (i) the integrity of our financial reporting process, (ii) the independent registered public accounting firm's qualifications and independence, (iii) the performance of the independent registered public accounting firm and our internal audit department, and (iv) our compliance with legal and regulatory requirements. In this context, the Audit Committee met six times in 2014 and took the following actions:

- appointed the independent registered public accounting firm, discussed with the auditors the overall scope and plans for the independent audit and pre-approved all audit and non-audit services to be performed by KPMG;
- reviewed and discussed with management and the auditors the audited consolidated financial statements for the year ended December 31, 2014, as well as our quarterly financial statements and interim financial information contained in each quarterly earnings announcement prior to public release;
- discussed with the auditors the matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees," as adopted by the Public Company Accounting Oversight Board ("PCAOB"), and received all written disclosures, including the letter from the auditors required pursuant to Rule 3526 of the PCAOB "Communication with Audit Committees Concerning Independence";
- discussed with the auditors its independence from TripAdvisor and TripAdvisor's management as well as considered whether the non-audit services provided by the auditors could impair its independence and concluded that such services would not;
- reviewed and discussed with management and the auditors our compliance with requirements of the Sarbanes-Oxley Act of 2002 with respect to internal control over financial reporting, together with management's assessment of the effectiveness of our internal control over financial reporting and the auditors' audit of internal control over financial reporting; and
- regularly met separately with KPMG, with and without management present, to discuss the results of their examinations, including the integrity, adequacy and effectiveness of the accounting and financial reporting processes and controls.

Relying on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014, and the Board approved such inclusion.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that TripAdvisor specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed filed under either the Securities Act or the Exchange Act.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

This Compensation Discussion and Analysis describes TripAdvisor's executive compensation program as it relates to our "named executive officers" as determined as of December 31, 2014 pursuant to SEC rules. As of December 31, 2014, our "named executive officers" were those individuals listed below. On April 2, 2015, Ms. Bradley informed us of her intention to resign from the Company.

| <u>Name</u> | <u>Position</u> |
|--------------------|--|
| Stephen Kaufer | President and Chief Executive Officer |
| Julie M.B. Bradley | Senior Vice President, Chief Financial Officer, Chief Accounting Officer and Treasurer |
| Seth J. Kalvert | Senior Vice President, General Counsel and Secretary |
| Dermot M. Halpin | President, Vacation Rentals |
| Barrie Seidenberg | Chief Executive Officer, Attractions |

The Board of Directors has a Compensation Committee and a Section 16 Committee that together have primary responsibility for establishing the compensation of our named executive officers. In this Proxy Statement, we refer to the Compensation Committee and Section 16 Committee jointly as the "Compensation Committees."

Executive Summary and 2014 Business Highlights

- We have a pay for performance philosophy that guides all aspects of our compensation decisions:
 - Annual salary increases are tied to individual performance and business performance over the previous fiscal year.
 - Annual incentive compensation is structured so that payouts are tied to the achievement of financial targets and require year over year improvement in revenue and share price.
 - Long-term incentive compensation is structured so that target equity award values are linked to individual and business performance, while realized values are tied to the Company's share price.
- The interests of our named executive officers are aligned with those of our stockholders through the granting of a substantial portion of compensation in equity awards with multi-year vesting requirements.
- Below are some highlights for our business and financial results for 2014:
 - TripAdvisor's travel community reached more than 315 million monthly unique visitors during the year ended December 31, 2014, including nearly 50% via mobile devices (tablet and smartphone). With approximately 11% of the world's monthly unique visitors in online travel at the end of 2014, we remain the largest travel website in the world.
 - TripAdvisor reached nearly 175 million mobile app downloads, up 110% year over year – including downloads of TripAdvisor, TripAdvisor City Guides, JetSetter, GateGuru and SeatGuru. Also, the core TripAdvisor app has been downloaded more than 155 million times and had its sixth straight fiscal quarter of greater than 100% growth.
 - TripAdvisor's total revenue increased by 32% over the prior year and Adjusted EBITDA increased by 23% over the prior year.
- TripAdvisor achieved 99% of its revenue plan and 98% of its EBITDA plan.

Fiscal 2014 was a solid year for TripAdvisor with the Company achieving record revenue, adjusted EBITDA and earnings per share and substantially achieving its annual operating plan, while at the same time consummating several strategic acquisitions as well as launching several important initiatives. As a result, the Company generally funded its annual cash bonus programs at approximately 96% of target.

Compensation Program Objectives

Our executive compensation program is designed to attract, motivate and retain highly skilled employees in executive positions with the business experience and acumen that management and the Compensation Committees believe are necessary for achievement of our long-term business objectives and to ensure that the compensation provided to these executives remains competitive with the compensation paid to similarly situated executives at comparable companies. The executive compensation program is also designed so that it does not encourage our named executive officers to take unreasonable risks relating to our business. In addition, the executive compensation program is designed to reward both short-term and long-term performance and to align the financial interests of our named executive officers with the interests of our stockholders.

Management and the Compensation Committees evaluate both performance and compensation levels to ensure that we maintain our ability to attract and retain outstanding employees in executive positions. To that end, management and the Compensation Committees believe the executive compensation packages provided by TripAdvisor to our named executive officers should include both cash and equity-based compensation.

Roles and Responsibilities

Role of the Compensation and Section 16 Committees

The Compensation Committee is appointed by the Board of Directors and consists entirely of directors who are “outside directors” for purposes of Section 162(m) of the Code. The Compensation Committee currently consists of Ms. Singh Cassidy and Messrs. Philips and Maffei, with Ms. Singh Cassidy acting as Chairperson of the Compensation Committee. The Compensation Committee is responsible for (i) designing and overseeing our compensation with respect to our executive officers, including salary matters, bonus plans and stock compensation plans and (ii) approving all grants of equity awards, but excluding matters governed by Rule 16b-3 under the Exchange Act (for which the Section 16 Committee has responsibility as described below). Notwithstanding the foregoing, the Compensation Committee has delegated to the Chief Executive Officer of the Company authority to grant certain types of equity awards, subject to certain limitations, to employees other than executive officers.

The Section 16 Committee is also appointed by the Board of Directors and consists entirely of directors who are “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. The Section 16 Committee currently consists of Ms. Singh Cassidy and Mr. Philips. The Section 16 Committee is responsible for administering and overseeing matters governed by Rule 16b-3 under the Exchange Act, including approving grants of equity awards to our named executive officers. Ms. Singh Cassidy is also the Chairperson of the Section 16 Committee.

Role of Executive Officers

Management participates in reviewing and refining our executive compensation program. Mr. Kaufer, our President and Chief Executive Officer, annually reviews the performance of TripAdvisor and each named executive officer with the Compensation Committees and makes recommendations with respect to the appropriate base salary, annual cash bonus and grants of equity awards for each named executive officer, other than in connection with compensation for himself. Based in part on these recommendations and the other factors discussed below, the Compensation Committees review and approve the annual compensation package of each named executive officer.

Role of Compensation Consultant

Pursuant to the Compensation Committee and Section 16 Committee Charter, the Compensation Committees may retain compensation consultants for the purpose of assisting the Compensation Committees in their evaluation of the compensation for our named executive officers. In 2014, the Compensation Committees retained Compensia, Inc. (“Compensia”), a management consulting firm providing executive compensation advisory services to compensation committees and senior management, to assist in an evaluation of TripAdvisor’s compensation peer group, to use the compensation peer group to compile and analyze competitive compensation market data for certain executive officer positions and to advise on matters related to our long-term incentive compensation structure. The Compensation Committees consider input from their compensation consultant as one factor in making decisions with respect to compensation matters, along with information and analysis they receive from management and their own judgment and experience.

Based on consideration of the factors set forth in the rules of the SEC and NASDAQ, the Compensation Committees have determined that their relationship with Compensia and the work performed by Compensia on behalf of the Compensation Committees has not raised any conflict of interest. In addition, in compliance with the Compensation Committee and Section 16 Committee

Charter, the Compensation Committees approved the fees paid to Compensia for work performed in 2014 and confirm that such payments did not exceed \$120,000.

Role of Stockholders

TripAdvisor provides its stockholders with the opportunity to cast an advisory vote to approve the compensation of our named executive officers every three years. In evaluating our 2014 executive compensation program, the Compensation Committees considered the result of the stockholder advisory vote on our executive compensation (the “say-on-pay vote”) held at our Annual Meeting of Stockholders on June 26, 2012, which was approved by over 99% of the votes cast. As a result, the Compensation Committees did not make any significant changes to our executive compensation program for 2014. The Compensation Committees will continue to consider the outcome of the say-on-pay vote when making future compensation decisions for our named executive officers.

We will hold a say-on-pay vote every three years until the next vote on the frequency of such stockholder advisory votes, which will occur no later than our 2018 Annual Meeting of Stockholders. We will hold a say-on-pay vote at this Annual Meeting. Our next say-on-pay vote, following this meeting, will be held at the annual meeting of our stockholders in 2018.

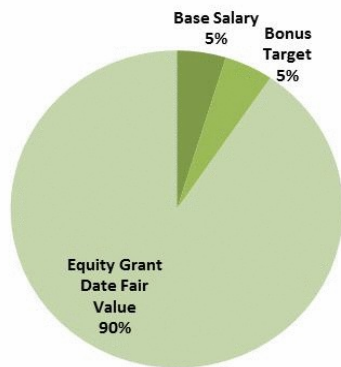

Compensation Program Elements

General

The primary elements of our executive compensation program are base salary, an annual cash bonus and equity awards. Generally, the Compensation Committees review these elements in the first quarter of each year in light of our business and individual performance, recommendations from management and other relevant information, including prior compensation history and outstanding long-term incentive compensation arrangements. Management and the Compensation Committees believe that there are multiple, dynamic factors that contribute to success at an individual and business level. Management and the Compensation Committees have therefore refrained from adopting strict formulas and have relied primarily on a discretionary approach that allows the Compensation Committees to set executive compensation levels on a case-by-case basis, taking into account all relevant factors.

The following chart illustrates the composition of the target total direct compensation for the Chief Executive Officer and for the other named executive officers between base salary, short term and long term compensation. All elements of compensation are considered to be “at-risk” with the exception of base salary.

CEO Total Compensation Mix

Other NEO Total Compensation Mix

- (1) For our CEO, Total Compensation consists of 2014 annualized base salary, 2014 target annual cash bonus, and the grant date fair-value of his 2013 equity grant, prorated for the portion of service period attributed to 2014, given that our CEO did not receive a 2014 equity grant and will not receive another equity grant until at least August 2017.
- (2) For Other NEOs, Total Compensation is defined as 2014 annualized base salary, 2014 target annual cash bonus, and the 2014 target grant date value of annual equity awards as disclosed in the Summary Compensation Table.
- (3) The Other NEO Total Compensation Mix chart reflects the average Total Compensation of Ms. Bradley, Mr. Kalvert, and Mr. Halpin. Ms. Seidenberg is excluded given that her new-hire compensation is not representative of our annual executive compensation.

One of the primary objectives of our compensation philosophy is to design and support pay opportunities that align with our performance and ultimately result in strong long-term value creation for our stockholders. The significant weighting of long-term incentive compensation ensures that our named executive officers' primary focus is sustained long-term performance, while our short-term incentive compensation motivates consistent annual achievement. The following chart illustrates the percentage of compensation which is fixed versus variable and the allocation between short and long-term compensation.

- (1) For our CEO and Other NEOs, Fixed Compensation consists solely of 2014 annualized base salary. For our CEO, Variable Compensation consists of 2014 target annual cash bonus and the grant date fair-value of the CEO's 2013 equity grant, prorated for the portion of service period attributed to 2014, given that our CEO did not receive a 2014 equity grant and will not receive another equity grant until at least August 2017. For Other NEOs, Variable Compensation consists of 2014 target annual cash bonus and the 2014 target grant date value of annual equity awards as disclosed in the Summary Compensation Table.
- (2) For our CEO and Other NEOs, short-term incentive compensation consists of 2014 target annual cash bonus. For our CEO, long-term incentive compensation consists of grant date fair-value of the CEO's 2013 equity grant, prorated for the portion of service period attributed to 2014, given that our CEO did not receive an equity grant in 2014 and will not receive another equity grant until August 2017. For Other NEOs, short-term incentive compensation consists of 2014 target annual cash bonus, while long-term incentive compensation is defined as target grant date value of annual equity awards as disclosed in the Summary Compensation Table.
- (3) The Other NEO compensation reflected in the tables above reflects the compensation averages for Ms. Bradley, Mr. Kalvert, and Mr. Halpin. Ms. Seidenberg is excluded given that her new-hire compensation is not representative of our annual executive compensation.

Following recommendations from management, the Compensation Committees may also adjust compensation for specific individuals at other times during the year when there are significant changes in responsibilities or under other circumstances that the Compensation Committees consider appropriate.

Base Salary

Base salary represents the fixed portion of a named executive officer's compensation and is intended to provide compensation for expected day-to-day performance. A named executive officer's base salary is initially determined upon hire or promotion based on his or her responsibilities, prior experience, individual compensation history and salary levels of other executives within TripAdvisor and similarly situated executives at comparable companies. Base salary is typically reviewed annually, at which time management makes recommendations to the Compensation Committees based on consideration of a variety of factors including, but not limited to, the following:

- the named executive officer's total compensation relative to other executives in similarly situated positions,
- his or her individual performance relative to performance goals established between our CEO and President of the named executive officer,
- his or her responsibilities, prior experience, and individual compensation history, including any non-standard compensation,
- the terms of his or her employment agreement, if any,
- competitive compensation market data, when available,

- general economic conditions, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After careful consideration of the factors discussed above with respect to each of the named executive officers, the Compensation Committees approved 2014 salary changes for our named executive officers. The table below describes, for each named executive officer, the 2013 annualized salary, the annual salary increase and the 2014 annualized salary. Adjustments were made to the compensation annual base salary of Ms. Bradley and Mr. Kalvert primarily in acknowledgement of the extent to which they had achieved their individual performance goals and in response to the analysis provided by Compensia on competitive compensation market data for executive officers with in our peer group in comparable positions. Ms. Seidenberg's salary was set in August 2014 when TripAdvisor acquired Viator and her employment commenced. Only her annualized 2014 base salary is included in the table below.

| <u>Name</u> | <u>2013 Salary</u> | <u>Annual Salary Increase</u> | <u>2014 Salary</u> |
|-------------------|--------------------|-------------------------------|--------------------|
| Stephen Kaufer | \$ 500,000 | \$ - | \$ 500,000 |
| Julie Bradley | \$ 365,000 | \$ 32,000 | \$ 397,000 |
| Seth Kalvert | \$ 350,000 | \$ 35,000 | \$ 385,000 |
| Dermot M. Halpin | £ 296,440 | £ 5,929 | £ 302,369 |
| Barrie Seidenberg | -- | -- | \$ 250,000 |

(1) Mr. Halpin's base salary was paid in GBP and the amounts set forth above represent \$488,652, \$9,773 and \$498,425, respectively, when converted to USD using an exchange rate of 1.6484 USD to 1 GBP.

Annual Cash Bonuses

Cash bonuses are awarded to recognize and reward each named executive officer's annual contribution to Company performance. Unless otherwise provided by the provisions of his or her employment agreement, the target annual cash bonus opportunities for our named executive officers are generally established by the Compensation Committees, based on competitive market data and recommendations by the President and Chief Executive Officer (other than in connection with his own compensation).

In February 2015, management recommended bonuses with respect to calendar year 2014 for each of our named executive officers after taking into account a variety of factors including, but not limited to, the following:

- TripAdvisor's business and financial performance, including year-over-year performance,
- TripAdvisor's performance against strategic initiatives,
- the named executive officer's target cash bonus opportunity, if any,
- his or her individual performance,
- the overall funding of the cash bonus pool,
- the amount of bonus relative to other TripAdvisor executives,
- general economic conditions,
- competitive compensation market data, when available, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

Annual cash incentive bonuses awarded to our named executive officers for 2014 were subject to the achievement of performance goals relating either to stock price performance or revenue, which were satisfied. These performance goals were designed to permit TripAdvisor to deduct all named executive officer compensation for 2014 in accordance with Section 162(m) of the Code. Specifically, the cash bonuses awarded to our named executive officers in 2014 were subject to the satisfaction of one of the following performance goals:

- The revenues of TripAdvisor in any of the three consecutive calendar quarters beginning with the second quarter of 2014 must be at least 10% higher than the revenues in the corresponding calendar quarter 12 months before, excluding the benefit of any acquisitions by TripAdvisor during this period; or
- The closing price per share of TripAdvisor common stock must be at least 5% higher than the closing price of TripAdvisor's common stock on February 6, 2014, which was \$77.14 per share, on any 30 trading days during the period beginning February 7, 2014 and ending December 31, 2014 (such days not necessarily consecutive), taking into account any Share Change or Corporate Transaction (each as defined in the TripAdvisor 2011 Stock and Annual Incentive Plan, as amended (the "2011 Plan")).

In general, these performance goals reflect the minimally acceptable Company performance that must be achieved for cash bonuses to be awarded to our named executive officers, but with respect to which there is substantial uncertainty when established. The Compensation Committees may exercise negative discretion in making the annual cash bonus awards. As a result, while performance targets were used in setting compensation under this plan, ultimately the levels of those targets and the Compensation Committees' use of negative discretion typically result in the award of compensation as if the annual incentive plan were operating as a discretionary plan.

After consideration of the factors discussed above (including confirmation of satisfaction of the performance goals established for the Company and individual performance goals established between our CEO and President and the named executive officers), the Compensation Committees awarded 2014 cash bonuses to our named executive officers. The table below describes, for each named executive officer other than Ms. Seidenberg, the target bonus for 2014, the actual bonus paid and percentage of bonus paid relative to target.

| Name | Target Bonus as % of | | Cash Bonus Award | Percentage of Award to Target |
|------------------|----------------------|-------------------|------------------|-------------------------------|
| | Base Salary | Target Cash Bonus | | |
| Stephen Kaufer | 100% | \$ 500,000 | \$ 700,000 | 140% |
| Julie Bradley | 66% | \$ 262,020 | \$ 235,818 | 90% |
| Seth Kalvert | 50% | \$ 192,500 | \$ 192,500 | 100% |
| Dermot M. Halpin | 50% | £ 151,185 | £ 139,090 | 92% |

(1) Mr. Halpin's annual cash bonus was paid in GBP and the amounts set forth above represent \$249,213 and \$229,276, respectively, when converted to USD using an exchange rate of 1.6484 USD to 1 GBP.

Ms. Seidenberg joined TripAdvisor in August 2014 upon the consummation of the acquisition of Viator by TripAdvisor. Pursuant to the terms of her employment agreement, Ms. Seidenberg remained on the Viator bonus program through the end of 2014. As a result, she was eligible to receive a quarterly target bonus of \$18,750 for the second, third, and fourth quarters of 2014 as well as a target annual bonus of \$75,000. Such payouts were made with consideration for Viator business and financial performance, although specific targets were not set. The table below describes Ms. Seidenberg's 2014 target bonuses, the actual bonus paid and percentage of bonus paid relative to target.

| Performance Period | Target Cash Bonus | Cash Bonus Award | Percentage of Award to Target |
|--------------------|-------------------|------------------|-------------------------------|
| Second Quarter | \$ 18,750 | \$ 15,000 | 80% |
| Third Quarter | \$ 18,750 | \$ 18,750 | 100% |
| Fourth Quarter | \$ 18,750 | \$ 18,750 | 100% |
| Annual | \$ 75,000 | \$ 84,375 | 113% |
| Total | \$ 131,250 | \$ 136,875 | 104% |

Equity Awards

The Compensation Committees use equity awards to align executive compensation with our long-term performance. Equity awards link compensation to financial performance because their value depends on TripAdvisor's share price. Equity awards are also

an important employee retention tool because they generally vest over a multi-year period, subject to continued service by the award recipient.

Equity awards are typically granted to our named executive officers upon hire or promotion and annually thereafter. Management generally recommends annual equity awards in the first quarter of each year when the Compensation Committees meet to make determinations regarding annual bonuses for the last completed fiscal year and to set compensation levels for the current fiscal year. The practice of the Compensation Committees is to generally grant equity awards to our named executive officers only in open trading windows.

Typically, equity awards have been in the form of awards of restricted stock units (“RSUs”) and/or options to purchase shares of TripAdvisor common stock or some combination of the two. Stock options have an exercise price equal to the market price of TripAdvisor common stock on the date of grant, and, therefore, provide value to our named executive officers only if our stock price increases. Stock options generally vest over a period of four years. We believe stock options incentivize our named executive officers to sustain increases in stockholder value over extended periods of time. RSUs are a promise to issue shares of our common stock in the future provided the named executive officer remains employed with us through the award’s vesting period. RSUs generally vest over a period of four years. RSUs provide the opportunity for capital accumulation and long-term incentive value and are intended to assist in satisfying our retention objectives.

The Compensation Committees review various factors considered by management when they establish TripAdvisor’s equity award grant pool including, but not limited to, the following:

- TripAdvisor’s business and financial performance, including year-over-year performance,
- dilution rates, taking into account projected headcount growth and employee turnover,
- non-cash compensation as a percentage of earnings before interest, taxes, depreciation and amortization,
- equity compensation utilization by peer companies,
- general economic conditions, and
- competitive compensation market data regarding award values.

For specific awards to our named executive officers, management makes recommendations to the Section 16 Committee based on a variety of factors including, but not limited to, the following:

- TripAdvisor’s business and financial performance, including year-over-year performance,
- individual performance and future potential of the executive,
- the overall size of the equity award pool,
- award value relative to other TripAdvisor executives,
- the value of previous awards and amount of outstanding unvested equity awards,
- competitive compensation market data, to the degree that the available data is comparable, and
- the recommendations of the President and Chief Executive Officer (other than in connection with his own compensation).

After review and consideration of the recommendations of management and the President and Chief Executive Officer (other than with respect to awards for himself), the Section 16 Committee decides whether to grant equity awards to our named executive officers. After consideration of the factors discussed above, in February 2014, the Section 16 Committee granted the equity awards described below.

| <u>Name</u> | <u>Grant Date Fair Value</u> | <u>Number of Stock Options</u> | <u>Number of RSUs</u> |
|------------------|------------------------------|--------------------------------|-----------------------|
| Julie Bradley | \$ 2,105,226 | 33,584 | 5,432 |
| Seth Kalvert | \$ 1,537,430 | 24,526 | 3,967 |
| Dermot M. Halpin | \$ 749,787 | 7,973 | 3,869 |

In August 2013, the Section 16 Committee granted an option to purchase 1,100,000 shares of TripAdvisor common stock to Mr. Kaufer, which will vest in equal installments on each of the fourth and fifth anniversaries of the award date of the grant, subject to Mr. Kaufer's continuous employment with, or performance of services for, TripAdvisor or one of its subsidiaries or affiliates and his being in good standing through each such vesting date. In consideration of this award, Mr. Kaufer is subject to non-competition and non-solicitation covenants that apply during his employment and until 18 months immediately following the termination of his employment for any reason. In recognition of the size of the stock option granted to Mr. Kaufer in August 2013, the Section 16 Committee indicated its expectation that Mr. Kaufer would not be eligible for another equity award until August 2017, and, accordingly, Mr. Kaufer was not granted an equity award in 2014.

In February 2014, the Compensation Committee considered Mr. Halpin's outstanding February 2013 performance grant of an option to purchase 100,000 shares of common stock. The first tranche of the award, relating to 33 1/3% of the shares underlying the stock option award, or 33,333 shares, was scheduled to vest on December 31, 2013 subject to achievement of certain interim performance targets. Given that business priorities affected the achievement of these interim performance targets, Mr. Kaufer recommended, and the Compensation Committee approved, a modification of the performance-based stock option such that the 33,333 shares underlying the award that had been scheduled to vest on December 31, 2013 would instead vest on December 31, 2014, subject to Mr. Halpin's continued employment at TripAdvisor. Please refer to the Grants of Plan Based Awards table for the incremental expense related to this modification. Vesting of the remaining 66,667 shares underlying that portion of the award will vest on February 1, 2016, subject to the achievement of performance metrics related to revenue and EBITDA.

In August 2014, Ms. Seidenberg joined TripAdvisor in connection with the Viator acquisition. Upon the close of the acquisition, Ms. Seidenberg was granted stock options and RSUs in the amounts below to motivate, retain, and align her interests with those of our stockholders. In addition, TripAdvisor assumed Ms. Seidenberg's Viator stock options covering a total of 24,943 shares that were not exchanged for cash in connection with the transaction, details of which can be found in the Outstanding Equity Awards at Fiscal Year End table.

| <u>Name</u> | <u>Grant Date Fair Value</u> | <u>Number of Stock Options</u> | <u>Number of RSUs</u> |
|-------------------|------------------------------|--------------------------------|-----------------------|
| Barrie Seidenberg | \$ 2,017,744 | 11,215 | 15,880 |

Employee Benefits

In addition to the primary elements of compensation described above, our named executive officers also participate in employee benefits programs available to our employees generally, including, for named executive officers residing in the United States, the TripAdvisor Retirement Savings Plan. Under this plan, TripAdvisor matches 50% of each dollar a participant contributes, up to the first 6% of eligible compensation, subject to tax limits. Prior to his relocation from the United Kingdom to the United States, Mr. Halpin participated in our UK pension scheme, pursuant to which we match 100% of participant contributions, up to the first 5% of eligible compensation.

In addition, we provide other benefits to our named executive officers on the same basis as all of our domestic employees generally. These benefits include group health (medical, dental, and vision) insurance, group disability insurance, and group life insurance.

In situations where a named executive officer is required to relocate, TripAdvisor also provides relocation benefits, including reimbursement of moving expenses, temporary housing and other relocation expenses as well as a tax gross-up payment on the relocation benefits. In 2014, Mr. Halpin relocated from the United Kingdom to our corporate headquarters in Newton, Massachusetts and received such relocation support as disclosed in the Summary Compensation Table.

TripAdvisor also sponsors a Global Personal Travel Reimbursement program generally available to all employees, including our named executive officers, that provides for reimbursement of up to \$750 a year for leisure travel that is arranged using one of the TripAdvisor Media Group family of products and provides all employees, including our named executive officers, an annual holiday bonus in the form of a gift card as well as a tax gross-up payment on the value of the gift card.

Compensation Program Policies

Executive Compensation Recovery

TripAdvisor has an executive compensation recovery, or clawback, provision in our form of award agreements providing for recoupment of equity compensation. Each of TripAdvisor's equity award documents provides that in the event an employee is terminated for Cause (as defined in the 2011 Plan) or resigns within two years after any event or circumstance that would have been grounds for termination of employment for Cause, then the employee agrees that certain equity securities issued to such employee (whether or not vested) may be forfeited and cancelled in their entirety upon such termination of employment. In such event, TripAdvisor may cause the employee to either (i) return the equity securities or shares of common stock issued upon exercise or vesting of such securities, or (ii) pay to TripAdvisor an amount equal to the aggregate amount, if any, that the employee had previously realized in respect of any and all shares of common stock acquired upon exercise or vesting of such equity awards.

We intend to adopt a general clawback policy covering our annual and long-term incentive award plans and arrangements or amend our existing documents once the SEC adopts final rules implementing the requirement of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act

Insider Trading and Hedging Policy

TripAdvisor has adopted an Insider Trading Policy covering our directors, officers, employees and consultants designed to ensure compliance with relevant SEC regulations, including insider trading rules. TripAdvisor's insider trading policy also prohibits directors, officers, employees and consultants from engaging in various types of transactions in which they may profit from short-term speculative swings in the value of TripAdvisor securities. These transactions include "short sales" (or selling borrowed securities which the sellers hopes can be purchased at a lower price in the future), "put" and "call" options (or publicly available rights to sell or buy securities within a certain period of time at a specified price or the like) and hedging transactions, such as zero-cost collars and forward sale contracts. The policy also prohibits the pledge or use of company securities as collateral in a margin account or collateral for a loan.

The Role of Competitive Compensation Market Data

Management considers multiple data sources when reviewing compensation information to ensure that the data reflects compensation practices of relevant companies in terms of size, industry and geographic location. Among other factors, management considers the following information in connection with its recommendations to the Compensation Committees regarding compensation for our named executive officers:

- Data from salary and equity compensation surveys that include companies of a similar size, based on market capitalization, revenues and other factors, and
- Data regarding compensation for certain executive officer positions (e.g., chief executive officer and chief financial officer) from recent proxy statements and other SEC filings of peer companies, which include: (i) direct industry competitors, and (ii) non-industry companies with which TripAdvisor commonly competes for talent (including both regional and national competitors).

In the summer of 2013, the Compensation Committees retained Compensia to review the existing compensation peer group and to recommend possible changes. Our business model is somewhat unique. We use our innovative technology systems and software to attract users and then facilitate transactions between our business partners and those users. Accordingly, Compensia recommended certain changes to the compensation peer group, including focusing on publicly-traded companies in the business to consumer ("B2C") and software industries.

In February 2014, based on input from Compensia, the Compensation Committees approved the following companies to constitute the compensation peer group for purposes of serving as a referring in determining 2014 base salaries and equity awards for our executive officers:

Software Companies

Akamai Technologies, Inc.
ANSYS, Inc.
Citrix Systems, Inc.
Concur Technologies, Inc.
FactSet Research Systems, Inc.
NetSuite Inc.
Nuance Communications
RedHat, Inc.
VeriSign, Inc.
Workday, Inc.

B to C Internet Companies

Expedia, Inc.
Groupon, Inc.
Homeaway.com, Inc.
IAC/InterActiveCorp.
LinkedIn Corp.
Netflix Inc.
Pandora Media, Inc.
priceline.com Incorporated
Shutterfly, Inc.
VistaPrint N.V.

The 2014 peer group remains unchanged from the peer group approved by the Compensation Committees in August, 2013.

When available, management and the Compensation Committees consider competitive market compensation paid by peer group companies but does not attempt to maintain a certain target percentile within the compensation peer group or otherwise rely solely on such data when making recommendations to the Compensation Committees regarding compensation for our named executive officers. Management and the Compensation Committees strive to incorporate flexibility into our executive compensation program and the assessment process to respond to and adjust for the evolving business environment and the value delivered by our named executive officers.

Tax Matters

Section 162(m) of the Code generally permits a tax deduction to public corporations for compensation over \$1 million paid in any fiscal year to their chief executive officer and certain other highly compensated executive officers only if the compensation qualifies as “performance-based compensation” for purposes of Section 162(m). The Compensation Committees endeavor to structure the compensation of our executive officers to qualify as “performance-based compensation” when it deems such qualification to be in the best interests of TripAdvisor and its stockholders. Nonetheless, from time to time certain nondeductible compensation may be paid and the Board of Directors and the Compensation Committees reserve the authority to award nondeductible compensation to our executive officers in appropriate circumstances.

For purposes of enabling TripAdvisor to deduct the compensation paid to and recognized by our named executive officers in accordance with Section 162(m) of the Code, the Compensation Committees sought to design the annual bonuses awarded to our named executive officers for 2014 to qualify as “performance-based compensation” as described under “Compensation Program Elements – Cash Bonuses” above.

Post-Employment Compensation

Change in Control

Under the 2011 Plan, Ms. Bradley and Messrs. Kaufer and Kalvert are entitled to accelerated vesting of certain of their outstanding and unvested equity awards in the event of a change in control of TripAdvisor (i.e. a “single trigger” acceleration provision), although the definition of a “change in control” in the 2011 Plan does not include the acquisition of voting control by Liberty or LTRIP. When the 2011 Plan was adopted, the Compensation Committees believed that accelerated vesting of equity awards in connection with change in control transactions would provide an incentive for our named executive officers to continue to help execute successfully such a transaction from its early stages until closing. Under the 2011 Plan, acceleration of equity awards and equity awards for all other employees is subject to double trigger acceleration (i.e., accelerated vesting occurs only upon an involuntary termination of employment or resignation for “good reason” during the two-year period following a change in control).

In August 2013, after further evaluation of the “single trigger” acceleration provisions, the Compensation Committees determined that future equity awards made under the 2011 Plan would not be entitled to “single trigger” acceleration and, instead, the award agreements with respect to such equity awards would provide that any acceleration of vesting of the equity awards would be subject to “double trigger” rather than “single trigger” acceleration. This means that a vesting of outstanding and unvested equity awards granted on or after August 28, 2013, would only occur upon both a change in control and qualified termination of employment. With respect to Mr. Kaufer’s equity award granted in August 2013, he agreed to waive the “single trigger” acceleration right and instead agreed that acceleration of this equity award is subject to “double trigger” acceleration. This determination will not have an impact on equity awards made to our named executive officers prior to Mr. Kaufer’s equity award grant in August 2013. For a

description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled “Potential Payments Upon Termination of Change in Control.”

Severance

In March 2014, TripAdvisor, entered into employment agreements with each of Mr. Kaufer, Ms. Bradley and Mr. Kalvert. In addition, at the time of their employment with TripAdvisor, the Company executed offer letters with Mr. Halpin and Ms. Seidenberg. Pursuant to these agreements and offer letters, each of our named executive officers is eligible to receive certain severance payments and benefits in the event of a qualifying termination of employment. The material terms of these employment agreements are described below under the headings “Potential Payments Upon Termination or Change in Control.”

We do not currently have any other defined contribution or other plan that provides for deferred compensation on a basis that is not tax-qualified for our employees.

Potential Payments Upon Termination or Change in Control

Certain of our compensation plans, award agreements and employment agreements or offer letters provide our named executive officers with accelerated vesting of outstanding and unvested equity awards or severance payments in the event of a change in control of TripAdvisor and/or upon the termination of employment or material adverse modification of his or her employment with TripAdvisor under specified circumstances. These plans and agreements are described below as they apply to each named executive officer.

Change of Control Provisions of TripAdvisor's 2011 Stock and Annual Incentive Plan and Award Agreements Thereunder

The 2011 Plan provided that, unless otherwise provided in the applicable award agreement (or with respect to converted Expedia awards, only to the extent provided in the relevant award agreement), in the event of a Change in Control (as defined below), (i) any outstanding stock options held by certain of our named executive officers as of the date of the Change in Control which are not then exercisable and vested will become fully exercisable and vested, and (ii) all RSUs held by these named executive officers will be considered to be earned and payable in full and such RSUs will be settled in cash or shares of TripAdvisor common stock as promptly as practicable.

After further evaluation of the “single trigger” acceleration provisions in the 2011 Plan, the Compensation Committees determined that future equity awards made under the 2011 Plan would not be entitled to “single trigger” acceleration and, instead, the award agreements with respect to such equity awards would provide that any acceleration of vesting of the awards would be subject to “double trigger” rather than “single trigger” acceleration. This means that a vesting of outstanding and unvested equity awards would only occur upon both a change in control of TripAdvisor and qualifying termination of employment. With respect to Mr. Kaufer’s equity award granted in August 2013, Mr. Kaufer agreed to waive the “single trigger” acceleration right and instead agreed that acceleration of this award is subject to “double trigger” acceleration. This determination will not have an impact on equity awards made to our named executive officers prior to Mr. Kaufer’s equity award granted in August 2013.

Stephen Kaufer Employment Agreement

In March 2014, TripAdvisor, LLC, a subsidiary of TripAdvisor, entered into an employment agreement with Mr. Kaufer. Previously, the Company did not have an employment agreement with Mr. Kaufer. The agreement has a term of five years.

Pursuant to the employment agreement, in the event that Mr. Kaufer’s employment terminates by reason of his death or disability, then:

- TripAdvisor will pay Mr. Kaufer (or his estate) his base salary through the end of the month in which the termination occurs;
- any outstanding unvested equity awards that vest less frequently than annually shall be treated as though such awards vested annually; and
- any unvested stock options held by Mr. Kaufer at the time of termination shall remain exercisable through the earlier of 18 months following termination or the scheduled expiration of the option.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below) and such termination occurs during the period commencing three months immediately prior to a Change in Control (as defined below) and ending 24 months immediately following the Change in Control, then:

- TripAdvisor will pay him cash severance in an amount equal to 24 months of his base salary;
- TripAdvisor will pay him in cash an amount equal to the premiums charged by TripAdvisor to maintain COBRA health insurance coverage for him and his eligible dependents for each month between the date of termination and 18 months thereafter;
- TripAdvisor will pay to him a lump sum in cash equal to his annual target bonus, without pro-rata or adjustment;
- all equity awards held by him that are outstanding and unvested shall immediately vest in full; and
- Mr. Kaufer will have 18 months following such date of termination of employment to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Pursuant to the employment agreement, in the event that Mr. Kaufer terminates his employment for Good Reason or is terminated by TripAdvisor without Cause and such termination is not in connection with a Change in Control, then:

- TripAdvisor will continue to pay Mr. Kaufer’s base salary through 12 months following the date of termination;
- TripAdvisor will consider in good faith the payment of an annual bonus on a pro rata basis and based on actual performance for the year in which termination of employment occurs, any such payment to be paid based on actual performance during the year of termination;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Kaufer and his eligible dependents for 12 months following termination;

- all equity awards held by Mr. Kaufer that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that awards that vest less frequently than annually will be treated as though such awards vested annually);
- any equity awards that do not vest in connection with a termination of employment shall remain outstanding for three months following termination, provided that there will be no additional vesting with respect to such awards unless a Change in Control occurs within such three-month period; and
- Mr. Kaufer will have 18 months following such date of termination to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Receipt of the severance payments and benefits set forth above is contingent upon Mr. Kaufer executing and not revoking a separation and release in favor of TripAdvisor. Each of the payments set forth above shall be offset by the amount of any cash compensation earned by Mr. Kaufer from another employer during the 12 months following his termination of employment.

With respect to Mr. Kaufer's equity award granted in August 2013, he agreed to waive the single trigger acceleration right upon a change in control and, instead, acceleration of this award is subject to double trigger acceleration.

Mr. Kaufer has also agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, during the term of his employment and through the period ending 18 months after the termination of employment.

Seth J. Kalvert Employment Agreement

In October 2011, TripAdvisor, LLC entered into an employment agreement with Mr. Kalvert. Such employment agreement had a term of two years and expired in October 2013. Effective March 31, 2014, TripAdvisor, LLC entered into a new employment agreement with Mr. Kalvert, with a two-year term and on substantially the same terms as the expired employment agreement.

Pursuant to the employment agreement with Mr. Kalvert, in the event that his employment terminates by reason of his death or disability, he will be entitled to continued payment of base salary through the end of the month in which the termination occurs.

Pursuant to the employment agreement with Mr. Kalvert, in the event that he terminates his employment for Good Reason (as defined below) or is terminated by TripAdvisor without Cause (as defined below), then:

- TripAdvisor will continue to pay his base salary through the longer of the end of the term of the executive's employment agreement and 12 months following termination (provided that such payments will be offset by any amount earned from another employer during such time period);
- TripAdvisor will consider in good faith the payment of bonuses on a pro rata basis based on actual performance for the year in which termination of employment occurs;
- TripAdvisor will pay COBRA health insurance coverage for Mr. Kalvert and his eligible dependents through the longer of the end of the term of his employment agreement and 12 months following termination;
- All equity awards held by Mr. Kalvert that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually); and
- Mr. Kalvert will have 18 months following such date of termination or employment to exercise any vested stock options (including stock options accelerated pursuant to the terms of his employment agreement) or, if earlier, through the scheduled expiration date of the options.

Receipt of the severance payments and benefits set forth above is contingent upon Mr. Kalvert executing and not revoking a separation and release in favor of TripAdvisor. In addition, Mr. Kalvert agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) 12 months after the termination of employment.

Julie M.B. Bradley Employment Agreements

In October 2011, TripAdvisor, LLC entered into an agreement with Ms. Bradley. Such employment agreement had a term of two years and expired in October 2013. Effective March 31, 2014, TripAdvisor, LLC entered into a new employment agreement with Ms. Bradley, with a two-year term and on substantially the same terms as the expired employment agreement and those described above for Mr. Kalvert.

On April 2, 2015, Ms. Bradley informed TripAdvisor of her intention to resign from the Company. In order to provide for the transition of Ms. Bradley's responsibilities, TripAdvisor and Ms. Bradley have entered into a Separation Agreement, dated April 2, 2015 (the "Separation Agreement"), pursuant to which Ms. Bradley has agreed to remain with the Company on a full-time basis for a transition period, which will last until the earlier of September 30, 2015 or thirty days following her successor's start date (the "Transition Period").

Under the Separation Agreement and subject to the terms and conditions set forth therein, in exchange for Ms. Bradley's continued service during the Transition Period, the Company and Ms. Bradley have agreed to the following:

- Ms. Bradley will continue to receive her base salary until June 30, 2016;
- all equity awards held by Ms. Bradley that otherwise would have vested on or before March 31, 2016 will accelerate and become fully vested and exercisable, and Ms. Bradley will have until the date that is 18 months immediately following the end of the Transition Period to exercise any vested stock options or, if earlier, through the scheduled expiration date of the options; and
- TripAdvisor will consider in good faith the payment of an annual cash bonus on a pro rata basis based on actual performance for this year.

The employment agreement, dated as of March 31, 2014, between Ms. Bradley and the Company was superseded and replaced by the separation agreement, except to the extent that certain provisions and obligations of the employment agreement were expressly preserved and incorporated by reference into the separation agreement.

Receipt of the severance payments and benefits set forth above is contingent upon the executive executing and not revoking a separation and release in favor of TripAdvisor, Inc. In return, Ms. Bradley has agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement, and (ii) 12 months after the termination of employment.

Dermot M. Halpin Offer Letter

On November 29, 2011, TripAdvisor, Ltd., a subsidiary of TripAdvisor, entered into an offer letter with Dermot Halpin. Pursuant to the offer letter, TripAdvisor may terminate the employee with immediate effect if Mr. Halpin:

- convicts a serious breach of his obligations under the offer letter (provided, that TripAdvisor will provide prior notice and a reasonable opportunity to cure, if such breach is curable);
- fails to comply with a lawful instruction given to Mr. Halpin by a duly authorized individual on behalf of TripAdvisor;
- is guilty of dishonest, or other gross misconduct, or gross incompetence or willful neglect of duty;
- acts in any manner which TripAdvisor reasonably believes is likely to bring TripAdvisor into disrepute or materially prejudice the interest of the company;
- is convicted of a formal offence, other than a motoring offense which does result in imprisonment;
- is declared bankrupt, applies for or has made against him a receiving order under Section 286 Insolvency Act 1986, or have any order made against him to reach a voluntary arrangement as defined by Section 253 of the Insolvency Act of 1986;
- loses the right to work in the United States.

In the event of termination of Mr. Halpin's employment by the Company for any reason other than those noted above, then the Company will make a compensation payment to Mr. Halpin in an amount equal to nine months' base salary at the rate then payable. Mr. Halpin shall also be entitled to, at the Company's discretion, extension of health benefits or the cost of comparable benefits.

The offer letter also provides that in the event of a termination of employment for any reason other than those noted above, the Company will consider in good faith the acceleration of Mr. Halpin's November 30, 2011 stock option grant and his February 27, 2013 performance award that otherwise would have vested in the nine months post-termination. In the case of the performance award, any amount that would vest under this provision would only vest to the extent that the performance conditions are satisfied.

Simultaneously with entering into the offer letter, Mr. Halpin also entered into a Non-Disclosure, Developments and Non-Competition Agreement, pursuant to which Mr. Halpin agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) nine months after the termination of employment.

Barrie Seidenberg Offer Letter

Effective August 8, 2014, TripAdvisor, LLC entered into an offer letter with Ms. Seidenberg. Pursuant to the offer letter, in the event that she terminates her employment for Good Reason or is terminated by TripAdvisor without Cause, then:

- TripAdvisor will continue to pay her base salary for a period of six months following termination;
- TripAdvisor will consider in good faith the payment of a cash amount equal to any unpaid bonus on a pro rata basis based on actual performance for the year in which termination of employment occurs;
- TripAdvisor will pay COBRA health insurance coverage for her and her eligible dependents for a period of six months following termination;
- any portion of the unvested in-the-money equity awards assumed by TripAdvisor in connection with the acquisition of the Viator will accelerate and become fully vested and exercisable, and
- the equity awards issued to Ms. Seidenberg in connection with her hire or that otherwise would have vested during the 12-month period following termination of employment, will accelerate and become fully vested and exercisable (provided that equity awards that vest less frequently than annually shall be treated as though such awards vested annually).

Simultaneously with entering into the offer letter, Ms. Seidenberg also entered into a Non-Disclosure, Developments and Non-Competition Agreement, pursuant to which Ms. Seidenberg agreed to be restricted from competing with TripAdvisor or any of its subsidiaries or affiliates or soliciting their employees, consultants, independent contractors, customers, suppliers or business partners, among others, through the longer of (i) the completion of the term of the employment agreement and (ii) 12 months after the termination of employment.

Employment Agreement Definitions

Under the employment agreements with Ms. Bradley and Messrs. Kaufer and Kalvert and the offer letter with Ms. Seidenberg, "Cause" means: (i) the plea of guilty or nolo contendere to, conviction for, a felony offense by the executive; provided, however, that after indictment, TripAdvisor may suspend the executive from rendition of services but without limiting or modifying in any other way TripAdvisor's obligations under the employment agreement, (ii) a material breach by the executive of a fiduciary duty owed to TripAdvisor or its subsidiaries, (iii) material breach by the executive of certain covenants of the employment agreement, (iv) the willful or gross neglect by the executive of the material duties required by the employment agreement and (v) a knowing and material violation by the executive of any TripAdvisor policy pertaining to ethics, legal compliance, wrongdoing or conflicts of interest that, in the cases of the conduct described in clauses (iv) and (v) above, if curable, is not cured by the executive within 30 days after the executive is provided with written notice thereof.

Under the employment agreements with our named executive officers and under the 2011 Plan, "Change in Control" shall mean any of the following events:

For a description and quantification of change in control payments and benefits for our named executive officers, please see the section below entitled “Potential Payments Upon Termination of Change in Control.”

Estimated Potential Incremental Payments

The table below reflects the estimated amount of incremental compensation payable to each of our named executive officers upon termination of his or her employment in the following circumstances: (i) a termination of employment by TripAdvisor without Cause not in connection with a Change in Control, (ii) resignation by him or her for Good Reason not in connection with a Change in Control, (iii) a Change in Control or (iv) a termination of employment by TripAdvisor without Cause or by him or her for Good Reason in connection with a Change in Control.

The amounts shown in the table assume that the triggering event was effective as of December 31, 2014 and that the price of TripAdvisor common stock on which certain of the calculations are based was the closing price of \$74.66 per share on the NASDAQ Stock Market on December 31, 2014, the last trading day in 2014. These amounts are estimates of the incremental amounts that would be paid out to each named executive officer upon such triggering event. The actual amounts to be paid out can only be determined at the time of the triggering event, if any.

DIRECTOR COMPENSATION

Overview

The Board of Directors sets non-employee director compensation, which is designed to provide competitive compensation necessary to attract and retain high quality non-employee directors and to encourage ownership of TripAdvisor common stock to further align their interests with those of our stockholders. Each non-employee director of TripAdvisor is eligible to receive the following compensation:

- an annual cash retainer of \$50,000, paid in equal quarterly installments;
- an RSU award with a value of \$150,000 (based on the closing price of TripAdvisor's common stock on the NASDAQ Stock Market on the date of grant), upon such director's initial election to office and on December 15th of each year, subject to vesting in three equal installments commencing on the first anniversary of the grant date and, in the event of a Change in Control (as defined in the 2011 Plan), full acceleration of vesting;
- an annual cash retainer of \$20,000 for each member of the Audit Committee (including the Chairman) and \$15,000 for each member of the Compensation Committees (including the Chairperson); and
- an additional annual cash retainer of \$10,000 for each of the Chairman of the Audit Committee and the Chairperson of the Compensation Committees.

We also pay reasonable travel and accommodation expenses of the non-employee directors in connection with their participation in meetings of the Board of Directors.

TripAdvisor employees do not receive compensation for services as directors. Accordingly, Mr. Kaufer does not receive any compensation for his service as a director.

Non-Employee Director Deferred Compensation Plan

Under TripAdvisor's Non-Employee Director Deferred Compensation Plan, the non-employee directors may defer all or a portion of their directors' fees. Eligible directors who defer their directors' fees may elect to have such deferred fees (i) applied to the purchase of share units representing the number of shares of TripAdvisor common stock that could have been purchased on the date such fees would otherwise be payable or (ii) credited to a cash fund. If any dividends are paid on TripAdvisor common stock, dividend equivalents will be credited on the share units. The cash fund will be credited with deemed interest at an annual rate equal to the average "bank prime loan" rate for such year identified in the U.S. Federal Reserve Statistical Release. Upon termination of service as a director of TripAdvisor, a director will receive (1) with respect to share units, such number of shares of TripAdvisor common stock as the share units represent and (2) with respect to the cash fund, a cash payment. Payments upon termination will be made in either one lump sum or up to five installments, as elected by the eligible director at the time of the deferral election.

2014 Non-Employee Director Compensation Table

The following table shows the compensation information for the non-employee directors of TripAdvisor for the year ended December 31, 2014:

In each case, except as otherwise indicated in the footnotes to the table, the shares are owned directly by the named owners, with sole voting and dispositive power. Unless otherwise indicated, beneficial owners listed in the table may be contacted at TripAdvisor's corporate headquarters at 141 Needham Street, Newton, Massachusetts 02464.

Shares of TripAdvisor Class B common stock may, at the option of the holder, be converted on a one-for-one basis into shares of TripAdvisor common stock; therefore, the common stock column below includes shares of Class B common stock held by each such listed person, entity or group, and the beneficial ownership percentage of each such listed person assumes the conversion of all Class B common stock into common stock. For each listed person, entity or group, the number of shares of TripAdvisor common stock and Class B common stock and the percentage of each such class listed also include shares of common stock and Class B common stock that may be acquired by such person, entity or group on the conversion or exercise of equity securities, such as stock options, which can be converted or exercised, and RSUs that have or will have vested, within 60 days of April 20, 2015, but do not assume the conversion or exercise of any equity securities (other than the conversion of the Class B common stock) owned by any other person, entity or group.

The percentage of votes for all classes of TripAdvisor's capital stock is based on one vote for each share of common stock and ten votes for each share of Class B common stock. There were 130,707,574 shares of common stock and 12,799,999 shares of Class B common stock outstanding on April 20, 2015.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, TripAdvisor officers and directors and persons who beneficially own more than 10% of a registered class of TripAdvisor’s equity securities are required to file initial statements of beneficial ownership (Form 3) and statements of changes in beneficial ownership (Forms 4 and 5) with the SEC. Such persons are required by the rules of the SEC to furnish TripAdvisor with copies of all such forms they file. Based solely on a review of the copies of such forms furnished to TripAdvisor and/or written representations that no additional forms were required, TripAdvisor believes that all of its directors and officers complied with all the reporting requirements applicable to them with respect to transactions during 2014.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

In general, we will enter into or ratify a “related person transaction” only when it has been approved by the Audit Committee of the Board of Directors, in accordance with its written charter. Related persons include our executive officers, directors, 5% or more beneficial owners of our common stock, immediate family members of these persons and entities in which one of these persons has a direct or indirect material interest. Related person transactions are transactions that meet the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person or entity has a direct or indirect material interest). When a potential related person transaction is identified, management presents it to the Audit Committee to determine whether to approve or ratify. When determining whether to approve, ratify, disapprove or reject any related person transaction, the Audit Committee considers all relevant factors, including the extent of the related person’s interest in the transaction, whether the terms are commercially reasonable and whether the related person transaction is consistent with the best interests of TripAdvisor and our stockholders.

The legal and accounting departments work with business units throughout TripAdvisor to identify potential related person transactions prior to execution. In addition, we take the following steps with regard to related person transactions:

- On an annual basis, each director, director nominee and executive officer of TripAdvisor completes a Director and Officer Questionnaire that requires disclosure of any transaction, arrangement or relationship with us during the last fiscal year in which the director or executive officer, or any member of his or her immediate family, had a direct or indirect material interest.
- Each director, director nominee and executive officer is expected to promptly notify our legal department of any direct or indirect interest that such person or an immediate family member of such person had, has or may have in a transaction in which we participate.
- TripAdvisor monitors its accounts payable, accounts receivable and other databases to identify any other potential related person transactions that may require disclosure.
- Any reported transaction that our legal department determines may qualify as a related person transaction is referred to the Audit Committee.

If any related person transaction is not approved, the Audit Committee may take such action as it may deem necessary or desirable in the best interests of TripAdvisor and our stockholders.

Related Person Transactions

Relationship between Expedia and TripAdvisor

Upon consummation of the Spin-Off, Expedia was considered a related party under GAAP based on a number of factors, including, among others, common ownership of our shares and those of Expedia. However, we no longer consider Expedia a related party. For purposes of governing certain of the ongoing relationships between us and Expedia at and after the Spin-Off, and to provide for an orderly transition, we and Expedia entered into various agreements at the time of the Spin-Off, under which TripAdvisor has satisfied its obligations. However, TripAdvisor continues to be subject to certain post-spin obligations under the Tax Sharing Agreement between TripAdvisor and Expedia.

Under the Tax Sharing Agreement, we are generally required to indemnify Expedia for any taxes resulting from the Spin-Off (and any related interest, penalties, legal and professional fees, and all costs and damages associated with related stockholder litigation or controversies) to the extent such amounts resulted from (i) any act or failure to act by us described in the covenants in the tax sharing agreement, (ii) any acquisition of our equity securities or assets or those of a member of our group, or (iii) any failure of the representations with respect to us or any member of our group to be true or any breach by us or any member of our group of any covenant, in each case, which is contained in the separation documents or in the documents relating to the IRS private letter ruling and/or the opinion of counsel.

Relationship between Liberty, LTRIP and TripAdvisor

On August 27, 2014, the entire beneficial ownership of our common stock and Class B common stock held by Liberty was transferred to LTRIP. Simultaneously, Liberty, LTRIP's former parent company, distributed, by means of a dividend, to the holders of its Liberty Ventures common stock, Liberty's entire equity interest in LTRIP. As a result of the Liberty Spin-Off, effective August 27, 2014 LTRIP became a separate, publicly traded company and 100% of Liberty's interest in TripAdvisor was held by LTRIP.

As a result of these transactions, as of the record date, LTRIP beneficially owned 18,159,752 shares of our common stock and 12,799,999 shares of our Class B common stock, which shares constitute 13.9% of the outstanding shares of common stock and 100% of the outstanding shares of Class B common stock. Assuming the conversion of all of LTRIP's shares of Class B common stock into common stock, LTRIP would beneficially own 21.6% of the outstanding common stock (calculated in accordance with Rule 13d-3). Because each share of Class B common stock is generally entitled to ten votes per share and each share of common stock is entitled to one vote per share, LTRIP may be deemed to beneficially own equity securities representing approximately 56.5% of our voting power. As a result, LTRIP is effectively able to control the outcome of all matters submitted to a vote or for the consent of TripAdvisor's stockholders (other than with respect to the election by the holders of TripAdvisor common stock of 25% of the members of TripAdvisor's Board of Directors and matters as to which Delaware law requires a separate class vote).
